Thing Called Love Susan Braudy,2014-11-12 In 1955 Ann Woodward shot her husband Billy in their Oyster Bay Long Island home While she was cleared by a grand jury which believed her story that she had mistaken Billy for a prowler who had been recently breaking into neighboring houses New York society was convinced that she had deliberately murdered Billy and that her formidable mother in law Elsie Woodward had covered up the crime to prevent further scandal to the socially prominent family The incident became fiction in Truman Capote s malicious 1975 Esquire story leading to Ann s suicide and later was the subject of Dominick Dunne s The Two Mrs Grenvilles Now after years of research Braudy reveals the truth behind the legend Tracing Ann s life from her difficult Kansas childhood through her early years as a model and aspiring actress to her stormy marriage to Billy Woodward and the sad years of her social exile after his death Braudy shows how Ann a victim of cruel gossip and class snobbery could not have deliberately killed Billy **Balancing in Heels** Kristin Cavallari,2016-03-15

Archer,2018-05-28 Probably the most candid brutally honest and often hilarious insight ever published into sex dating love and heartbreak from a man s perspective Fifty Shades of Greg is a sometimes graphic first person recounting of modern day dating experiences during the author s seven year stay in Italy No fairy tales just the brutally straight truth from a real guy

One that could sometimes be described as a hopeless romantic and other times a flaming a hole There I said it First date family planners Stalkers Romance novel reenactors Obsessives Sex freaks Runaway brides We ve got you covered Often scarcely credible and hilarious we navigate the insanity of one man s love sex life and the slow torture of his twisted soul So join Greg as he exposes himself not like that through his thoughts and experiences It often isn t pretty he ll probably be murdered by feminists but it sure makes for a good read No seriously you ll be hooked Made me smile all the way through From a feminist point of view like a non man hating feminist the true kind I thought it was both hilarious and deep I ve never read anything that made me make so many shocked faces People on the train would ask me what I was reading I couldn t stop reading Made me miss my bus stop a bunch of times This is brilliant Absolutely fantastic saying so much truth and so much that people shy away from Goes from hilariously crass to surprisingly beautiful Feedback from actual women **Alone**

in Plain Sight Ben Higgins,2021-02-02 Are you tired of people knowing who you are but no one really knowing you As the star of the twentieth season of The Bachelor Ben Higgins looked like he had it all together Instead Ben felt dissatisfied fearful and deeply alone Like so many of us he thought of himself as the kid who never got picked for the game the person always on the outside of the joke the friend who knew a lot of people but was never truly known He wondered if he mattered at all In Alone in Plain Sight Ben vulnerably shares how he found authentic connection with himself with others and with God As Ben helps us name our own yearning for meaning he explores ways to understand ourselves more deeply so that we are free to connect with others how shared pain can bridge even the widest gaps between two very different people why we must deconstruct our culture s fairy tale view of love and how the God who longs for relationship with us is the answer to our need for connection As Ben discovered in a disconnected world it is still possible to have lasting purpose and peace You are already known You are already loved You are already seen Discover how to live out how much you matter as you embrace the true meaning of your one incredible life **Under Tiberius** Nick Tosches,2016-08-30 A work of dangerous and haunting

beauty by America s last real literary outlaw Under Tiberius is a thrilling story of crime and deceit involving the man who came to be called Jesus Christ Deep in the recesses of the Vatican Nick Tosches unearths a first century memoir by Gaius Fulvius Falconius foremost speechwriter for Emperor Tiberius The codex is profound proof of the existence of a Messiah who was anything but the one we ve known a shabby and licentious thief After encountering him in the streets of Judea Gaius becomes spin doctor to Jesus and the pair schemes to accrue untold riches by convincing the masses that Jesus is the Son of God As their marriage of truth and lies is consummated friendship and wary respect develop between these two grifters Outrageous and disturbing Under Tiberius is as black as the ravishing night shot through with fierce and brilliant light

