theater focusing on key performers writers directors plays and musicals along with the theaters themselves key awards and the folklore of Broadway Broadway is the center of American theater where all the great plays and musicals make their mark Students across the country in theater history performance and direction production look to Broadway for their inspiration While there are illustrated coffee table type books on Broadway there are few that offer a comprehensive look at the key figures and productions of the last two centuries The Routledge Guide to Broadway offers this information in an easy to use inexpensive format that will appeal to students professors and theatrical professionals Famous Actresses of the Day in *America* Lewis Clinton Strang, 1899 It is obviously impossible in writing of persons so prominently before the public as the women considered in this book to secure any great amount of new matter regarding the chief incidents of their lives and the author wishes frankly to acknowledge himself a compiler and editor in so far as biographical details are concerned The facts were gathered from various contemporaneous publications and in some instances from the actresses themselves Accuracy has been the aim but sometimes it has appeared after a careful sifting of ambiguous and contradictory statements that a well considered guess was the only apparent solution of the problem In so far as criticism is concerned the opinions expressed except where credit is given are the author's own and he has endeavored to be just with kindness and still to preserve a proper sense of proportion In preparing the list of the actresses it was necessary to exclude from it many worthy of notice A numerical limit had to be fixed and in the process of selection the preference was given to those whose work during the last season was especially notable The arrangement of the book is purely mechanical and comparisons which are usually foolish and always valueless are purposely avoided Preface Fort Lee Richard Koszarski, 2004 Richard Koszarski recreates the rise and fall of Fort Lee filmmaking in a remarkable collage of period news accounts memoirs municipal records previously unpublished memos and correspondence and dozens of rare posters and photographs not just film history but a unique account of what happened to one New Jersey town hopelessly enthralled by the movies BOOK JACKET Munsev's Magazine for ..., 1908 Who's who in the Theatre ,1926 Who's who in Music and Drama Dixie Hines, Harry Prescott hanaford,1914 **Pearls Before Poppies** Rachel Trethewey, 2018-03-16 In February 1918 when the First World War was still being bitterly fought prominent society member Lady Northcliffe conceived an idea to help raise funds for the British Red Cross Using her husband s newspapers The Times and the Daily Mail she ran a campaign to collect enough pearls to create a necklace intending to raffle the piece to raise money The campaign captured the public s imagination Over the next nine months nearly 4 000 pearls poured in from around the world Pearls were donated in tribute to lost brothers husbands and sons and groups of women came together to contribute one pearl on behalf of their communities Those donated ranged from priceless heirlooms one had survived the sinking of the Titanic to imperfect yet treasured trinkets Working with Christie s and the International Fundraising Committee of the British Red Cross author Rachel Trethewey expertly weaves the touching story of a generation of women who gave what they had to aid the war effort and commemorate their losses In this
