David Lindsay

Mayflower Man:

The Boy Who Fell Off the Mayflower, or John Howland's Good Fortune P.J. Lynch, 2015-09-22 In the first book he has both written and illustrated master artist P J Lynch brings a Mayflower voyager's story to vivid life At a young age John Howland learned what it meant to take advantage of an opportunity Leaving the docks of London on the Mayflower as an indentured servant to Pilgrim John Carver John Howland little knew that he was embarking on the adventure of a lifetime By his great good fortune John survived falling overboard on the crossing of the Atlantic Ocean and he earned his keep ashore by helping to scout a safe harbor and landing site for his bedraggled and ill shipmates Would his luck continue to hold amid the dangers and adversity of the Pilgrims lives in New England John Howland's tale is masterfully told in his own voice bringing an immediacy and young perspective to the oft told Pilgrims story P J Lynch captures this pivotal moment in American history in precise and exquisite detail from the light on the froth of a breaking wave to the questioning voice of a teen in a new world

The Mayflower and Her Passengers Caleb H. Johnson, 2005-12-27 When the Mayflower embarked on her famous voyage to America in 1620 she was carrying 102 passengers To most they are simply known as the Pilgrims Perhaps the name of Governor William Bradford Elder William Brewster or Captain Myles Standish are vaguely familiar but the vast majority of the Mayflower passengers have remained anonymous and nameless In *The Mayflower and Her Passengers* I have attempted to resurrect the unique individuality of each passenger by providing short biographies for each person or family group Also included is a groundbreaking new biography of the Mayflower ship itself

Mayflower Nathaniel Philbrick, 2006-05-09 Vivid and remarkably fresh Philbrick has recast the Pilgrims for the ages The New York Times Book Review Finalist for the Pulitzer Prize in History New York Times Book Review Top Ten books of the Year With a new preface marking the 400th anniversary of the landing of the Mayflower How did America begin That simple question launches the acclaimed author of *In the Hurricane's Eye* and *Valiant Ambition* on an extraordinary journey to understand the truth behind our most sacred national myth the voyage of the Mayflower and the settlement of Plymouth Colony As Philbrick reveals in this electrifying history of the Pilgrims the story of Plymouth Colony was a fifty five year epic that began in peril and ended in war New England erupted into a bloody conflict that nearly wiped out the English colonists and natives alike These events shaped the existing communities and the country that would grow from them

Mayflower Bastard David Lindsay, 2007-04-01 David Lindsay researching old records to learn details of the life of his ancestor Richard More soon found himself in the position of the Sorcerer's Apprentice wherever he looked for one item ten more appeared What he found illuminated not only More's own life but painted a clear and satisfying picture of the way the First Comers Saints and Strangers alike set off for the new land suffered the voyage on the Mayflower and put down their roots to thrive on our continent's northeastern shore From the story Richard emerges as a man of questionable morals much enterprise and a good deal of old fashioned pluck a combination that could get him into trouble and often did He lived to father several children to

see near the end of his life a friend executed as a witch in Salem and to be read out of the church for unseemly behavior
Mayflower Bastard lets readers see history in a new light by turning an important episode into a personal experience

Mayflower Families Through Five Generations General Society of Mayflower Descendants,1975 The tracing of the descendants of the Mayflower passengers *Mayflower Lives* Martyn Whittock,2019-08-06 Leading into the 400th anniversary of the voyage of the Mayflower Martyn Whittock examines the lives of the saints members of the Separatist puritan congregations and strangers economic migrants on the original ship who collectively became known to history as the Pilgrims The story of the Pilgrims has taken on a life of its own as one of our founding national myths their escape from religious persecution the dangerous transatlantic journey that brutal first winter Throughout the narrative we meet characters already familiar to us through Thanksgiving folklore Captain Jones Myles Standish and Tisquantum Squanto as well as new ones There is Mary Chilton the first woman to set foot on shore and asylum seeker William Bradford We meet fur trapper John Howland and little Mary More who was brought as an indentured servant Then there is Stephen Hopkins who had already survived one shipwreck and was the only Mayflower passenger with any prior American experience Decidedly un-puritanical he kept a tavern and was frequently chastised for allowing drinking on Sundays Epic and intimate Mayflower Lives is a rich and rewarding book that promises to enthrall readers of early American history *Dead Man's Hand* James J. Butcher,2023-09-05 In the tradition of his renowned father James J Butcher's debut novel is a brilliant urban fantasy about a young man who must throw out the magical rule book to solve the murder of his former mentor On the streets of Boston the world is divided into the ordinary Usuals and the paranormal Unorthodox And in the Department of Unorthodox Affairs the Auditors are the magical elite government sanctioned witches with spells at their command and all the power and prestige that comes with it Grimshaw Griswald Grimsby is not one of those witches After flunking out of the Auditor training program and being dismissed as not Department material Grimsby tried to resign himself to life as a mediocre witch But he can't help hoping he'll somehow somehow get another chance to prove his skill That opportunity comes with a price when his former mentor aka the most dangerous witch alive is murdered down the street from where he works and Grimsby is the Auditors number one suspect Proving his innocence will require more than a little legwork and after forming a strange alliance with the retired legend known as the Huntsman and a mysterious being from Elsewhere Grimsby is abruptly thrown into a life of adventure whether he wants it or not Now all he has to do is find the real killer avoid the Auditors on his trail and most importantly stay alive **Of Plymouth Plantation, 1620-1647** William Bradford,1952 Records the history of Plymouth Plantation as written by Bradford in his journals of 1620-1647 **The Canadian National Record for Swine** ,1913