Please Don't Sit on My Bed in Your Outside Clothes Phoebe Robinson,2021-09-28 A nother hilarious essay collection from Phoebe Robinson The New York Times Book Review Strikes the perfect balance of brutally honest and laugh out loud funny I didn t want it to end Mindy Kaling New York Times bestselling author of Why Not Me With sharp timely insight pitch

perfect pop culture references and her always unforgettable voice New York Times bestselling author comedian actress and producer Phoebe Robinson is back with her most must read book yet In her brand new collection Phoebe shares stories that will make you laugh but also plenty that will hit you in the heart inspire a little bit of rage and maybe a lot of action That means sharing her perspective on performative allyship white guilt and what happens when white people take up space in cultural movements exploring what it s like to be a woman who doesn t want kids living in a society where motherhood is the crowning achievement of a straight cis woman s life and how the dire state of mental health in America means that taking care of one s mental health aka self care usually requires disposable money She also shares stories about her mom slow poking before a visit with Mrs Obama the stupidly fake reassurances of zip line attendants her favorite things about dating a white person from the UK and how the lack of Black women in leadership positions fueled her to become the Black lady boss of her dreams By turns perceptive laugh out loud funny and heartfelt Please Don t Sit on My Bed in Your Outside Clothes is not only a brilliant look at our current cultural moment it s also a collection that will stay with readers for years to come

McBroom and the Big Wind Sid Fleischman,1982 Josh McBroom relates how he and his family harness the rambunctious prairie wind **Beautiful** Katie Piper,2011-02-17 I heard a horrible screaming sound like an animal being slaughtered then I realised it was me When Katie Piper was 24 her life was near perfect Young and beautiful she was well on her way to fulfilling her dream of becoming a model But then she met Daniel Lynch on Facebook and her world quickly turned into a nightmare After being held captive and brutally raped by her new boyfriend Katie was subjected to a vicious acid attack Within seconds this bright and bubbly girl could feel her looks and the life she loved melting away Beautiful is the moving true story of how one young woman had her mind body and spirit cruelly snatched from her and how she inspired millions with her fight to get them back You Play The Girl Carina Chocano,2017-08-08 We all know who The Girl is She holds The Hero s hand as he runs through the Pyramids chasing robots Or she nags him or foils him plays the uptight straight man to his charming loser She s idealised degraded dismissed objectified and almost always dehumanised How do we process these insidious portrayals and how do they shape our sense of who we are and what we can become Part memoir part cultural commentary part call to arms to women everywhere You Play The Girl flips the perspective on the past thirty five years in pop culture from the progressive 70s through the backlash 80s the triumphalist 90s and the pornified bro culture of the early twenty first century providing a firsthand chronicle of the experience of growing up inside this funhouse Always incisive Chocano brilliantly shows that our identities are more iterative than we think and certainly more complex than anything we see on any kind of screen **Going There** Katie Couric,2021-10-26 This heartbreaking hilarious and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name For more than forty years Katie Couric has been an iconic presence in the media world In her brutally honest hilarious heartbreaking memoir she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life a story she s never

shared until now Of the medium she loves the one that made her a household name she says Television can put you in a box the flat screen can flatten On TV you are larger than life but smaller too It is not the whole story and it is not the whole me This book is Beginning in early childhood Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in Balancing her vivacious outgoing personality with her desire to be taken seriously she overcame every obstacle in her way insecurity an eating disorder being typecast sexism challenges and how she dealt with them setting the tone for the rest of her career Couric talks candidly about adjusting to sudden fame after her astonishing rise to co anchor of the TODAY show and guides us through the most momentous events and news stories of the era to which she had a front row seat Rodney King Anita Hill Columbine the death of Princess Diana 9 11 the Iraq War In every instance she relentlessly pursued the facts ruffling more than a few feathers along the way She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest get often sensational tabloid stories like Jon Benet Ramsey Tonya Harding and OJ Simpson Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42 leaving her a widow and single mom to two daughters 6 and 2 The death of her sister Emily just three years later brought yet more trauma and an unwavering commitment to cancer awareness and research one of her proudest accomplishments Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News a world rife with sexism and misogyny Her welcome was even more hostile at 60 Minutes an unrepentant boys club that engaged in outright hazing of even the most established women In the wake of the MeToo movement Couric shares her clear eyed reckoning with gender inequality and predatory behavior in the workplace and downfall of Matt Lauer a colleague she had trusted and respected for more than a decade Couric also talks about the challenge of finding love again with all the hilarity false starts and drama that search entailed before finding her midlife Mr Right Something she has never discussed publicly why her second marriage almost didn't happen If you thought you knew Katie Couric think again Going There is the fast paced emotional riveting story of a thoroughly modern woman whose journey took her from humble origins to superstardom In these pages you will find a friend a confidante a role model a survivor whose lessons about life will enrich your own
