

Mcclure A Biography

Barbara J McClure

McClure A Biography:

The Autobiography of S.S. McClure Willa Cather, 1997-01-01 S S McClure was one of America's greatest editors and publishers in the lively era of muckraking reform. He is remembered for McClure's Magazine which early in the twentieth century published the works of famous authors and social reformers. He was also the mentor of young Willa Cather. After leaving her position at McClure's in 1912, Cather ghosted this graceful portrait of her former boss. Cather's developing style is clear throughout *The Autobiography of S S McClure*. She goes far inside her subject to find his voice and catch the rhythms of his exciting life: his immigration from Ireland to America, his Horatio Alger-like rise from poverty and struggle to success. Cather shows the risks he took in forming the first newspaper syndicate in the United States which gave him access to such literary masters as Conan Doyle, Rudyard Kipling, and Robert Louis Stevenson. His extensive contacts were advantageous later in establishing McClure's as the medium for muckrakers like Ida Tarbell and Lincoln Steffens. These famous figures and many others enter into *The Autobiography of S S McClure* which was originally published in 1914 just as Cather was launching her own illustrious career as a novelist.

The Wilder Life Wendy McClure, 2011-04-14 For anyone who has ever wanted to step into the world of a favorite book, here is a pioneer pilgrimage, a tribute to Laura Ingalls Wilder, and a hilarious account of butter churning obsession. Wendy McClure is on a quest to find the world of beloved *Little House on the Prairie* author Laura Ingalls Wilder, a fantastic realm of fiction, history, and places she's never been to yet somehow knows by heart. She retraces the pioneer journey of the Ingalls family looking for the Big Woods among the medium trees in Wisconsin, wading in Plum Creek and enduring a prairie hailstorm in South Dakota. She immerses herself in all things *Little House* and explores the story from fact to fiction and from the TV shows to the annual summer pageants in Laura's hometowns. Whether she's churning butter in her apartment or sitting in a replica log cabin, McClure is always in pursuit of the Laura experience. Along the way, she comes to understand how Wilder's life and work have shaped our ideas about girlhood and the American West. *The Wilder Life* is a loving, irreverent, spirited tribute to a series of books that have inspired generations of American women. It is also an incredibly funny first-person account of obsessive reading and a story about what happens when we reconnect with our childhood touchstones and find that our old love has only deepened.

Digitizing Your Family History Rhonda McClure, 2004-08-19 Your interest may be in the past, but permanently preserving your family's history relies on today's technology. If you have limited knowledge of computer equipment or feel uncomfortable using it, *Digitizing Your Family History* will teach you easy methods for choosing and using scanners, copiers, digital cameras, and software to keep and share your work with others.

Cincinnatus Rusty McClure, David A. Stern, 2009 A PGA tournament fixing scheme links a washed-up golfer and a DOJ attorney. The duo is challenged by a powerful brotherhood formed during America's independence and encounter paranormal mysteries as they try to prevent a plot of draconian consequences. *Cincinnatus* is a riveting dramatic tale full of intrigue, murder, and lost love. Suspenseful and morally complex, this is the rare thriller whose meaning resonates.

with readers long after they have turned the final page

Moving Beyond Individualism in Pastoral Care and Counseling Barbara J McClure, 2011-10-27 Despite astute critiques and available resources for alternative modes of thinking and practicing individualism continues to be a dominating and constraining ideology in the field of pastoral psychotherapy and counseling Philip Rieff was one of the first to highlight the negative implications of individualism in psychotherapeutic theories and practices As heirs and often enthusiasts of the Freudian tradition of which Rieff and others are critical pastoral theologians have felt the sting of his charge and yet the empirical research that McClure presents shows that pastoral counseling practitioners resist change Their attempts to overcome an individualistic perspective have been limited and ineffective because individualism is embedded in the field's dominant theological and theoretical resources practices and organizational arrangements Only a radical reappraisal of these will make possible pastoral counseling practices in a post individualistic mode McClure proposes several critical transformations broadening and deepening the operative theologies used to guide the healing practice expanding the role of the pastoral counselor reimagining the operative anthropology reclaiming sin and judgment nuancing the particular against the individual rethinking the ideal outcome of the practices and reimagining the organizational structures that support the practices Only this level of revisioning will enable this ministry of the church to move beyond its individualistic limitations and offer healing in more complex effective and socially adequate ways

Success Story Peter Lyon, 1967

Crosley Rusty McClure, Michael A. Banks, 2008-06-28 Set in the vibrant Industrial Age and filigreed with family drama and epic ambition Crosley chronicles one of the great untold tales of the twentieth century Crosley is a once in two lifetimes book examining the conquests of Powel Crosley Jr one of the most original innovators of the twentieth century and Lewis Crosley his brother who engineered the successful culmination of all Powel's plans

