Decoration Day in the Mountains Alan Jabbour, Karen Singer Jabbour, 2010. Decoration Day is a late spring or summer tradition that involves cleaning a community cemetery, decorating it with flowers, holding a religious service in the cemetery and having dinner on the grounds. These commemorations seem to predate the post-Civil War. **The English Festivals** Laurence Whistler, 2015-10-05. Shortly after the end of World War II, Laurence Whistler set out to write a guide to the festivals of England as they are and as they might be. The result is a captivatingly readable and enchanting narrative. The ancient holidays revealed as a microcosm of the wheel of life in England: Christmas, New Year, Twelfth Night, Easter, May Day, Whitsun, Midsummer, Harvest and sixteen others. These are the most ancient of our traditions, more ancient than any present-day beliefs and strong enough to have survived even the attacks of Puritans in the seventeenth century. Here, for example, is the radiant Kissing Bough whose candles we lit before we had ever heard of a Christmas Tree. Here is the way to colour and engrave Easter Eggs. Here are fireworks in all their extravagant variety. Or here is the history of the Valentine and the Christmas Card. Laurence Whistler has written this scholarly book with the imaginative delight of a poet. This new edition features an introduction by art historian James Russell. His book has been written in delight and passes on delight to the reader. It has a lovely benevolence; the author's knowledge, his sense of values, his breadth of outlook are in evidence on every page. John O'London's Weekly: 'There is scholarship here about the past and delight in the festivals of today.' A book that will be delightful to pick up again at any time of the year. Sunday Times: 'Possessing enchantment of matter, it has also enchantment of manner. Time and Tide: 'Its younger readers will find themselves educated, perhaps unconsciously, by publisher as well as author. Observer: 'A charming book. Country Life: 'A most charming and decorative volume. Sunday Chronicle: 'Learning and common sense have gone to the making of this attractive, well-illustrated book. Birmingham News: 'A delightful gift book for all the year round, altogether charming. Edinburgh Evening News: 'A book very much out of the ordinary. Sphere: **May Day** Doc Rowe, 2006. This work looks at the origins of May Day, originally celebrated as a pagan festive holy day, and shows how some traditions such as selecting a queen and maypole dancing still survive today in this technological age. **Midsummer** Anna Franklin, 2002. Midsummer or the summer solstice occurs when the sun is at the height of its power; the faeries are most active and the future can be uncovered with ease. Shakespeare even captured the

mischievous of the occasion in his play *A Midsummer Night's Dream* This book explores Midsummer customs and bears witness to their power today Festivals & Traditions in Switzerland Barbara Piatti, 2020-10-06 Fire and fur bells and masks This book takes you on a very special journey through Switzerland to experience the traditional festivals and customs celebrated in all the seasons Some are happy and colorful others are wild and scary You'll hear the thunderous noise made by bell ringers and brass bands at Carnival You'll see Hom Strom and his pillar of fire burning in the night sky You'll meet a real Pschuurirolli half human half wild beast and the dreadful Tschggä with their terrifying masks On the journey you'll also encounter shepherds rifle queens and men dressed as trees At the bull market in Zug you'll place a bet on the fastest pig and in the Jura region you'll admire the horse riders as they race bareback over the track You'll even find out why the Griffin goes as far as baring his behind in Basel You'll be surprised And you'll laugh And you just might be a little frightened too Are you ready This unique collection is a fascinating treat for the whole family *The Maypole of Merry Mount* Nathaniel
