an innovative approach that combines years of ethnographic research with British imperial archival sources this book reveals how cultural heritage has been negotiated by colonial independent state and community actors in Belize from the late nineteenth century to the present Alicia McGill explores the heritage of two African descendant Kriol communities as seen in the contexts of archaeology and formal education McGill demonstrates that in both spheres Belizean institutions have constructed and used heritage places and ideologies to manage difference govern subjects and citizens and reinforce development agendas In the communities studied here ancient Maya cities and legacies have been prized while Kriol histories have been marginalized and racial and ethnic inequalities have endured Yet McGill shows that at the same time Belizean teachers and children resist maintaining their Kriol identity through storytelling subsistence practices and other engagements with ecological resources They also creatively identify connections between themselves and the ancient cultures that once lived in their regions Exploring heritage as a social construct McGill provides examples of the many ways people construct values meanings and customs related to it *Negotiating Heritage through Education and Archaeology* is a richly informed study that emphasizes the importance of community based engagement in public history and heritage studies A volume in the series *Cultural Heritage Studies* edited by Paul A Shackel *Unite and Conquer* Warren Murphy, Richard Sapir, 2023-11-16 Not that things were so hot before but when a huge earthquake guts Mexico nobody wants to hang around especially with all sorts of demonic doings by the barbaric gods of old Mexico released from hell when the earth ruptured Not satisfied with great takeout the ancient Aztecs are hungry for the lifeblood of the entire continent It s up to Remo and Chiun to go south of the border and root out the unhuman mind who is uniting downtrodden Indian tribes into a ferocious guerrilla army and leading them into a new dark age of bloodlust and superstition Is an army of deathless demons too powerful for even the implacable avatar of Shiva the Destroyer It s god versus god with the human race helpless trophies for the victor Breathlessly action packed and boasting a winning combination of thrills humour and mysticism the Destroyer is one of the bestselling series of all time **The Anthropology of Latin America and the Caribbean** Harry Sanabria, 2019-03-26 This wide ranging introduction to the anthropology of Latin America and the Caribbean offers broad coverage of culture and society in the region taking into account historical developments as well as the roles of power and inequality The chapters address key topics such as colonialism globalization violence religion race and ethnicity gender and sexuality health and food and emphasize the impact of Latin American and Caribbean peoples and cultures in the United States The text has been thoroughly updated for the second edition including fresh case studies and new chapters on independence neoliberalism and immigration and popular culture and the digital revolution Students are provided with a solid overview of the major contemporary trends issues and debates in the field Each chapter ends with a summary up to date recommendations for viewing films videos and websites and a comprehensive bibliography for further reading and research **Perspectives on the Ancient Maya of Chetumal Bay** Debra S. Walker, 2016-10-04 Brings novel synthetic insight to understanding a region

that was a hub of waterborne trade and an important locus of production for some of the Maya's most valued crops Cynthia Robin author of *Everyday Life Matters Maya Farmers at Chan* This one of a kind volume shows us how important this region was to the ancient Maya with detailed and vivid descriptions of sociopolitical and economic organization and their relation to the unique landscape and geography of Chetumal Bay Laura J Kosakowsky author of *Preclassic Maya Pottery at Cuello Belize* Chetumal Bay is central to discussions of ancient Maya politics warfare economy exchange and communication because of its unique location Although the ancient Maya invested prodigious amounts of labor in the construction of road systems called *sacbeob* for communication and trade recent archaeological discoveries around Chetumal Bay in both Belize and Mexico reveal an economic alternative to these roads an extensive network of riverine and maritime waterways Focusing on sites ringing the bay such as Cerro Maya Oxtankah and Santa Rita Corozal the contributors to this volume explore how the bay and its feeder rivers affected all aspects of Maya culture from settlement food production and the production and use of special goods to political relationships and social organization Besides being a nexus for long distance exchange in valuable materials such as jade and obsidian the region was recognized for its high quality agricultural produce including cacao achiotte vanilla local fruits honey and salt and for its rich marine environment The Maya living on the fringes of the bay perceived the entire region as a single resource procurement zone Waterborne trade brought the world to them providing a wider horizon than would have been available to inland cities dependent only on Maya roads for news of the world The research reveals that trade relations played a central role in the organization of human social life on Chetumal Bay

Ancient Maya Arthur Demarest, 2004-12-09 In this new archaeological study Arthur Demarest brings the lost pre Columbian civilization of the Maya to life In applying a holistic perspective to the most recent evidence from archaeology paleoecology and epigraphy this theoretical interpretation emphasises both the brilliant rain forest adaptations of the ancient Maya and the Native American spirituality that permeated all aspects of their daily life Demarest draws on his own discoveries and the findings of colleagues to reconstruct the complex lifeways and volatile political history of the Classic Maya states of the first to eighth centuries He provides a new explanation of the long standing mystery of the ninth century abandonment of most of the great rain forest cities Finally he draws lessons from the history of the Classic Maya cities for contemporary society and for the ongoing struggles and resurgence of the modern Maya peoples who are now re emerging from six centuries of oppression
