Demagogue Larry Tye,2020-07-07 The definitive biography of the most dangerous demagogue in American history based on exclusive access to his papers and recently unsealed transcripts of his closed door Congressional hearings In the long history of American demagogues from Huey Long to Donald Trump never has one man caused so much damage in such a short time as Senator Joseph McCarthy We still use McCarthyism to stand for outrageous charges of guilt by association a weapon of polarizing slander From 1950 to 1954 McCarthy destroyed many careers and even entire lives whipping the nation into a frenzy of paranoia accusation loyalty oaths and terror His chaotic meteoric rise is a gripping and terrifying object lesson for us all Yet his equally sudden fall from fame offers hope that given the rope most American demagogues eventually hang themselves Only now through best selling author Larry Tye s look at the senator s records can the full story be told

McCARTHY (Button) ,2009 **The Army-McCarthy Hearings, April-June, 1954** Fred J. Cook,1971 Traces the

causes proceedings and results of the Senate investigation of Senator McCarthy's attack on the United States Army **Joe McCarthy and the Press** Edwin R. Bayley, 1981-10-22 This is a book for historians, journalists, and for all of us who need to remember this turbulent time in our nation's past and its lessons for today *McCarthyism* Brian Fitzgerald, 2007 Discusses fear of communism in the United States during the Cold War **Gossip Men** Christopher M. Elias, 2022-09-30 The legacies of Joseph McCarthy, J. Edgar Hoover, Roy Cohn seem like they might be with us forever. Yet Christopher Elias finds in them startling new connections between gender, sexuality, and national security in 20th-century US politics: a paradigm he christens security state masculinity. Elias integrates biographies of the trio with a history of gossip magazines and their tactics such as insinuation, guilt by association, hyperbole, and alarmism, not to mention cynicism, slang, and photographic manipulation, which all three used to consolidate their power. The story of security state masculinity reached its climax in the Army-McCarthy hearings, which were rife with insinuations and coded threats. Using gossip as a lens, Elias shifts our understanding of the development of American political culture. c Provided by publisher **Investigation of Senator Joseph R. McCarthy** United States. Congress. Senate. Committee on Rules and Administration, 1952 **Executive Sessions of the Senate Permanent Subcommittee on Investigations of the Committee on Government Operations** United States. Congress. Senate. Committee on Government Operations. Permanent Subcommittee on Investigations, 2003 Without Precedent Adams John G., 1985-06-17 As counselor of the army during the McCarthy witchhunt, John G. Adams was a central figure in the bitter army-McCarthy hearings and McCarthy's fall from power **Hollywood on Trial** Michael Freedland, 2007-05-30 The irony was that at this time the Communist Party was legal. People were sent to prison for refusing to say if they were communists. Sidney Sheldon: It was in effect a huge smoke-filled California courtroom, noisy to the point where even the sound of the gavel from the raised desk could barely be heard. It was an unusual courtroom and a very unusual defendant. In the dock was Hollywood itself, placed on trial by the US Congress and in the summer of 1953 finally coming close to succumbing to a death sentence, a sentence of shame. The Un-American Activities Committee finally decided that it had done its job; it had looked for reds under the bed in the film capital and said it had found them. Hollywood was now pronounced clean, yet it had never been dirtier. This is the true story of how J. Parnell Thomas, chairman of the Committee, the House of Representatives version of Senator Joseph McCarthy's witchhunts, made a national name for himself by ruining the lives of hundreds of people in the movie industry. Two years later, Thomas would be jailed for embezzling government money, but in August 1953 he was riding high. *Hollywood on Trial* relates the story of the victims of this witchhunt. Through the Committee, many of Hollywood's leading lights were denied the right to work. Stars such as Charlie Chaplin and Paul Robeson were denied the passports that would have allowed them to leave America. Oscar-winning writers were forced to give their scripts to nonentities to offer in their own names, and then shared the proceeds. Humphrey Bogart, Lauren Bacall, Danny Kaye, and John Huston went to Washington in defence of the Hollywood Ten, the first writers to be blacklisted, yet when Bogart and Bacall were questioned

they too buckled in The humiliations continued until the end of the Fifties The scars however have remained to this day

