May I Speak Diary Of A Crossover Teacher:

May I Speak? Manie Culbertson, 1999-04-30 A crossover teacher is an educator who to meet a court ordered integration ratio is arbitrarily transferred to a school where the student body is of a different race Manie Culbertson was such a teacher and in this emotional diary she records her thoughts and feelings throughout her semester at Glenview School to which she was assigned

May I Speak? Manie Culbertson, 1972 A crossover teacher is an educator who to meet a court ordered integration ratio is arbitrarily transferred to a school where the student body is of a different race Manie Culbertson was such a teacher and in this emotional diary she records her thoughts and feelings throughout her semester at Glenview School to which she was assigned

Oh, Do I Remember! Anna Victoria Wilson, William E. Segall, 2001-07-19 Stories of school desegregation are ultimately about people teachers who work in the schools and the students who are there to learn This book focuses on the front line faculty and their recollection of the effort to desegregate faculty in Austin s schools during 1964 1971 in compliance with the Brown v Board of Education Topeka Kansas Supreme Court ruling This event had an enduring personal and professional impact on the Austin teachers that lives on in their memory and is now recounted in detail for the first time

Teacher Burnout in the Public Schools Anthony Gary Dworkin, 1987-01-01 This unique study is the first large scale sociological analysis of teacher burnout linking it with alienation commitment and turnover in the educational profession In the process of doing so Anthony Gary Dworkin uncovers some startling trends that challenge previous assumptions held by public school administrators Urban public school districts spend up to several million dollars annually on programs intended to rekindle enthusiasm among their teachers hoping thereby to reduce the turnover rates They also assume that enthusiastic teachers will heighten student achievement Yet data presented in Teacher Burnout in the Public Schools challenge these suppositions Dworkin s research shows teacher entrapment rather than teacher turnover as the greater problem in education today Teachers are now more likely to spend their entire working lifetime disliking their careers and sometimes their students rather than quitting their jobs and Dworkin proposes that principals more than any other school personnel can do much to break the functional linkage between school related stress and teacher burnout The author s findings also indicate that burned out teachers pose a minimal threat to the achievement of most children but that they do have an adverse impact on brighter students Teacher Burnout in the Public Schools includes an inventory of supported propositions and three levels of policy recommendations These important policy recommendations suggest substantial organizational changes in the nature of the training of public school teachers in the college educational curriculum in the teacher employment and deployment practices of school districts as well as in the administrative style of school principals

Perspectives on American English Joey L. Dillard, 2015-11-13 No detailed description available for Perspectives on American English

Assessment of Current Knowledge about the Effectiveness of School

Desegregation Strategies: A practical guide to desegregation ,1981 *Elementary English* ,1972 SCC library has

1949 cur *The Crossover* Kwame Alexander, 2014 New York Times bestseller Newbery Medal Winner Coretta Scott King Honor Award 2015 YALSA 2015 Top Ten Best Fiction for Young Adults 2015 YALSA Quick Picks for Reluctant Young Adult Readers Publishers Weekly Best Book School Library Journal Best Book Kirkus Best Book A beautifully measured novel of life and line The New York Times Book Review With a bolt of lightning on my kicks The court is SIZZLING My sweat is DRIZZLING Stop all that quivering Cuz tonight I m delivering announces dread locked 12 year old Josh Bell He and his twin brother Jordan are awesome on the court But Josh has more than basketball in his blood he s got mad beats too that tell his family s story in verse in this fast and furious middle grade novel of family and brotherhood from Kwame Alexander Josh and Jordan must come to grips with growing up on and off the court to realize breaking the rules comes at a terrible price as their story s heart stopping climax proves a game changer for the entire family **English Journal** ,2003 **Assessment of Current Knowledge about the Effectiveness of School Desegregation Strategies: School desegregation strategies, a comprehensive bibliography** ,1981 *Racism in the United States* Meyer Weinberg, 1990-05-21 This volume represents the most comprehensive book length bibliography on the subject of racism available in the United States Compiler Meyer Weinberg has surveyed a wide ranging group of material and classified it under 87 subject headings drawing on articles books congressional hearings and reports theses and dissertations research reports and investigative journalism Historical references cover the long history of racism while the heightened awareness and activity of the recent past is also addressed in detail In addition to works that fit the narrow definition of racism as a mode of oppression or group denial of rights based on color Weinberg includes references dealing with sexism antisemitism economic exploitation and similar forms of dehumanization References are grouped under a series of subject headings that include Civil Rights Desegregation Housing Socialism and Racism Unemployment and Violence against Minorities Items which do not have self explanatory titles are annotated and virtually every section is thoroughly cross referenced Also included is one section of carefully selected references on racism in countries other than the United States Unlike the remainder of the book this section is not comprehensive but rather provides an opportunity to view racism comparatively The volume concludes with an author index This work will be a significant addition to both academic and public libraries as well as an important resource for courses in racism sociology and black history **Language Arts** ,1981 **In Silence or Indifference** Wayne A. Wiegand, 2024-08-30 Librarians around the country are currently on a battleground defending their right to purchase and circulate books dealing with issues of race and systemic racism Despite this work the library community has often overlooked even ignored its own history of White supremacy and deliberate inaction on the part of White librarians and library leadership Author Wayne A Wiegand takes a crucial step to amend this historical record In Silence or Indifference Racism and Jim Crow Segregated Public School Libraries analyzes and critiques the world of professional librarianship between 1954 and 1974 Wiegand begins by identifying racism in the practice and customs of public school libraries in the years leading up to the Brown v

