Dare Lawrence Sanders, Vincent Lardo, 2013-03-12 If anyone can connect a dead waiter in a pool a deceased duchess and a possibly phony heir it s the Palm Beach PI in this New York Times bestseller Malcolm MacNiff s annual Tennis Everyone fundraiser is the high point of the Palm Beach season But the glittering A list event hits rock bottom when a waiter is found floating face down in the pool Archy McNally instantly suspects foul play No sooner are his fears confirmed than he has another mystery to solve Society s abuzz over the recent arrival of Lance Talbot from Switzerland to claim his half billion inheritance from his grandmother s estate but some claim that Talbot s a fraud It falls to McNally to sift through the clues and uncover a murderous scam that stretches from the snowy Alps all the way to sunny Florida *McNally's Gamble*

Lawrence Sanders, 2013-03-12 Is a Florida widow being conned out of a fortune The debonair detective tries to find out in this novel in the 1 New York Times bestselling series At first Archy McNally was unofficially enlisted to verify the bona fides of a deal for a rare Faberg Imperial egg created exclusively for the doomed Czar Nicholas in 1917 But when Edythe Westmore s son and daughter become convinced the trinket is a fake and their mother is being conned McNally is asked to deep six the whole deal He gets more than he bargained for when Natalie Westmore and her brother s wife Helen both try to seduce him The Palm Beach detective will need to employ some fancy footwork as he reveals a mess of lust greed and murder that smells worse than a rotten egg Now it s his own neck McNally s risking to lay a trap for someone who s counting dividends before they hatch **McNally's Trial** Lawrence Sanders, 2013-03-12 The Palm Beach PI is on the case of a corpse

conspiracy Lawrence Sanders has honed a voice for Archy McNally that is wonderfully infectious The Washington Times Business is booming at Whitcomb Funeral Homes in southern Florida Called in to investigate this inexplicable uptick Palm Beach private investigator Archy McNally finds himself in the middle of a most unusual case In the past six months Whitcomb has shipped out five hundred dead bodies Why are so many caskets leaving the Sunshine State and being airlifted to New York Boston and Chicago And why did Whitcomb s comely comptroller come to McNally Son in the first place Further complicating McNally s life are his air headed buddy Binky Watrous who wants to be his private eye assistant and his faithful

love Connie Garcia who's got her spies when it comes to McNally's weakness for the ladies Murder worthy of the headline Death styles of the Rich and Famous add to McNally's tribulations And the next set of human remains could be his

McNally's Chance Lawrence Sanders,Vincent Lardo,2013-03-12 Family ties ensnare Lawrence Sanders's Archy McNally a raffish combination of Dashiell Hammett's Nick Charles and P G Wodehouse's Bertie Wooster The New York Times Book Review Bestselling author Sabrina Wright wants dapper detective Archy McNally to find her husband who vanished while looking for her MIA daughter it may seem like a simple case but McNally knows it's never that easy Thirty year old Gillian Wright ran off to find her birth father opening a Pandora's box of scandalous revelations the tabloids can't resist It seems that Sabrina's life was a bigger fiction than her bodice ripping romances Before her story is over three powerful men with damning secrets could be outed and murder will be the denouement As McNally stumbles on one cover up after another he has one last chance to catch a killer who will stop at nothing to protect his name Germania Brendan McNally,2009-02-10 In their youth Manni and Franzi together with their brothers Ziggy and Sebastian captured Germany's collective imagination as the Flying Magical Loerber Brothers one of the most popular vaudeville acts of the old Weimar days The ensuing years have however found the Jewish brothers estranged and ensconced in various occupations as the war is drawing near its end and a German surrender is imminent Manni is traveling through the Ruhr Valley with Albert Speer who is intent on subverting Hitler's apocalyptic plan to destroy the German industrial heartland before the Allies arrive Franzi has become inextricably attached to Heinrich Himmler's entourage as astrologer and masseur and Ziggy and Sebastian have each been employed in pursuits that threaten to compromise irrevocably their own safety and ideologies Now with the Russian noose tightening around Berlin and the remnants of the Nazi government fleeing north to Flensburg the Loerber brothers are unexpectedly reunited As Himmler and Speer vie to become the next Führer deluded into believing they can strike a bargain with Eisenhower and escape their criminal fates the Loerbbers must employ all their talents and whatever magic they possess to rescue themselves and one another Deftly written and darkly funny Germania is an astounding adventure tale with subplots involving a hidden cache of Nazi gold Hitler's miracle U boats and Speer's secret plan to live out his days hunting walrus in Greenland and a remarkably imaginative novel from a gifted new writing talent Jane's Dilemma Bolarinwa Adedimeji,2018-11-19 Jane's dilemma is all about love story and double dating Jane is a promiscuous girl who fell in love with two guys Chuks and Husain at the same time Her days in school was unbearable One day Husain finally got to see each other Find out what happens to Husain and Chuks in this very interesting book When I Was a Loser John McNally,2007-03-06 For Anyone Who's Ever Been a Teenager Who's teenage years weren't terrible Remember the scary older kids The sadistic gym teacher The smelly kid who sat next to you in science class Your first fumbling kiss That time you threw up in the cafeteria Your first attempt at putting on a condom The period that arrived unexpectedly That awful fight with your parents The first time you got drunk That note you wrote that you shouldn't have written The day you forgot to zip your fly That