Blacklisted by History M. Stanton Evans, 2009-11-24 Accused of creating a bogus Red Scare and smearing countless innocent victims in a five year reign of terror Senator Joseph McCarthy is universally remembered as a demagogue a bully and a liar History has judged him such a loathsome figure that even today a half century after his death his name remains synonymous with witch hunts But that conventional image is all wrong as veteran journalist and author M Stanton Evans reveals in this groundbreaking book The long awaited Blacklisted by History based on six years of intensive research dismantles the myths surrounding Joe McCarthy and his campaign to unmask Communists Soviet agents and flagrant loyalty risks working within the U S government Evans s revelations completely overturn our understanding of McCarthy McCarthyism and the Cold War Drawing on primary sources including never before published government records and FBI files as well as recent research gleaned from Soviet archives and intercepted transmissions between Moscow spymasters and their agents in the United States Evans presents irrefutable evidence of a relentless Communist drive to penetrate our government influence its policies and steal its secrets Most shocking of all he shows that U S officials supposedly guarding against this danger not only let it happen but actively covered up the penetration All of this was precisely as Joe McCarthy contended Blacklisted by History shows for instance that the FBI knew as early as 1942 that J Robert Oppenheimer the director of the atomic bomb project had been identified by Communist leaders as a party member that high level U S officials were warned that Alger Hiss was a Soviet spy almost a decade before the Hiss case became a public scandal that a cabal of White House Justice Department and State Department officials lied about and covered up the Amerasia spy case and that the State Department had been heavily penetrated by Communists and Soviet agents before McCarthy came on the scene Evans also shows that practically everything we ve been told about McCarthy is false including conventional treatment of the famous 1950 speech at Wheeling West Virginia that launched the McCarthy era I have here in my hand the Senate hearings that casually dismissed his charges the matter of leading McCarthy suspect Owen Lattimore the Annie Lee Moss case the Army McCarthy hearings and much more In the end Senator McCarthy was censured by his colleagues and condemned by the press and historians But as Evans writes The real Joe McCarthy has vanished into the mists of fable and recycled error so that it takes the equivalent of a dragnet search to find him Blacklisted by History provides the first accurate account of what McCarthy did and more broadly what happened to America during the Cold War It is a revealing expos of the forces that distorted our national policy in that conflict and our understanding of its history since

A Conspiracy So Immense David M. Oshinsky, 2019-08-20 Few politicians in our history have had the emotional impact of Joe McCarthy and acclaimed historian David Oshinsky s chronicling of his life has been called both nuanced and masterful Here David Oshinsky presents us with a work heralded as the finest account available of Joe McCarthy s colorful career With a storyteller s eye for the dramatic and presentation of fact and insightful interpretation of human complexity Oshinsky uncovers the layers of myth to

show the true McCarthy His book reveals the senator from his humble beginnings as a hardworking Irish farmer s son in Wisconsin to his glory days as the architect of America s Cold War crusade against domestic subversion a man whose advice if heeded some believe might have halted the spread of Communism in Southeast Asia and beyond A Conspiracy So Immense reveals the internal and external forces that launched McCarthy on this political career carried him to national prominence and finally triggered his decline and fall More than the life of an intensely even pathologically ambitious man however this book is a fascinating portrait of America in the grip of Cold War fear anger suspicion and betrayal Complete with a new foreword A Conspiracy So Immense will continue to keep in the spotlight this historical figure a man who worked so hard to prosecute criminals whose ideals work against that of his for America McCarthyism vs. Clinton Jencks Raymond Caballero,2019-08-22 For twenty years after World War II the United States was in the grips of its second and most oppressive red scare The hysteria was driven by conflating American Communists with the real Soviet threat The anticommunist movement was named after Senator Joseph R McCarthy but its true dominant personality was FBI director J Edgar Hoover who promoted and implemented its repressive policies and laws The national fear over communism generated such anxiety that Communist Party members and many left wing Americans lost the laws protections Thousands lost their jobs careers and reputations in the hysteria though they had committed no crime and were not disloyal to the United States Among those individuals who experienced more of anticommunism s varied repressive measures than anyone else was Clinton Jencks Jencks a decorated war hero adopted as his own the Mexican American fight for equal rights in New Mexico s mining industry In 1950 he led a local of the International Union of Mine Mill and Smelter Workers in the famed Empire Zinc strike memorialized in the blacklisted 1954 film Salt of the Earth in which wives and mothers replaced strikers on the picket line after an injunction barred the miners themselves But three years after the strike Jencks was arrested and charged with falsely denying that he was a Communist and was sentenced to five years in prison In Jencks v United States 1957 the Supreme Court overturned his conviction in a landmark decision that mandated providing to an accused person previously hidden witness statements thereby making cross examination truly effective In McCarthyism vs Clinton Jencks Caballero reveals for the first time that the FBI and the prosecution knew all along that Clinton Jencks was innocent Jencks s case typified the era exposing the injustice that many suffered at the hands of McCarthyism The tale of Jencks s quest for justice provides a fresh glimpse into the McCarthy era s oppression which irrevocably damaged the lives careers and reputations of thousands of Americans **Senator Joe McCarthy** Richard Halworth Rovere,1973
