Mazillis Shoes:

Mazilli's Shoes Darlene Madott,1999 Mazilli never lets go Mazilli is a man who will not compromise or dilute the ultimate goal with the odd trip back to Italy Just as The Odyssey all journeys are not about the destination but about the twists and turns that drive you continuously off course If anything makes Mazilli s story a little different it is this Of the two worst things in life never getting what you want getting what you want Mazilli discovers the latter **Lives of the Saints. 10 No** ,1854 *Joy, Joy, why Do I Sing?* Darlene Madott,2004 In this brilliant collection of short stories Darlene Madott explores the individual quests of characters to sing themselves out of the void to seek a motivation beyond the confines of their personal joys and sufferings In the title story the uniqueness is in the exploration of the notion that in the gift of singing we pray twice we celebrate the song and we celebrate the creator Madott s stories examine the relationships between people within the understanding that one note in isolation means nothing it communicates nothing It is the interval the relationship between two notes and how an individual moves from one to the other that creates meaning Sometimes there is consonance but more often it is dissonance that swirls between two people The author describes this dissonance in one marriage as the interval of a seventh apart All of the stories possess a certain tugging at the heart and at the core of each story it is love alone that transposes the music **The Science of Language** Muller,F.
