## Maya Lin Public/private:

Maya Lin Maya Ying Lin, Ann Bremner, 1994 Produced in association with Maya Lin Private Public October 17 1993  
January 23 1994 Wexner Center for the Arts The Ohio State University Title page verso **Boundaries** Maya  
Lin, 2016-04-26 Renowned artist and architect Maya Lin's visual and verbal sketchbook a unique view into her artwork and  
philosophy Walking through this parklike area the memorial appears as a rift in the earth a long polished black stone wall  
emerging from and receding into the earth Approaching the memorial the ground slopes gently downward and the low walls  
emerging on either side growing out of the earth extend and converge at a point below and ahead Walking into the grassy  
site contained by the walls of this memorial we can barely make out the carved names upon the memorial's walls These  
names seemingly infinite in number convey the sense of overwhelming numbers while unifying these individuals into a whole  
So begins the competition entry submitted in 1981 by a Yale undergraduate for the design of the Vietnam Veterans Memorial  
in Washington D C subsequently called as moving and awesome and popular a piece of memorial architecture as exists  
anywhere in the world Its creator Maya Lin has been nothing less than world famous ever since From the explicitly political  
to the unashamedly literary to the completely abstract her simple and powerful sculpture the Rockefeller Foundation  
sculpture the Southern Poverty Law Center Civil Rights Memorial the Yale Women's Table Wave Field her architecture  
including The Museum for African Art and the Norton residence and her protean design talents have defined her as one of  
the most gifted creative geniuses of the age *Boundaries* is her first book an eloquent visual verbal sketchbook produced with  
the same inspiration and attention to detail as any of her other artworks Like her environmental sculptures it is a site but one  
which exists at a remove so that it may comment on the personal and artistic elements that make up those works In it  
sketches photographs workbook entries and original designs are held together by a deeply personal text *Boundaries* is a  
powerful literary and visual statement by a leading public artist Holland Carter It is itself a unique work of art Maya Lin
