

The book cover features a vibrant, folk-art style illustration. A young girl with blonde pigtails, wearing a blue dress with white polka dots and red boots, stands in a lush green field. She is reaching up towards a large, dark tree trunk. To her right is a black wrought-iron bench. The ground is covered with various flowers, including red ones with white centers and purple ones. There are also several yellow and orange leaves scattered around. The background is a dense green field with more flowers and leaves. The title is in a large, black, serif font, and the author and artist information is in a smaller, black, serif font, both within orange rectangular boxes.

Maya And The Town That Loved A Tree:

Maya and the Town that Loved a Tree Kiki, Kiki Suarez, Rizzoli, Kathryn Shaw, 1992 A town and its people overcome by pollution is visited by Maya a little girl who loves trees Longer story for 5 7 yrs **The War for the Heart and Soul of a Highland Maya Town** Robert S. Carlsen, 2011-04-01 This compelling ethnography explores the issue of cultural continuity and change as it has unfolded in the representative Guatemala Mayan town Santiago Atitlán Drawing on multiple sources Robert S Carlsen argues that local Mayan culture survived the Spanish Conquest remarkably intact and continued to play a defining role for much of the following five centuries He also shows how the twentieth century consolidation of the Guatemalan state steadily eroded the capacity of the local Mayas to adapt to change and ultimately caused some factions to reject even demonize their own history and culture At the same time he explains how after a decade of military occupation known as la violencia Santiago Atitlán stood up in unity to the Guatemalan Army in 1990 and forced it to leave town This new edition looks at how Santiago Atitlán has fared since the expulsion of the army Carlsen explains that initially there was hope that the renewed unity that had served the town so well would continue He argues that such hopes have been undermined by multiple sources often with bizarre outcomes Among the factors he examines are the impact of transnational crime particularly gangs with ties to Los Angeles the rise of vigilantism and its relation to renewed religious factionalism the related brutal murders of followers of the traditional Mayan religion and the apocalyptic fervor underlying these events
