shared revealing in the process that she has never even for a moment relinquished control of her own destiny Given her unusual story her only in Hollywood childhood her friendships with Ursula Andress and Linda Evans both of John s ex wives her time spent living in a trailer home her rumored relationship with Ted Turner and her exhaustive work for the Republican Party it often seems as if Bo has lived nine lives rather than just one Whether spurning Life magazine or passing on the opportunity to work with legendary filmmaker Dino De Laurentiis Bo has gone with her gut regardless of the consequences And that s only fitting for the woman who has chosen to live life with no safety nets and no regrets But as Bo makes clear in Riding Lessons it is her passion for John and her love of all things equine that have been the constants in her life Sharing her hard won lessons on life and love she draws on her intuitive understanding of horses to offer surprising insights into the dynamics of intimate relationships In this compelling memoir Bo Derek writes openly of her growing self awareness and of the coping strategies she has learned whether faced with sudden stardom the crazy and competitive world of moviemaking or the death of her beloved husband With Riding Lessons she transcends her legendary physical beauty to reveal an inner wisdom certain to enlighten and enthrall readers of all ages