Ida Tarbell Kathleen Brady, 1989-10-15 In this first definitive biography of Ida Tarbell Kathleen Brady who is on the staff of Time has written a readable and widely acclaimed book about one of America's great journalists Ida Tarbell's generation called her a muckraker the term was Theodore Roosevelt's and he didn't intend it as a compliment but in our time she would have been known as an investigative reporter with the celebrity of Woodward and Bernstein By any description Ida Tarbell was one of the most powerful women of her time in the United States admired feared hated When her History of the Standard Oil Company was published first in McClure's Magazine and then as a book 1904 it shook the Rockefeller interests caused national outrage and led the Supreme Court to fragment the giant monopoly A journalist of extraordinary intelligence accuracy and courage she was also the author of the influential and popular books on Napoleon and Abraham Lincoln and her hundreds of articles dealt with public figures such as Louis Pasteur and Emile Zola and contemporary issues such as tariff policy and labor During her long life she knew Teddy Roosevelt Jane Addams Henry James Samuel McClure Lincoln Stephens Herbert Hoover and many other prominent Americans She achieved more than almost any woman of her generation but she was an antisuffragist believing that the traditional roles of wife and mother were more

important than public life She ultimately defended the business interests she had once attacked To this day her opposition to women s rights disturbs some feminists Kathleen Brady writes of her She did not have the flinty stuff of which the cutting edge of any revolution is made Yet she was called to achievement in a day when women were called only to exist Her triumph was that she succeeded Her tragedy was that she was never to know it A Pearl in the Storm Tori Murden McClure,2009-04-07 In the end writes Tori McClure I know I rowed across the Atlantic to find my heart but in the beginning I wasn t aware that it was missing During June 1998 Tori McClure set out to row across the Atlantic Ocean by herself in a twenty three foot plywood boat with no motor or sail Within days she lost all communication with shore but nevertheless she decided to keep going Not only did she lose the sound of a friendly voice she lost updates on the location of the Gulf Stream and on the weather Unfortunately for Tori 1998 is still on record as the worst hurricane season in the North Atlantic In deep solitude and perilous conditions she was nonetheless determined to prove what one person with a mission can do When she was finally brought to her knees by a series of violent storms that nearly killed her she had to signal for help and go home in what felt like complete disgrace Back in Kentucky however Tori s life began to change in unexpected ways She fell in love At the age of thirty five she embarked on a serious relationship for the first time making her feel even more vulnerable than sitting alone in a tiny boat in the middle of the Atlantic She went to work for Muhammad Ali who told her that she did not want to be known as the woman who almost rowed across the Atlantic Ocean And she knew that he was right In this thrilling story of high adventure and romantic quest Tori McClure discovers through her favorite way the hard way that the most important thing in life is not to prove you are superhuman but to fully to embrace your own humanity With a wry sense of humor and a strong voice she gives us a true memoir of an explorer who maps her world with rare emotional honesty

The Authentic Life of William McKinley ... Alexander Kelly McClure,Charles Morris,1901 William McKinley was born at Niles Ohio in 1843 the son of William and Nancy Allison McKinley He was a descendant of David McKinley 1756 1840 a Revolutionary War soldier He married Ida Saxton daughter of James A Saxon at Canton Ohio in 1871 They had two daughters who died in childhood He was elected the 25th president of the United States in 1896 and 1900 and was assassinated at Buffalo New York in 1901 Theodore Roosevelt became the 26th president of the United States after his death **Rebel Lions** Michael McClure,1991 Rebel Lions Michael McClure s first book of poetry since the retrospective Selected Poems 1985 spans a decade of profound personal change and poetic evolution for the author In an introductory note he provides a backdrop for the collection which moves from old life to new McClure s work bursts forth from the matrix of the physical and spiritual Poetry is one of the edges of consciousness he asserts And consciousness is a real thing like the hoof of a deer or the smell of a bush of blackberries at the roadside in the sun In the first section of Rebel Lions Old Flames the poems range from the realistic Awakening and Recalling a Summer Hike to the metaphorical The Silken Stitching as the poet addresses a life on the verge of transformation The second section Rose Rain exults in a life transformed through love s alchemy Rebel Lions

