**The Art of Overcoming** Tim Timberlake, 2023-05-16 Life is full of everyday setbacks In The Art of Overcoming you will learn how to process these moments and triumphantly move beyond them The Art of Overcoming explores how we deal with loss grief and hurt and challenges readers to keep what looks like endings from discouraging or derailing us The pain we experience is real but there's a difference between acknowledging it and giving into it Rather than seeking a fake hope that pretends loss doesn't exist or doesn't matter author and pastor Tim Timberlake encourages us to pursue hope rooted in God and gives this reminder don't quit The process of overcoming is not about understanding everything or living without pain but about finding healthy ways to process the scary strange and sometimes devastating circumstances we face The Art of Overcoming is divided into four parts using the imagery of a traditional funeral ceremony as a framework to process the death experiences we face regularly in this crazy journey called life A Matter of Life and Death explores five foundational perspectives about grief and loss The Processional encourages us to face head on the reality of our experiences The Eulogy helps us memorialize and honor what has been lost and how to process grief in a healthy way The Recessional is about closure as we discover life after death and move forward No matter what you've gone through or are in the middle of right now better days are ahead Let God heal your heart in His timing take time to grieve what needs to be grieved and then celebrate the new life God lays out before you
