Mayor Of Prairieville:

The Mayor of Prairieville Arlene E. Williamson,1987-01-01 **Proxmire and the Exodus of Prairieville** Carol Muller-Funk,2009-04-28 Proxmire and the Exodus of Prairieville is a story told through the eyes of prairie dogs Taking on human characteristics these remarkable creatures are forced from their home on the Kansas prairie Under the leadership of one called by the Great Creator Proxmire is told to prepare to lead his doomed village to a Promised Land of peace and safety Feeling inability in his leadership qualities he is sent an atypical sidekick a rabbit known as Potrella As the group crosses into the Sandhills of Nebraska there are moments of concern not unlike the Jewish people experienced upon entering their desert under the leadership of Moses Emotions of mystery terror heartbreak anxiety and physical pain are balanced with those of joy happiness trust and a growing respect for each other Having taught at the fifth grade level for many years I always felt an awareness of the need for literature which would stimulate the young reader into thinking about the importance of placing faith in a Higher Being as well as raising thought to one s responsibility to live a life of morality and serving others Prairie dogs seemed to be the perfect animals to form my story around since they are in actuality high on the list of helpless creatures facing extinction Therefore my purpose is twofold bringing to surface their present day plight as well as fulfilling my other intentions It is my sincere hope that young and old alike will find a blessing in the reading of this story that it may fill hearts with hope and souls with contentment both of which I have personally found in serving the One they call The Great Creator Partisans and Partners Josh Pacewicz,2016-11-18 There s no question that Americans are bitterly divided by politics But in *Partisans and Partners* Josh Pacewicz finds that our traditional understanding of red blue right left urban rural division is too simplistic Wheels down in Iowa that most important of primary states Pacewicz looks to two cities one traditionally Democratic the other traditionally Republican and finds that younger voters are rejecting older timers strict political affiliations A paradox is emerging as the dividing lines between America s political parties have sharpened Americans are at the same time growing distrustful of traditional party politics in favor of becoming apolitical or embracing outside the beltway candidates Pacewicz sees this change coming not from politicians and voters but from the fundamental reorganization of the community institutions in which political parties have traditionally been rooted Weaving together major themes in American political history including globalization the decline of organized labor loss of locally owned industries uneven economic development and the emergence of grassroots populist movements *Partisans and Partners* is a timely and comprehensive analysis of American politics as it happens on the ground **Report** Louisiana.
