*The Woman Warrior* Maxine Hong Kingston, 2010-09-01 NATIONAL BESTSELLER An exhilarating blend of autobiography and mythology of world and self of hot rage and cool analysis First published in 1976 it has become a classic in its innovative portrayal of multiple and intersecting identities immigrant female Chinese American NATIONAL BOOK CRITICS CIRCLE AWARD WINNER A classic for a reason Celeste Ng bestselling author of *Little Fires Everywhere* and *Our Missing Hearts* via Twitter As a girl Kingston lives in two confounding worlds the California to which her parents have immigrated and the China of her mother's talk stories The fierce and wily women warriors of her mother's tales clash jarringly with the harsh reality of female oppression out of which they come Kingston's sense of self emerges in the mystifying gaps in these stories which she learns to fill with stories of her own A warrior of words she forges fractured myths and memories into an incandescent whole achieving a new understanding of her family's past and her own present [Maxine Hong Kingston's Broken Book of Life](#)

Maureen Sabine, 2004-02-29 The numerous studies of Maxine Hong Kingston's touchstone work *The Woman Warrior* fail to take into account the stories in *China Men* which were largely written together with those in *The Woman Warrior* but later published separately Although Hong Kingston's decision to separate the male and female narratives enabled readers to see the strength of the resulting feminist point of view in *The Woman Warrior* the author has steadily maintained that to understand the book fully it was necessary to read its male companion text Maureen Sabine's ambitious study of *The Woman Warrior* and *China Men* aims to bring these divided texts back together with a close reading that looks for the textual traces of the father in *The Woman Warrior* and shows how the daughter narrator tracks down his history in *China Men* She considers theories of intertextuality that open up the possibility of a dynamic interplay between the two books and suggests that the Hong family women and men may be struggling for dialogue with each other even when they appear textually silent or apart ***The Woman Warrior, China Men*** Maxine Hong Kingston, 2005-04-12 The author recalls her experiences

growing up Chinese American in California and her mother's stories of strong women warriors in her native China and also discusses the history of Chinese men in America from those who worked on the transcontinental railroad to those who fought in Vietnam *China Men* Maxine Hong Kingston, 1989-04-23 The author chronicles the lives of three generations of Chinese men in America woven from memory myth and fact Here's a storyteller's tale of what they endured in a strange new land

**Peace** Maxine Hong Kingston,2004-09-28 A long time ago in China there existed three Books of Peace that proved so threatening to the reigning powers that they had them burned Many years later Maxine Hong Kingston wrote a Fourth Book of Peace but it too was burned in the catastrophic Berkeley Oakland Hills fire of 1991 a fire that coincided with the death of her father Now in this visionary and redemptive work Kingston completes her interrupted labor weaving fiction and memoir into a luminous meditation on war and peace devastation and renewal **I Love a Broad Margin to My Life** Maxine Hong
