

May the light of a thousand
stars shine upon you.

May the love of a thousand
Angels surround you.

May the trials of today
be far behind you.

May the deepest, sweetest sleep
always find you, and may
God always bless you.

May Thy Light Shine:

The Gospel According to Matthew, 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance

God in the Dark Sarah Van Diest, 2018-04-03 Life's painful trials can bring shame about our inadequate and broken faith There is relief in hearing the expressions of desperation in the psalmist's voice He didn't experience this life perfected and we don't either But the psalmist was loved So are we God was so kind to give us the Psalms To walk through darkened days is part of the human experience To walk through them with faith comfort strength joy and hope is part of the divine experience Our eyes though are often clouded to those blessings by the thing oppressing us When we remember and recognize our Father's faithfulness when we see reality with the eyes of understanding the darkness ebbs and the light of hope grows The impossible unbearable and unthinkable becomes the hidden passageway to truth hope and joy in Christ These letters were originally written as encouragement to a friend when the darkness began to overtake his path Each day for 22 days a letter arrived with one of the eight verse sections from Psalm 119 along with a small thought to bring light and hope and to be a reminder that we do not fight our battles alone The letters along with nine more devotions on the subject of experiencing God in the dark make up this powerful honest hope filled 31 day devotional

Holy Bible (NIV) Various Authors, 2008-09-02 The NIV is the world's best selling modern translation with over 150 million copies in print since its first full publication in 1978 This highly accurate and smooth reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation

The Holy Bible, 2006 A completely new typeset and designed edition of the popular Ignatius Revised Standard Version Bible with minor revisions to some of the archaic language used in the first edition This revised version is a contemporary English translation without dumbing down the text This second edition of the RSV doesn't put the biblical text through a filter to make it acceptable to current tastes and prejudices and it retains the beauty of the RSV language that has made it such a joy to read and reflect on the Word of God Now the only Catholic Bible in standard English is even more beautiful in word and design
