Mcevoys Concordance To Progress Povert:

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1960 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December **Inequality in Canada** Eric W. Sager,2021-01-20 In Inequality in Canada Eric Sager considers one of the defining but hardest to define ideas of our era and traces its different meanings and contexts across the nineteenth and twentieth centuries Sager shows how the idea of inequality arose in the long evolution in Britain and the United States from classical economics to the emerging welfare economics of the twentieth century Within this transatlantic frame inequality took a distinct form in Canada different iterations of the idea appear in Protestant critiques of wealth labour movements farmer progressive politics the social gospel social Catholicism in Quebec English Canadian political economy and political and intellectual justifications of the social security state A tradition of idealist thought persisted in the twentieth century sustaining the idea of inequality despite deep silences among Canadian economists Sager argues that inequality goes beyond the distribution of income and wealth it is the idea that there are wide gaps between rich and poor that the gaps are both an economic problem and a social injustice and that when inequality appears it is as a problem that can be either eliminated or reduced It is precisely because inequality appears in different contexts and because it changes Sager reasons that we can begin to perceive the contours and cleavages of inequality in our time In our century a political solution to inequality may rest on the recovery of an ethical ideal and egalitarian politics that have long preoccupied the history of Canadian thought **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress. Copyright Office,1960 **A Complete Concordance to the Twenty-fifth and Fiftieth Anniversary Editions of Progress and Poverty by Henry George** Helena Mitchell McEvoy,1959 Catalog of Copyright Entries, Third Series Library of Congress.
