Moore, 2015-08-01 Christianity Today Beautiful Orthodoxy Book of the Year in 2016 Keep Christianity Strange As the culture changes all around us it is no longer possible to pretend that we are a Moral Majority That may be bad news for America but it can be good news for the church What's needed now in shifting times is neither a doubling down on the status quo nor a pullback into isolation Instead we need a church that speaks to social and political issues with a bigger vision in

mind that of the gospel of Jesus Christ As Christianity seems increasingly strange and even subversive to our culture we have the opportunity to reclaim the freakishness of the gospel which is what gives it its power in the first place We seek the kingdom of God before everything else We connect that kingdom agenda to the culture around us both by speaking it to the world and by showing it in our churches As we do so we remember our mission to oppose demons not to demonize opponents As we advocate for human dignity for religious liberty for family stability let s do so as those with a prophetic word that turns everything upside down The signs of the times tell us we are in for days our parents and grandparents never knew But that s no call for panic or surrender or outrage Jesus is alive Let s act like it Let s follow him onward to the future **El Sali**

Georgette Mayberry,2017-06-25 El Sali means the God of my strength El means might strength and power Sali means cliff We must draw near to God with confidence God is always with us and he is our helper He wants us to fear not nor be afraid He will not fail thee nor forsake thee When we are falling apart trust God and rely on him to bring you through The joy of the Lord is our strength The Lord is the light and my salvation whom shall I fear The Lord is the strength of my life of whom shall I be afraid God s strength is eternal and man s strength is temporal God s grace is sufficient and His power is perfected in weakness Once we humble ourselves admit our weakness and rely on God s grace to sustain us this power resides in us We cannot trust or depend on ourselves or nobody else to give us the strength we need Jesus Christ is the example and our model to follow He will never fail you *Come Before Winter and Share My Hope* Charles R.
