The Persian Boy Mary Renault, 2013-09-10. A New York Times bestselling novel of the ancient king of Macedon and his lover by the author Hilary Mantel, calls a shining light. The Persian Boy centers on the most tempestuous years of Alexander the Great's life as seen through the eyes of his lover and most faithful attendant Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then when Alexander conquers the land, he is given Bagoas as a gift and the boy is besotted. This passion comes at a time when much is at stake. Alexander has two wives, conflicts are ablaze, and plots on the Macedon king's life abound. The result is a riveting account of a great conqueror's years of triumph and ultimately heartbreak. The Persian Boy is the second volume of the Novels of Alexander the Great trilogy, which also includes *Fire from Heaven* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault, including rare images of the author. Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present or that the people of ancient Greece were just like us. She shows us their strangeness, discerning sure-footed, challenging our values, piquing our curiosity. She leads us through an alien landscape that moves and delights us. Hilary Mantel.

Good Boy Jennifer Finney Boylan, 2021-06-01. From bestselling author of *She's Not There*, New York Times opinion columnist and human rights activist Jennifer Finney Boylan, *Good Boy: My Life in Seven Dogs* is a memoir of the transformative power of loving dogs. This is a book about dogs, the love we have for them, and the way that love helps us understand the people we have been. It's in the love of dogs and my love for them that I can best now take the measure of the child I once was and the bottomless unfathomable desires that once haunted me. There are times when it is hard for me to fully remember that love, which was once so fragile and so fierce. Sometimes it seems to fade before me like breath on a mirror. But I remember the dogs. In her New York Times opinion column, Jennifer Finney Boylan wrote about her relationship with her beloved dog Indigo, and her wise, funny, heartbreaking piece went viral. In *Good Boy*, Boylan explores what should be the simplest topic in the world but never is: finding and giving love. *Good Boy* is a universal account of a remarkable story showing how a young boy became a middle-aged woman, accompanied at seven crucial moments of growth and transformation by seven memorable dogs. Everything I know about love, she writes, I learned from dogs. Their love enables us to pull off what seem like impossible feats: to find our way home when we are lost; to live our lives with humor and courage; and above all, to best become our true selves.
