year odyssey takes them from Podunk pool halls to slick urban billiard rooms across America as they manage one night to take down as much as 30 000 only to lose so much the next night that they lack gas money to get home With every stop the action gets hotter the calls get closer and Delicious s prowess with a cue stick becomes known more and more widely Ultimately Delicious sheds his cover once and for all and becomes professional pool s biggest sensation since Minnesota Fats A tremendously satisfying road story What makes Running the Table so special is not the pool prowess of its protagonist but the unlikely bond between two wildly different young men who find each other through an exhilarating often infuriating game
