Our Year of Maybe Rachel Lynn Solomon, 2019-01-15 Emotionally resonant and deeply characterized School Library Journal starred review From the author of You'll Miss Me When I'm Gone comes a stunning contemporary novel perfect for fans of Five Feet Apart that examines the complicated aftermath of unrequited love between best friends Aspiring choreographer Sophie

Orenstein would do anything for Peter Rosenthal Porter who's been on the kidney transplant list as long as she's known him. Peter, a gifted pianist, is everything to Sophie: best friend, musical collaborator, secret crush. When she learns she's a match, donating a kidney is an easy, obvious choice. She can't help wondering if after the transplant he'll love her back the way she's always wanted. But Peter's life post-transplant isn't what either of them expected. Though he once had feelings for Sophie too, he's now drawn to Chase, the guitarist in a band that happens to be looking for a keyboardist. And while neglected parts of Sophie's world are calling to her—dance opportunities, new friends, a sister and niece she barely knows—she longs for a now-distant Peter more than ever. Growing increasingly bitter, he doesn't seem to feel the same connection. Peter fears he'll forever be indebted to her. Sophie isn't sure who she is without him. Then one heartbreaking night twists their relationship into something neither of them recognizes, leading them to question their past, their future, and whether their friendship is even worth fighting for.

Maybe Next Year Norman Mailer, 1942 *Maybe Someday* Colleen Hoover, 2014-03-18

When she discovers that her boyfriend is cheating on her, Sydney, a 22-year-old college student, must decide what to do next, especially when she becomes captivated by her mysterious neighbor Ridge. *Maybe in Another Life* Taylor Jenkins Reid, 2015-07-07

From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo*, a People Magazine Pick, US Weekly Must Pick, Named Best Book of the Summer by Glamour, Good Housekeeping, USA TODAY, Cosmopolitan, PopSugar, Working Mother, Bustle, Goodreads. A breathtaking new novel about a young woman whose fate hinges on the choice she makes after bumping into an old flame. In alternating chapters, we see two possible scenarios unfold with stunningly different results. At the age of twenty-nine, Hannah Martin still has no idea what she wants to do with her life. She has lived in six different cities and held countless meaningless jobs since graduating college. On the heels of leaving yet another city, Hannah moves back to her hometown of Los Angeles and takes up residence in her best friend Gabby's guestroom. Shortly after getting back to town, Hannah goes out to a bar one night with Gabby and meets up with her high school boyfriend Ethan. Just after midnight, Gabby asks Hannah if she's ready to go. A moment later, Ethan offers to give her a ride later if she wants to stay. Hannah hesitates. What happens if she leaves with Gabby? What happens if she leaves with Ethan? In concurrent storylines, Hannah lives out the effects of each decision. Quickly, these parallel universes develop into radically different stories with large-scale consequences for Hannah as well as the people around her. As the two alternate realities run their course, *Maybe in Another Life* raises questions about fate and true love. Is anything meant to be? How much in our life is determined by chance? And perhaps most compellingly, is there such a thing as a soul mate? Hannah believes there is. And in both worlds, she believes she's found him.

Advertisements for Myself Norman Mailer, 2013-10-15

Advertisements for Myself, a diverse and freewheeling tour through Mailer's early career, covers the many subjects with which he'd grapple for the rest of his life: sex, race, politics, literature, and the systems of power that shape American life. There are lists, interviews, poems, confessions, postscripts, two Tables of Contents (one chronological, one thematic), undergraduate short stories, fragments from a one-act play, and, of course,

Mailer's classic groundbreaking essays including *The White Negro* *Superficial Reflections on the Hipster* perhaps Mailer's most prescient early polemic and *Mind of an Outlaw* which lends its name to Mailer's latest and first posthumous collection *A* playful unclassifiable snapshot of American culture at the end of the fifties *Advertisements for Myself* is also a cornerstone of Mailer's long and prolific career In this volume declared *The New York Times* in 1959 Mr Mailer at 36 shows once again that he is the most versatile if not the most significant talent of his generation
