Mayakovsky Bengt Jangfeldt, 2014-12-23 *A Life at Stake* is the first serious biography of the legendary Russian poet Vladimir Mayakovsky Physically imposing crude a sexual adventurer and ex convict Mayakovsky rose to fame between 1912 and 1917 as a Futurist agitator and the author of radical poems and plays He embraced the Russian Revolution and became one of its most passionate propagandists then at the age of thirty six took his own life disappointed in the course of Soviet society and ravaged by private conflicts Mayakovsky's poems are as exhilarating today as when he declaimed them for friends in smoky flats in Moscow Berlin Paris and New York In Bengt Jangfeldt's propulsive biography Mayakovsky's life too is compelling a story of constant passionate upheaval against the background of the First World War the Russian Revolution Stalin's terror and cycles of anti-Semitism Mayakovsky emerges from this biography a highly vulnerable figure more a dreamer than a revolutionary more a political romantic than a hardened Communist *The Mayakovsky Tapes* Robert Littell, 2016-11-22 In March 1953 four women meet in Room 408 of Moscow's deluxe Hotel Metropol They have gathered to reminisce about Vladimir Mayakovsky the poet who in death had become a national idol of Soviet Russia In life however he was a much more complicated figure The ladies each of whom could claim to have been a muse to the poet loved or loathed Mayakovsky in the course of his life and as they piece together their conflicting memories of him a portrait of the artist as a young idealist emerges From his early years as a leader of the Futurist movement to his work as a propagandist for the Revolution and on to the censorship battles that turned him against the state and more ominously the state against him their recollections reveal Mayakovsky as a passionate complex sexually obsessed creature trapped in the epicenter of history struggling to hold onto his ideals in the face of a revolution betrayed Written by Robert Littell whom The Washington Post called one of the most talented most original voices in American fiction today period *The Mayakovsky Tapes* is an ambitious impressive novel that brings to life the tumultuous Stalinist era and the predicament of the artists ensnared in it

Mayakovsky Bengt Jangfeldt, 2014-12-23 Few poets have led lives as tempestuous as that of Vladimir Mayakovsky Born in 1893 and dead by his own hand in 1930 Mayakovsky packed his thirty six years with drama politics passion and most important poetry An enthusiastic supporter of the Russian Revolution and the emerging Soviet State Mayakovsky was championed by Stalin after his death and enshrined as a quasi official Soviet poet a position that led to undeserved neglect among Western literary scholars even as his influence on other poets has remained powerful With Mayakovsky Bengt Jangfeldt offers the first comprehensive biography of Mayakovsky revealing a troubled man who was more dreamer than

revolutionary more political romantic than hardened Communist Jangfeldt sets Mayakovsky's life and works against the dramatic turbulence of his times from the aesthetic innovations of the pre-revolutionary avant garde to the rigidity of Socialist Realism and the destruction of World War I to the violence and hope of the Russian Revolution through the tightening grip of Stalinist terror and the growing disillusion with Russian communism that eventually led the poet to take his life. Through it all is threaded Mayakovsky's celebrated love affair with Lili Brik and the moving relationship with Lili's husband Osip along with a brilliant depiction of the larger circle of writers and artists around Mayakovsky including Maxim Gorky Viktor Shklovsky Alexander Rodchenko and Roman Jakobson. The result is a literary life viewed in the round enabling us to understand the personal and historical forces that drove Mayakovsky and generated his still startling poetry. Illustrated throughout with rare images of key characters and locations, Mayakovsky is a major step in the revitalization of a crucial figure of the twentieth-century avant garde.

Meditations in an Emergency Frank O'Hara, 2022-03-03 Frank O'Hara was one of the great poets of the twentieth century and along with such widely acclaimed writers as Denise Levertov Allen Ginsberg Robert Creeley and Gary Snyder a crucial contributor to what Donald Allen termed the New American Poetry which by its vitality alone became the dominant force in the American poetic tradition. Frank O'Hara was born in Baltimore in 1926 and grew up in New England. From 1951 he lived and worked in New York both for Art News and for the Museum of Modern Art where he was an associate curator. O'Hara's untimely death in 1966 at the age of forty was in the words of fellow poet John Ashbery the biggest secret loss to American poetry since John Wheelwright was killed. This collection is a reissue of a volume first published by Grove Press in 1957 and it demonstrates beautifully the flawless rhythm underlying O'Hara's conviction that to write poetry indeed to live you just go on your nerve.

Mayakovsky Edward James Brown, 2015-03-08 An absorbing portrait of an extraordinary man an analysis of the work of a great Russian poet and the evocation of a crucial period in Russian cultural history all are combined in Edward J. Brown's literary biography of Vladimir Mayakovsky. It is the only book to reveal the whole Mayakovsky not just aspects of his tortured personality or artistic work and will be immediately recognized as definitive. Mayakovsky contributed to the cultural life of Soviet Russia not only as a lyric poet but as a playwright graphic artist and satirist of the conventional art forms of his day. By examining his art in terms of his life Edward Brown shows how intensely personal it was and how bound up in the literary and political history of his time. The intellectual turmoil of the period is skillfully re-created especially the nature ambience and personalities of Russian futurism. Above all the book reveals the man a committed Bolshevik and a dedicated artist but also a hypochondriac compulsive gambler and eventual suicide. Moscow in the Plague Year Marina Tsvetaeva, 2014-08-12 Written during the Russian Revolution of 1917 and the Moscow famine that followed these poems are suffused with Tsvetaeva s irony and humor which undoubtedly accounted for her success in not only reaching the end of the plague year alive but making it the most productive of her career We meet a drummer boy idolizing Napoleon an irrepressibly mischievous grandmother who refuses to apologize to God on Judgment Day and an androgynous and luminous Joan of Arc Represented on a graph Tsvetaeva s work would exhibit a curve or rather a straight line rising at almost a right angle because of her constant effort to raise the pitch a note higher an idea higher She always carried everything she has to say to its conceivable and expressible end In both her poetry and her prose nothing remains hanging or leaves a feeling of ambivalence Tsvetaeva is the unique case in which the paramount spiritual experience of an epoch for us the sense of ambivalence of contradictoriness in the nature of human existence served not as the object of expression but as its means by which it was transformed into the material of art Joseph Brodsky While your eyes follow me into the grave write up the whole caboodle on my cross Her days began with songs ended in tears but when she died she split
