## **Maya Ball Court Sacred Ritual Ultimate Game:**

Maya Ball Court Victoria Sauers,1999-08-01 Six Mayan nobles mysteriously transported to a college in present day Pennsylvania must learn the rules of the sacred ritual of football in order to get home again **The Mesoamerican Ballgame** Vernon L. Scarborough,David R. Wilcox,1993-01-01 The Precolumbian ballgame played on a masonry court has long intrigued scholars because of the magnificence of its archaeological remains From its lowland Maya origins it spread throughout the Aztec empire where the game was so popular that sixteen thousand rubber balls were imported annually into Tenochtitlan It endured for two thousand years spreading as far as to what is now southern Arizona This new collection of essays brings together research from field archaeology mythology and Maya hieroglyphic studies to illuminate this important yet puzzling aspect of Native American culture The authors demonstrate that the game was more than a spectator sport serving social political mythological and cosmological functions it celebrated both fertility and the afterlife war and peace and became an evolving institution functioning in part to resolve conflict within and between groups The contributors provide complete coverage of the archaeological sociopolitical iconographic and ideological aspects of the game and offer new information on the distribution of ballcourts new interpretations of mural art and newly perceived relations of the game with material in the Popol Vuh With its scholarly attention to a subject that will fascinate even general readers The Mesoamerican Ballgame is a major contribution to the study of the mental life and outlook of New World peoples Yumtzilob ,2000 Kwartaal uitgave over de Americas varies *Remember to Remember: the Mayan Mysteries* Carol E. Parrish-Harra Ph. D.,2011-10-28 Compilation and Insights Remember to Remember The Mayan Mysteries As told by a wisdom Teacher Awakening to Mythological thinking is difficult any time but to depart from institutional thinking and enter into the world of intuitive awareness is the opportunity of today This compilation and personal Insights to the Mayan Prophecies brings a new comprehension in Remember to Remember The Lost Mysteries as the known and unknown carry us toward a new height of understanding When one approaches the Maya Mysteries as parables and legends as well as calendars and mathematics a new doorway opens Beginning with the lost worlds of Lemuria and Atlantis we find ourselves caught up in the story of an empire that has left its impact An adventure a waits true but this glimpse of a future more creative and hopeful takes us to the wonders of a world unknown From a false belief of envisioning our native forefathers and mothers as primitive natives we gain an awesome recognition of the wonders of encoded hieroglyphs we move into respect and understanding through parables legends and oral teachings A major aspect of the authors perspective is to integrate the contribution of the Maya with other wisdom traditions Many of the lingering myths of questionable ideas are clearly included in the mythology of these people Terms avoided in the rational and intellectual community rest in the psyche of all America and as we stir these ideas come alive The goal of evolution is presented clearly in the unfolding of these long secreted concepts such as sky people hollow earth theory and others From spirit space to science religion we get an amazing understanding of what is in store for

humanity at the close of the Ninth Hell Has Humanity achieved its goal or has it missed the mark *The Mysterious Maya Civilization* Emily Mahoney, 2017-12-15 Though Mayan culture has existed for more than 3 500 years researchers and historians have only recently started unlocking some of the mysteries behind this Central American society Thoroughly researched text guides readers through the gripping history of the Maya including a detailed description of Maya culture The main text is supplemented with engaging sidebars full color photographs historical images and expert annotated analysis from leading scholars **Ritual, Play and Belief, in Evolution and Early Human Societies** Colin Renfrew, Iain

Morley, Michael Boyd, 2017-12-21 The origins of religion and ritual in humans have been the focus of centuries of thought in archaeology anthropology theology evolutionary psychology and more Play and ritual have many aspects in common and ritual is a key component of the early cult practices that underlie the religious systems of societies in all parts of the world This book examines the formative cults and the roots of religious practice from the earliest times until the development of early religion in the Near East in China in Peru in Mesoamerica and beyond Here leading prehistorians biologists and other specialists bring a fresh approach to the early practices that underlie the faiths and religions of the world They demonstrate the profound role of play ritual and belief systems and offer powerful new insights into the emergence of early societies
