its history Moody Bible Institute has affirmed the essentials of biblical orthodoxy And like many other Christian organizations it has further defined itself with specific interpretations of scripture These identity markers are reflected in its doctrinal statement Back cover *Heavenly Destiny* Emma Moody Powell, 1943-01-01 This volume is the only biography of the life associate of the great evangelist D L Moody The sweet strength of Mrs Moody s life is portrayed here by her granddaughter whose access to letters and records of family and intimate friends gives the book its human interest This book reveals Mrs Moody s share in the destiny of her era describing a period that belongs to any history of the social and religious life of the Western world **Fundamentalist U** Adam Laats, 2018 Adam Laats offers a provocative and definitive new history of conservative evangelical colleges and universities institutions that have played a decisive role in American politics culture and religion This book looks unflinchingly at the issues that have defined these schools including their complicated legacy of conservative theology and social activism **Personal Evangelism** J C Macaulay, Robert H Belton, 2013-04-25 Here is a fresh approach to personal evangelism by two writers who speak out of their experience in witnessing and in teaching principles of evangelism in the classroom The approach is biblical Scriptures are constantly introduced in dealing with various types such as the anxious the unsatisfied the fearful the procrastinator and the self righteous The study of the Word is emphasized as preparation for the soul winner Important principles are deduced from the Gospel of John The work of the Holy Spirit is emphasized because He must prepare the heart of the seeker guide the speech of the witness and cause new life to spring up in each individual heart Practicality and tact are two words which may be said to characterize this text It is not limited to theory developed in the seclusion of the study nor does it neglect criticism of such wrong approaches as the holier than thou or the wiser than thou What Now? Mark Jobe, 2020-07-07 I want to live God s calling but where do I begin Be it in the midst of a spiritual lull a midlife crisis or an unforeseen pandemic at some point all Christians feel the need to readdress and reorient to move toward God s calling for their lives What Now is for anyone who wants to emerge from stagnation and envision what could be best for their next season of life You ll learn how to Be still and discern God s will for your life Re envision the possibilities of your calling Turn away from isolation and turn to healthy community Boldly step out into the unknown with faith Don t let confusion or fear of the unknown keep you from moving toward the fullness of God s plan for your life Instead learn to listen to the spiritual whisper directing you to the next stage in your divine calling As you long to live differently and find your heart awakening to new possibilities What Now will help you step forward bravely

Fundamentalism and Education in the Scopes Era A. Laats, 2010-05-24 This book takes a new look at one of the most contentious periods in American history The battles over schools that surrounded the famous Scopes monkey trial in 1925 were about much more than evolution Fundamentalists fought to maintain cultural control of education As this book reveals for the first time the successes and the failures of these fundamentalist campaigns transformed both the fundamentalist movement and the nature of education in America In turn those transformations determined many of the positions of the

culture wars that raged throughout the twentieth century When Others Shuddered Jamie Janosz,2014-01-14 When Others Shuddered Eight Women Who Refused to Give Up is the story of eight women called to serve God and who in doing so changed the world They lived at the turn of the century rubbing shoulders with the well known men of their time like John Rockefeller Marshall Field and Dwight Lyman Moody These women Fanny Crosby Mary McLeod Bethune Nettie McCormick Sarah Dunn Clarke Emma Dryer Virginia Asher Evangeline Booth and Amanda Berry Smith were unique They were single and married black and white wealthy and poor beautiful and plain mothers and childless Yet each felt called to make a difference and to do something to meet a pressing need in her world These women wanted to live lives less ordinary Their stories inspire us to follow God s calling in our own lives They teach us that each individual person can make a difference These eight women will show you how God can use your life to change the world **What The Cults Believe** Irvine

Revive Us Again Joel A. Carpenter,1999 Publicly humiliated by the Scopes monkey trial of 1925 fundamentalism in America seemed extinct by the end of the 1920s and then all but invisible to the mainstream until evangelists like Billy Graham gave new life to the movement in the popular revivals of the 1940s and 50s Here Joel A Carpenter illuminates these hidden years in the fundamentalist movement s history and in doing so provides answers to the riddle of its survival Blending painstaking research telling anecdotes and astute analysis Carpenter brings this era into focus for the first time ever He shows that contrary to the popular opinion of the day fundamentalism was alive and well in America in the late 1920s and used its isolation over the next 20 years to build new strength from within Taking a reasoned objective approach to a topic frequently reduced to caricature Revive Us Again gives us a fresh look at the continuing influence of American fundamentalism an influence still evident in today s newspapers and cable TV newscasts **Myself when I Am Real** Gene Santoro,2001 An acclaimed music critic strips away the myths shrouding Jazz s Angry Man in the best examination yet of an American original The Washington Post **D.L.