closes with New Brain poems affirming the freedom of all humankind and matter in the eternal now *The Routledge History of Poverty, c.1450-1800* David Hitchcock, Julia McClure, 2020-12-31 The Routledge History of Poverty c 1450 1800 is a pioneering exploration of both the lives of the very poorest during the early modern period and of the vast edifices of compassion and coercion erected around them by individuals institutions and states The essays chart critical new directions in poverty scholarship and connect poverty to the environment debt and downward social mobility material culture empires informal economies disability veterancy and more The volume contributes to the understanding of societal transformations across the early modern period and places poverty and the poor at the centre of these transformations It also argues for a wider definition of poverty in history which accounts for much more than economic and social circumstance and provides both analytically critical overviews and detailed case studies By exploring poverty and the poor across early modern Europe this study is essential reading for students and researchers of early modern society economic history state formation and empire cultural representation and mobility **The Life of Mary Baker G. Eddy and the History of Christian Science** Willa Cather, 1993-01-01 This controversial biography of the founder of the Christian Science church was serialized in McClure s Magazine in 1907 8 and published as a book the next year It disappeared almost overnight and has been difficult to find ever since Although a Canadian newspaperwoman named Georgine Milmine collected the material and was credited as the author The Life Of Mary Baker G Eddy was actually written by Willa Cather an editor at McClure s at that time In his introduction to this Bison Book edition David Stouck reveals new evidence of Cather s authorship of The Life of Mary Baker G Eddy He discusses her fidelity to facts and her concern with psychology and philosophy that would take creative form later on Indeed this biography contains some of the finest portrait sketches and reflections on human nature that Willa Cather would ever write **Selected Poems** Michael McClure, 1986 **The Bassett Women** Grace McClure, 2019-05-09 In the late nineteenth century Brown s Park a secluded valley astride the Utah Colorado border was a troubled land of deadly conflict among cattle barons outlaws rustlers and small ranchers Homesteader Elizabeth Bassett gained a tough reputation of her own and her daughters followed suit going on to become members of Butch Cassidy and the Wild Bunch s inner circle Ann who counted Cassidy among her lovers became known as queen of the cattle rustlers Both sisters proved themselves shrewd businesswomen as they fended off hostile takeovers of the family ranch Through the following decades the sisters became the stuff of legend women who embodied the West s fearsome reputation yet whose lived experiences were far more nuanced Ann became a writer Josie whose cabin still stands at present day Dinosaur National Monument applied her pioneer ethics to a mechanized world and became renowned for her resourcefulness steadfastness and audacity For The Bassett Women Grace McClure tracked down and untangled the legends of Brown s Park one of the way stations of the fabled Outlaw Trail while creating an evenhanded and indelible portrait of the Bassetts Based on interviews written records newspapers and archives The Bassett Women is one of the few credible accounts of early settlers on Colorado s western slope one of the

last strongholds of the Old West **Don't Mess with Texas** Tim McClure, Roy Spence, 2006 A behind the scenes look at the most successful antilittering campaign in history **Unti Twin Book #1** Ava McClure, HarperCollins Canada, Limited, HarperCollins Publishers, Alexis McClure, 2021-06-29 Introducing your new favorite children's book stars The McClure Twins This adorable and fun story about embracing differences is perfect for fans of Juno Valentine and Fancy Nancy Ava and Alexis are twins So when they find out they were born a whole minute apart and that they don't agree on what to wear for their fashion show the girls start to wonder Can twins be mismatched Just in time Ava and Alexis remember their twinship pinky promise to strut together and make it fashion as they mix and match their unique styles to create one twintastic outfit Written by and based on everyone's favorite YouTube kid influencers The McClure Twins The McClure Twins Make It Fashion drives home the very important lesson of embracing what makes us similar and different **Emotions** Barbara J. McClure, 2019 Emotions Problems and Promise for Human Flourishing by Barbara J McClure 2019 *All in the Day's Work: An Autobiography* Ida M. Tarbell, 2015-07-13 This autobiography of the great female journalist and muckraker Ida M Tarbell includes the following chapters 1 My Start in Life 2 I Decide to Be a Biologist 3 A Coeducational College of the Eighties 4 A Start and a Retreat 5 A Fresh Start A Second Retreat 6 I Fall in Love 7 A First Book On Nothing Certain a Year 8 The Napoleon Movement of the Nineties 9 Good Bye to France 10 Rediscovering My Country 11 A Captain of Industry Seeks My Acquaintance 12 Muckraker or Historian 13 Off With the Old On With the New 14 The Golden Rule in Industry 15 A New Profession 16 Women and War 17 After the Armistice 18 Gambling With Security 19 Looking Over the Country 20 Nothing New Under the Sun **Past Lives** Ken McClure, 2017-02-15 PAST LIVES is a medical thriller which explores the nightmare of multiple personality disorder uncovered by American neurosurgeon John Macandrew in one of his patients after brain surgery His patient's agony and the dreadful revenge taken by her husband who wrongly blames Macandrew for his wife's condition brings him across the Atlantic in search of answers His quest takes him from the windswept ramparts of Culzean Castle in Scotland to a research laboratory at Edinburgh University and from there to a remote Benedictine monastery from Notre Dame Cathedral in Paris to Marseilles and across the Mediterranean to Corsica and Malta Someone knows the secret of multiple personality disorder and they'd like it to stay that way But the sinister biblical scholar Dom Ignatius has already found it out and plans to use the knowledge for his own selfish ends the uncovering of an eye witness to the events of two thousand years ago PAST LIVES was first published in the UK by Allison Busby Ltd in 2006 Ken McClure is the internationally bestselling author of over twenty medical thrillers such as The Lazarus Strain The Gulf Conspiracy White Death and Dust to Dust His books have been translated into twenty five languages and he has earned a reputation for the accuracy of his predictions McClure's work is informed by his background as an award winning research scientist with the UK's Medical Research Council
