Siegel,2020-08-18 Join the Pilgrims on their perilous journey across the ocean as they start a new life in North America This stunning book marks the 400th anniversary of the Mayflower s voyage with edge to edge illustrated scenes interspersed with detailed maps inventories and cutaways along with engaging narrative text to make this a history book to treasure and pour over time and again Learn about the perilous journey the crew and passengers the cargo on board and what happened when they finally dropped anchor in Cape Cod Meet the Wampanoag people and learn about how the Pilgrims arrival changed their way of life Atmospheric artwork and detailed scenes will spark your imagination as you discover the amazing true story behind the birth of a nation Find out as if you were there Who were the Pilgrims Why did they want to leave England Why was the journey so perilous What was the Mayflower Compact Who are the Wampanoag How did the Pilgrims interact with the Wampanoag What happened at the first Thanksgiving What became of the Mayflower This fact packed children s book includes a comprehensive timeline of events an author s note plus a glossary and ideas for further learning **Prominent**

**Families of New York** Lyman Horace Weeks,1898 **Your DNA Guide - the Book** Diahna Southard,2020-02-26 You don t have to learn everything about genetic genealogy before asking specific questions of your DNA That s the premise of Diahna Southard s brand new book Your DNA Guide the Book now available for pre order at a special sale price Your DNA Guide the Book is like no other genetic genealogy book on the market Instead of learning more than you need to know in textbook style you ll choose a specific DNA question to start exploring right away You ll follow concrete step by step plans learning important DNA concepts in plain English as you go Do you want to learn who your 2X great grandmother is Turn to page 23 Do you want to know how you are related to one of your DNA matches Page 37 As you proceed you check your progress and get new guidance based on your specific results at each stage Including troubleshooting like when your matches just aren t responding or your great grandparents turn out to be first cousins This powerful hands on approach is based on Diahna s 20 years of experience in the genetic genealogy industry and especially in the past five years as she helps clients one on one make DNA discoveries It became clear to her that while each client s situation may be unique there are patterns in how you can find solutions that you can apply yourself Your DNA Guide the Book is for anyone who has taken a DNA test or may want to It helps genealogists reconstruct family trees It helps adoptees identify biological relatives It can help you identify a specific DNA match In short it helps anyone explore what their DNA and their DNA matches can tell them about their origins

**Mayflower Bastard** David Lindsay,2007-04-01 David Lindsay researching old records to learn details of the life of his ancestor Richard More soon found himself in the position of the Sorcerer s Apprentice wherever he looked for one item ten more appeared What he found illuminated not only More s own life but painted a clear and satisfying picture of the way the First Comers Saints and Strangers alike set off for the new land suffered the voyage on the Mayflower and put down their roots to thrive on our continent s northeastern shore From the story Richard emerges as a man of questionable morals much enterprise and a good deal of old fashioned pluck a combination that could get him into trouble and often did He lived to

father several children to see near the end of his life a friend executed as a witch in Salem and to be read out of the church for unseemly behavior Mayflower Bastard lets readers see history in a new light by turning an important episode into a personal experience

**Albion's Seed** David Hackett Fischer,1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States from the earliest English settlements to our own time It is a history of American folkways as they have changed through time and it argues a thesis about the importance for the United States of having been British in its cultural origins While most people in the United States today have no British ancestors they have assimilated regional cultures which were created by British colonists even while preserving ethnic identities at the same time In this sense nearly all Americans are Albion s Seed no matter what their ethnicity may be The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988 and still help to shape attitudes toward education government gender and violence on which differences between American regions are greater than between European nations

**The Mayflower Descendant** ,2003 Genealogy of the Descendants of John Eliot, "apostle to the Indians," 1598-1905 Wilimena Hannah Eliot Emerson,Ellsworth Eliot,George Edwin Eliot,1905

**You Wouldn't Want to Sail on the Mayflower!** Peter Cook,David Salariya,2005 Uses humor in both text and illustrations to describe the hardships of sailing to the New World from England in 1620
