tribute to the Opies by exploring a wonderfully varied topography of children's play from different countries and different perspectives. Their research is vivid and challenging that is as it should be in the tradition of the Opies. This book was originally published as a special issue of the *International Journal of Play: Games, Rhymes, and Wordplay of London Children*. N. G. N. Kelsey, 2019-02-26. This book presents a unique annotated collection of some 2000 playground games, rhymes and wordplay of London children. It charts continuity and development in childlore at a time of major social and cultural change and offers a detailed snapshot of changes in the traditions and language of young people. Topics include starting a game, counting out, rhymes, games without songs, singing and chanting, games clapping, skipping and ball bouncing, games school rhymes and parodies, teasing and taunting, traditional belief and practice, traditional wordplay and a concluding miscellany. Recorded mainly in the 1980s by primary schoolteacher Nigel Kelsey, transcribed verbatim from the children's own words and accompanied by extensive commentaries and annotation, the book sets a wealth of new information in the wider historical and contemporary context of existing studies in Britain, Ireland and other parts of the English speaking world. This valuable new resource will open new avenues for research and be of particular interest to folklorists and linguists as well as to those working across the full spectrum of social, cultural and educational studies. **My Mother Said I Never Should** Charlotte Keatley, 2014-09-22. In its revelation of mother-daughter emotions over the years, the play is without rivals. It is a classic. *The Times*. This is a landmark play. The theatrical equivalent of breaking the four-minute mile like Caryl Churchill's *Top Girls*, pointing the way for the next generation of playwrights in form and content. *Guardian*. Charlotte Keatley's first main stage play *My Mother Said I Never Should* was premiered in 1987 at Contact Manchester and in 1989 at the Royal Court Theatre, London. It has been translated into twenty-two languages and is performed across the world. The play moves back and forth through the lives of four women and sets the enormous social changes of the twentieth century against the desire to love and to be loved. In 2000 it was chosen by the Royal National Theatre as one of the hundred Significant Plays of the Twentieth Century. Commentary and notes by Charlotte Keatley. *A Gravity's Rainbow Companion* Steven Weisenburger, 1988. Steven provides a page-by-page, often line-by-line guide to the welter of historical references, scientific data, cultural fragments, anthropological research, jokes and puns around which Pynchon wove his novel. This is a guidebook to one of the most important and intractable literary works of our time. [Enriching Early Mathematical Learning](#) Cook, Grace, Jones, Lesley, Murphy, Cathy, 1997-08-01. Accidents and the possibility of fraud in Max and Hadley's chemistry lab become the catalyst of their lives, throwing Hadley, Max and Shelby into physically and emotionally dangerous proximity, forcing them to make hard choices about morality, futures, friendship and marriage. **The Games We Played** Susan Kelleher, 2007.