Board of Education decision This culture permeated the next two decades as subsequent Supreme Court decisions led to feeble and mostly unsuccessful attempts to integrate Jim Crow public schools and their libraries During this same period the profession was honing its national image as a defender of intellectual freedom a proponent of the freedom to read and an opponent of censorship Still the community did not take any unified action to support Brown or to visibly oppose racial segregation As Black school librarians and their Black patrons suffered through the humiliations and hostility of the Jim Crow educational establishment the American library community remained largely ambivalent and silent The book brings to light a distressing history that continues to impact the library community its students and its patrons Currently available school library literature skews the historical perspective that informs the present In Silence or Indifference is the first attempt to establish historical accountability for the systemic racism contemporary school librarianship inherited in the twenty first century

Teaching Empire Elisabeth M. Eittreim, 2019-09-27 At the turn of the twentieth century the US government viewed education as one sure way of civilizing others under its sway among them American Indians and after 1898 Filipinos Teaching Empire considers how teachers took up this task first at the Carlisle Indian Boarding School in Pennsylvania opened in 1879 and then in a school system set up amid an ongoing rebellion launched by Filipinos Drawing upon the records of fifty five teachers at Carlisle and thirty three sent to the Philippines including five who worked in both locations the book reveals the challenges of translating imperial policy into practice even for those most dedicated to the imperial mission These educators who worked on behalf of the US government sought to meet the expectations of bureaucrats and supervisors while contending with leadership crises on the ground In their stories Elisabeth Eittreim finds the problems common to all classrooms how to manage students and convey knowledge complicated by their unique circumstances particularly the military conflict in the Philippines Eittreim s research shows the dilemma presented by these schools imperial goal pouring in knowledge that purposefully dismissed and undermined the values desires and protests of those being taught To varying degrees these stories demonstrate both the complexity and fragility of implementing US imperial education and the importance of teachers own perspectives Entangled in US ambitions racist norms and gendered assumptions teachers nonetheless exhibited significant agency wielding their authority with students and the institutions they worked for and negotiating their roles as powerful purveyors of cultural knowledge often reinforcing but rarely challenging the then dominant understanding of civilization Examining these teachers attitudes and performances close up and in depth over the years of Carlisle s operation Eittreim s comparative study offers rare insight into the personal institutional and cultural implications of education deployed in the service of US expansion with consequences that reach well beyond the imperial classrooms of the time

Minority Students Meyer Weinberg, 1977 *Learning from the Student's Perspective* Alison Cook-Sather, Brandon Clarke, Daniel Condon, Kathleen Cushman, Helen Demetriou, Lois Easton, 2015-11-17 Much has been written about how to engage students in their learning but very little of it has issued from students themselves Compiled by

one of the leading scholars in the field of student voice this sourcebook draws on the perspectives of secondary students in the United States England Canada and Australia as well as on the work of teachers researchers and teacher educators who have collaborated with a wide variety of students Highlighting student voices it features five chapters focused on student perspectives articulated in their own words regarding specific approaches to creating and maintaining a positive classroom environment and designing engaging lessons and on more general issues of respect and responsibility in the classroom To support educators in developing strategies for accessing and responding to student voices in their own classrooms the book provides detailed guidelines created by educational researchers for gathering and acting upon student perspectives To illustrate how these approaches work in practice the book includes stories of how pre service and in service teachers school leaders and teacher educators have made student voices and participation central to their classroom and school practices And finally addressing both practical and theoretical questions the book includes a chapter that outlines action steps for high school teachers school leaders and teacher educators and a chapter that offers a conceptual framework for thinking about and engaging in this work Bringing together in a single text student perspectives descriptions of successful efforts to access them in secondary education contexts concrete advice for practitioners and a theoretical framework for further exploration this sourcebook can be used to guide practice and support re imagining education in secondary schools of all kinds and the principles can be adapted for other educational contexts

And So to Bed Patricia Pate Havlice,1987 This book updates and expands on the bibliographies published by William Matthews American Diaries 1959 British Diaries 1950 and Canadian Diaries and Autobiographies 1950 His cutoff date for American works was 1861 and for British ones 1942 Havlice annotates diaries by more than 2 500 people published in books and periodicals

Through a Woman's I Patricia K. Addis,1983

A Day at a Time Margo Culley,1985 Gathers diary selections describes the historical background of each writer and discusses the changing function and content of diaries