monster zit When you wondered would it all end In When I Was a Loser John McNally author of the novel America's Report Card assembles twenty five original essays often hilarious sometimes tenderhearted always evocative about defining moments of high school loserdom Brad Land Julianna Baggott Owen King Johanna Edwards and many more fresh talented writers explore their own angst humiliation heartache and other staples of teen life These essays perfectly capture what it was like to be in high school to experience so many things for the first time to assert independence while desperately trying to fit in to feel misunderstood and unable to articulate the wild swings between heartbreak anger and euphoria One writer recalls how his grandmother helped him with his home perm in preparation for the Senior Class picture another recounts her discovery sometime after hitting puberty of the power she held over boys and men while at the same time she felt herself at their mercy a third remembers the casual cruelties visited on him by the cooler kids and the cruelties he in turn inflicted on kids below him on the social ladder Utterly candid and compulsively readable these essays conjure up and untangle those raw and formative years The writers cringe and laugh at the teenagers they were but at the same time they honor their adolescence and the way it shaped their lives Because in truth beneath the layers of adult respectability we all still carry a little bit of our teenage selves around with us *Remembering Trauma* Richard J. McNally, 2005-05-27 Synthesising clinical case reports and the research literature on the effects of stress suggestion and trauma on memory Richard McNally arrives at significant conclusions first and foremost that traumatic experiences are indeed unforgettable *The Story Thief* Shari McNally, 2014-02-18 High school Where every girl lives the same story over and over Cinder Ella Armstrong has tried to fit into other people's stories It doesn't work But her own story the one where she's courting a princess and not a prince is way too weird to tell There are some things you just can't help When the school Rebel Queen Renee Hammond needs a knight Ella dumps the idea of glass slippers and takes up the challenge Worshipping from the sidelines works for her until good girl Diane Lacey makes Ella yearn to write a new story for herself A story where the girl might get the girl but most of all the girl gets herself Newcomer Shari McNally creates an engaging world where a young woman finds she must steal her own story or others will write it for her **America's Report Card** John McNally, 2007-06-19 Having written a scathing essay about her disgust with the government's standardized testing process Jainey skips her final weeks of high school while part time test scorer Charlie reads Jainey's essay and recognizes her as a person needing help *Battle Bunny* Jon Scieszka, Mac Barnett, 2013-10-22 Encourage creativity with this wildly entertaining picture book mash up from the minds of Jon Scieszka and Mac Barnett Alex has been given a saccharine sappy silly sweet picture book about Birthday Bunny that his grandma found at a garage sale Alex isn't interested until he decides to make the book something he'd actually like to read So he takes out his pencil sharpens his creativity and totally transforms the story Birthday Bunny becomes Battle Bunny and the rabbit's innocent journey through the forest morphs into a supersecret mission to unleash an evil plan a plan that only Alex can stop Featuring layered original artwork that emphasizes Alex's additions this dynamic exploration of creative storytelling is sure

to engage and inspire *McNally's Risk* Lawrence Sanders,2013-03-12 A seductive socialite entangles a Palm Beach sleuth in a viper's nest of lust and larceny in this New York Times bestseller Checking out the background of a wealthy client's prospective daughter in law should be easy money for Palm Beach private investigator Archy McNally until people around gorgeous socialite Theodosia Johnson start being killed off at an alarming rate The first to die is Theodosia's portrait painter who gets his throat slashed Next a blackmailing stripper ends up with a bullet in her head McNally must expose the killer but it's Theodosia herself who turns out to be the biggest mystery of all When she sets out to seduce McNally he isn't sure whether he's being played so he orchestrates his own scam to uncover the truth If his scheme backfires it could cost the dapper detective his livelihood and his life **McNally's Bluff** Lawrence Sanders,Vincent Lardo,2013-03-12 The final book in the New York Times bestselling series is a wacky waggish whodunit as the Palm Beach PI investigates a dead end in a maze Publishers Weekly The night Palm Beach society has been eagerly awaiting has finally arrived Matthew Hayes once the human cannonball in a traveling carnival and now a retired millionaire is unveiling his Amazin Maze styled after the historic hedge maze at England's Hampton Court Palace But even this wonder is upstaged by Hayes's wife when she's found dead in the center of the labyrinth Marvelous Marlena Marvel a sideshow wonder of amazing pulchritude was a devotee of the black arts But the motive for her murder is as murky as her mystical talents especially when Archy McNally uncovers a link to another homicide It's a crime scene straight out of Barnum Bailey as McNally employs his own sleight of hand to catch a killer about to pull off the greatest vanishing act of all **Another World is Possible** David McNally,2006 What are the roots of the anti corporate globalization movement and where is it going Another World Is Possible traces the movement's progress since 1994 and makes the case for the continued development of its anti capitalist analysis and activism Drawing on the experiences of radical movements of workers peasants and indigenous peoples in many countries he sketches out an alternative deeply radical politics based on diversity internationalism and moving beyond commodification and the market The new social movements that have emerged in the last few years have given eloquent expression to resurgent hopes for a better world David McNally shares these hopes and the passion with which activists have voiced them But he also offers the kind of lucid and penetrating analysis the movements need to make the best use of the resources available to them Written in a clear and engaging style Another World Is Possible will be an invaluable asset to all those engaged in the movements as well as those who simply want to understand anti capitalism and the world it wants to change **The Doctor and the Matchmaker** Cheryl Harper,2021-04-01 His troublesome matchmaker could be the one Former Navy surgeon Wade McNally is sure his upcoming date with a lovely lady will check meet the perfect woman off his to do list Until he learns his date's sister tricked him Desperate to keep her shenanigans secret Brisa Montero agrees to find Wade the right match But summer days swimming and exploring with the handsome doctor and his clever daughter make Brisa wonder if the right match is closer than she thought Mills Boon Heart Stories of love compassion and happiness [Jerry on Jerry](#) Dennis
