Thomas Hardy Noorul Hasan, 1982-06-18

The Mayor of Casterbridge Thomas Hardy, 1997-03-20 This 1886 novel may be Hardy's most intense and gripping narrative. We first see the central character Michael Henchard as a drunken and unemployed hay-trusser who sells his wife Susan and his daughter Elizabeth Jane at a fair. When he is eventually reunited with the two, he has become the contented and prosperous mayor of a thriving market town. But the downward spiral begins. Henchard's fall is hastened by a series of coincidences and quarrels, and by his own jealousy and pride. Though the perspective on events that Hardy gives us is often that of other characters, Elizabeth Jane, in particular, Henchard remains the central focus. In the end, he is a tragic figure: bankrupt, emotionally broken, and an outcast from society. Prepared by one of the world's leading Hardy scholars, this edition includes a critical introduction and a range of background materials from the period. Historical documents concerning such topics as the corn laws and the practice of wife-selling, and contemporary reviews, help set this remarkable novel in the context out of which it emerged

The sudden return after fifteen years' absence of the ambitious merchant James Wilson, son of a mole-catcher, leads to commercial competition against which Gourlay has trouble responding
