Maximovs Companion To The 1996 Presidential Elections

Jan Holzer

Maximovs Companion To The 1996 Presidential Elections:

Slavophiles and Commissars J. Devlin,1999-05-17 This book examines contemporary Russian nationalism as it reemerged in the wake of Gorbachev s liberalisation The book argues that the new nationalism provided opponents of reform with an apparently novel justification for their hostility to the liberalisation inaugurated by Gorbachev and erratically pursued by Yeltsin Maximov's Companion to the 1996 Russian Presidential Elections Andreï Maksimov,1996 *Occasional Paper* ,1998 **Russia's Bitter Path to Modernity** Alexander Chubarov,2001-01-01 Will it follow the model of the Western

capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on tsarist Russia The Fragile Empire One of the key factors to Russia s distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia s Soviet development within Russia s own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist and Soviet Russia with the latter often repeating the former s mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states

The Rhetorical Rise and Demise of "Democracy" in Russian Political Discourse, Volume 2 David Cratis Williams,Marilyn J. Young,Michael K. Launer,2022-05-17 Post Soviet Russia in the 1990s saw a surge in civic participation The traditional power structure officially relinquished control of political rhetoric and a nascent civil society had begun to emerge Free elections and political partisanship between reformist and conservative elements of Russian society spurred on by Russia s economic troubles gave a Wild West tenor to public rhetoric that was reflected in the election campaigns of 1993 1995 and 1996 In this volume the authors examine through a series of contemporaneously written essays the arc of government rhetoric during the height of media freedom the quest for a new national identity and the struggle for self government **Whitaker's Books in Print** ,1998 Library Journal ,1997-11 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately Subject Guide to Books in Print ,1991 *The British National Bibliography* Arthur James Wells,1998 *Communists as Democrats?* Sharon Werning Rivera,1998 *Books in Print* ,1991 **Choice** ,1997

Dietary assessment Food and Agriculture Organization of the United Nations,2018-06-11 FAO provides countries with technical support to conduct nutrition assessments in particular to build the evidence base required for countries to achieve

commitments made at the Second International Conference on Nutrition ICN2 and under the 2016 2025 UN Decade of Action on Nutrition Such concrete evidence can only derive from precise and valid measures of what people eat and drink There is a wide range of dietary assessment methods available to measure food and nutrient intakes expressed as energy insufficiency diet quality and food patterns etc in diet and nutrition surveys in impact surveys and in monitoring and evaluation Different indicators can be selected according to a study s objectives sample population costs and required precision In low capacity settings a number of other issues should be considered e g availability of food composition tables cultural and community specific issues such as intra household distribution of foods and eating from shared plates etc This manual aims to signpost for the users the best way to measure food and nutrient intakes and to enhance their understanding of the key features strengths and limitations of various methods It also highlights a number of common methodological considerations involved in the selection process Target audience comprises of individuals policy makers programme managers educators health professionals including dietitians and nutritionists field workers and researchers involved in national surveys programme planning and monitoring and evaluation in low capacity settings as well as those in charge of knowledge brokering for policy making

Komunistické strany v postsovětských stranicko-politických soustavách Jan Holzer,2000

Argumentation and Advocacy ,1997 **United States Presidential Elections** , *The Cumulative Book Index* ,1997 A world list of books in the English language *Are Intergovernmental Transfers in Russia Equalizing?* Kitty Stewart,1997

Local Government Actions to Prevent Childhood Obesity National Research Council,Institute of Medicine,Transportation Research Board,Board on Population Health and Public Health Practice,Board on Children, Youth, and Families,Food and Nutrition Board,Committee on Childhood Obesity Prevention Actions for Local Governments,2010-01-10 The prevalence of childhood obesity is so high in the United States that it may reduce the life expectancy of today s generation of children While parents and other adult caregivers play a fundamental role in teaching children about healthy behaviors even the most positive efforts can be undermined by local environments that are poorly suited to supporting healthy behaviors For example many communities lack ready sources of healthy food choices such as supermarkets and grocery stores Or they may not provide safe places for children to walk or play In such communities even the most motivated child or adolescent may find it difficult to act in healthy ways Local governments with jurisdiction over many aspects of land use food marketing community planning transportation health and nutrition programs and other community issues are ideally positioned to promote behaviors that will help children and adolescents reach and maintain healthy weights Local Government Actions to Prevent Childhood Obesity presents a number of recommendations that touch on the vital role of government actions on all levels federal state and local in childhood obesity prevention The book offers healthy eating and physical activity strategies for local governments to consider making it an excellent resource for mayors managers commissioners council members county board members and administrators *Politické strany ruska* Jan

Holzer, 2004
