**Analysis and Valuation** Sue Joy Wright, Michael Bradbury, Philip Lee, Krishna G. Palepu, Paul M. Healy, 2014 Business Analysis and Valuation has been developed specifically for students undertaking accounting Valuation subjects With a significant number of case studies exploring various issues in this field including a running chapter example it offers a practical and in depth approach This second edition of the Palepu text has been revitalised with all new Australian content in parts 1 3 making this edition predominantly local while still retaining a selection of the much admired and rigorous Harvard case studies in part 4 Retaining the same author team this new edition presents the field of valuation accounting in the Australian context in a clear logical and thorough manner Ten-day MBA, The, Rev. Steven Silbiger, 1999-10-20 This

accessible step by step guide to mastering the skills taught in America's top business schools has been a backlist perennial since publication. It dispenses MBA skills at one percent of the cost in all the major topics taught at America's top ten business schools. MBA applicants and students use it to prepare for entrance interviews and tests; businesspeople, lawyers, and doctors use it to gain the MBA advantage without the time or the expense. This revised edition includes updated sales salary and company information throughout. It also discusses areas such as the Internet, game theory, activity-based accounting, and advances in information technology. For the 300,000 budding MBAs annually and for anyone else who wants to walk the walk and talk the talk of the MBA, this is the ultimate MBA book of knowledge.

**The Everything Store: Jeff Bezos and the Age of Amazon** Brad Stone, 2013-10-17. Winner of the Financial Times and Goldman Sachs Business Book of the Year Award. Brad Stone's definitive book on Amazon and Bezos. *The Guardian*: A masterclass in deeply researched investigative financial journalism. *The Times*: The definitive story of the largest and most influential company in the world and the man whose drive and determination changed business forever. Though Amazon.com started off delivering books through the mail, its visionary founder, Jeff Bezos, was never content with being just a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To achieve that end, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now, Jeff Bezos stands out for his

relentless pursuit of new markets leading Amazon into risky new ventures like the Kindle and cloud computing and transforming retail in the same way that Henry Ford revolutionised manufacturing Amazon placed one of the first and largest bets on the Internet Nothing would ever be the same again      *Organizational Behavior* J Stewart Black, David S Bright, Donald G Gardner, 2019-06-05 A less expensive grayscale paperback version is available Search for ISBN 9781680922875 The field of management and organizational behavior exists today in a constant state of evolution and change Casual readers of publications like the New York Times The Economist and the Wall Street Journal will learn about the dynamic nature of organizations in today's ever changing business environment Organizational Behavior is designed to meet the scope and sequence requirements of the introductory course on Organizational Behavior This is a traditional approach to organizational behavior The table of contents of this book was designed to address two main themes What are the variables that affect how when where and why managers perform their jobs What theories and techniques are used by successful managers at a variety of organizational levels to achieve and exceed objectives effectively and efficiently throughout their careers Management is a broad business discipline and the Organizational Behavior course covers many areas such as individual and group behavior at work as well as organizational processes such as communication in the workplace and managing conflict and negotiation No one individual can be an expert in all areas of management so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters Finally we all made an effort to present a balanced approach to gender and diversity throughout the text in the examples used the photographs selected and the use of both male and female in alternating chapters when referring to generic managers or employees
