MAY I HATE GOD?

"I hope and pray that many people
will come across this little book and

May I Hate God

Joyce Meyer

May I Hate God:

May I Hate God? Pierre Wolff, 1979 For anyone who is seriously interested in developing a spiritual life this is an important book one that can open large areas of our soul to the loving touch of God The main question of this book touches the very center of our spiritual struggle I would not be surprised if hostility anger resentment and hatred proved to be the greatest stumbling blocks to our spiritual growth from back cover Hating God Bernard Schweizer, 2010-11-04 While atheists such as Richard Dawkins have now become public figures there is another and perhaps darker strain of religious rebellion that has remained out of sight people who hate God In this revealing book Bernard Schweizer looks at men and women who do not question God's existence but deny that He is merciful competent or good Sifting through a wide range of literary and historical works Schweizer finds that people hate God for a variety of reasons Some are motivated by social injustice human suffering or natural catastrophes that God does not prevent Some blame God for their personal tragedies Schweizer concludes that despite their blasphemous thoughts these people tend to be creative and moral individuals and include such literary lights as Friedrich Nietzsche Mark Twain Zora Neale Hurston Rebecca West Elie Wiesel and Philip Pullman Schweizer shows that literature is a fertile ground for God haters Many authors who dare not voice their negative attitude to God openly turn to fiction to give vent to it Indeed Schweizer provides many new and startling readings of literary masterpieces highlighting the undercurrent of hatred for God Moreover by probing the deeper mainsprings that cause sensible rational and moral beings to turn against God Schweizer offers answers to some of the most vexing questions that beset human relationships with the divine **How May We Hate You?** Anna Drezen, Todd Dakota Briscoe, 2016-05-17 Most people think hotel employees are effortlessly cheerful naturally helpful and genuinely like their work Most people are wrong Find out what really goes on in the world of hospitality with this hilarious book full of funny and absurd stories anecdotes told in dialogue factoids and hoax pop quizzes by two veteran concierges who paid their way while working at a combined 50 hotels in and around Times Square They are very pleased to help you learn The Truth About Bed Bugs The Mythology of Loyalty Programs The 411 on Hotel Residents And so much more Filled with photographs and infographics How May We Hate You is both romp and commentary on the hospitality industry and life behind the nametag *God, No!* Penn Jillette, 2012-06-05 The outspoken half of magic duo Penn Teller presents an atheist reinterpretation of the Ten Commandments discussing why doubt skepticism and wonder should be celebrated and offering humorous stories from his own experiences *God Is Not Mad at You* Joyce Meyer, 2013-09-03 When bestselling author Joyce Meyer posted God's not mad at you on Facebook she didn't anticipate that her words would trigger thousands of responses of gratitude and relief Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge In GOD IS NOT MAD AT YOU Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval She explores the source of this confusion so His genuine character can be better understood and His love can be

experienced on an entirely new level Chapter titles include Perfectionism and Approval The Pain of Rejection Guilt and Shame Developing Your Potential Run to God Not from Him Getting Comfortable with God It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us If you feel guilty right now and are afraid that God is mad at you then you are miserable But your misery can be immediately changed to peace and joy by simply believing God's Word Believe that God loves you and that He is ready to show you mercy and forgive you completely Believe that God has a good plan for your life Believe that God is not mad at you Joyce Meyer **A Rhythm of Prayer** Sarah

God Hate Women? Ophelia Benson, Jeremy Stangroom, 2009-07-21 This book explores the role that religion and culture play in the oppression of women Ophelia Benson and Jeremy Stangroom ask probing questions about the way that religion shields the oppression of women from criticism and why many Western liberals leftists and feminists have remained largely silent on the subject Does God Hate Women explores instances of the oppression of women in the name of religious and cultural norms and how these issues play out both in the community and in the political arena Drawing on philosophical concerns such as truth relativism knowledge and ethics Benson and Stangroom assess the current situation and provide a rallying call for a progressive politics that is committed to universal values This book will appeal to anyone interested in issues of global justice human rights and multiculturalism **Where the Hell is God?** Richard Leonard, 2010 Combines professional insights along with the author's own experience and insights to speculate on how believers can make sense of their Christian faith when confronted with tragedy and suffering *Why God Doesn't Hate You* Tia Michelle Pesando, 2014-04-07 Due to the supposedly losing war that Christianity has fought against the decline of its values for the last one hundred years Christians seem to have entered a sort of siege mode they are afraid that acceptance of liberal ideas about women homosexuals and the transgender community are a part of the increasing moral decadence of our society As a result they have defensively shut

their gates against such perceptions leaving many of us out in the cold Is this Gods will No Why God Doesnt Hate You is the result of transgender Roman Catholic consecrated maiden Tia Michelle Pesandos extensive theological research and it brings to light several startling truths No longer should we feel the need to choose between science and faith or between religion and our own understanding of what is right and wrong The knowledge contained herein both reassures and provides an excellent defense for those minorities previously persecuted by Christians as Tia Michelle knows from her own experience coming out after thirty years in the guise of a man Recently she walked into a Roman Catholic church just before mass dressed as a woman wearing the veil of the consecrated maiden and approached the priest with the statement I have assembled a rock solid argument in favour of homosexuality The positive response she received alone shows that there is hope

Real Faith: Answers to the Top 100 Questions about Christianity Mark Driscoll,2021-03-10 **God Has a Name** John Mark Comer,2024-10-15 What you believe about God sets the foundation of the person you will become In God Has a Name pastor and New York Times bestselling author John Mark Comer invites you to rethink many of the prevalent myths and misconceptions about God and weigh them against what God actually tells us about himself After all what you believe about God will ultimately shape the type of person you become We all live at the mercy of our ideas and nowhere is this more true than our ideas about God The problem is many of our ideas about God are wrong Not all wrong but wrong enough to form our souls in detrimental and disheartening ways God Has a Name is a simple yet profound guide to understanding God in a new light focusing on what God says about himself in the Bible This one shift has the potential to radically alter how you relate to God not as a doctrine but as a relational being who responds to you in an elastic back and forth way John Mark Comer takes you line by line through Exodus 34 6 8 Yahweh s self revelation on Mount Sinai one of the most quoted passages in the Bible Along the way Comer addresses some of the most profound questions he came across as he studied these noted lines in Exodus including Why do we feel this gap between us and God Could it be that a lot of what we think about God is wrong Not all wrong but wrong enough to mess up how we relate to him What if our God is really a projection of our own identity ideas and desires What if the real God is different but far better than we could ever imagine No matter where you are in your spiritual journey God Has a Name invites you to step into a fresh and biblically rooted vision of who God is that has the potential to alter your life with God and shape who you become *The Story of God* Chris Matheson,2015-09-01 Part Kurt Vonnegut part Douglas Adams but let s be honest Matheson had me at Based on the Bible Dana Gould comedian and writer The Bible offers some clues to God s personality he s alternately been called vindictive and just bloodthirsty and caring all powerful and impotent capricious and foresighted and loving and hateful But no one has ever fully explored why God might be such a figure of contrasts Nor has anyone ever satisfactorily explained what guides his relationship not just with angels the devil and his son but also with all of creation Might he be completely misunderstood a mystery even to himself Might his behavior and actions toward humankind tell us much more about him than it does about us

Enter the mind of the creator of the universe travel with him through the heavenly highs and hellish lows of his story from Genesis to Revelation to better understand his burdensome journey being God isn't easy After hearing his story at times troubling and tragic but always hilarious in its absurdity and divine in its comedy you'll never look at a miracle or catastrophe or at our place in the universe or God's the same way again
