designed to meet scope and sequence requirements for a one semester prealgebra course The text introduces the  
fundamental concepts of algebra while addressing the needs of students with diverse backgrounds and learning styles Each  
topic builds upon previously developed material to demonstrate the cohesiveness and structure of mathematics Prealgebra  
follows a nontraditional approach in its presentation of content The beginning in particular is presented as a sequence of  
small steps so that students gain confidence in their ability to succeed in the course The order of topics was carefully planned  
to emphasize the logical progression throughout the course and to facilitate a thorough understanding of each concept As  
new ideas are presented they are explicitly related to previous topics BC Campus website      **McDougal Littell Middle**
