McPherson Four Plays:

Four Plays Conor McPherson, 1999 THE STORIES ST NICHOLAS finds an aging jaded theatre critic recounting his obsession with a young actress and how that obsession leads to a journey into a macabre world of vampires from which he almost can't escape 1 man In THIS LIME TREE BOW The Lost Art of Connecting: The Gather, Ask, Do Method for Building Meaningful Business Relationships Susan McPherson, 2021-03-23 Reclaim the power of genuine human connection Networking is often considered a necessary evil for all working professionals With social media platforms like LinkedIn Twitter Instagram and Facebook at our disposal reaching potential investors or employers is much easier Yet these connections often feel transactional agenda driven and dehumanizing leaving professionals feeling burnt out and stressed out Instead we should connect on a human level and build authentic relationships beyond securing a new job or a new investor for your next big idea To build real and meaningful networking contacts we need to go back to basics remembering that technology is a tool and more than just a means to an end We need to tap into our humanity and learn to be more intentional and authentic As a serial connector and communications expert Susan McPherson has a lifetime of experience building genuine connections in and out of work Her methodology is broken down into three simple steps Gather Instead of waiting for the perfect networking opportunity to come to you think outside the box and create your own opportunity Host your own dinner party join a local meet up group or volunteer at your neighborhood food pantry Ask Instead of leading with our own rehearsed elevator pitches asking for help ask to help opening the door to share resources experience contacts and perspectives that add diversity to your own vision Do Turn new connections into meaningful relationships by taking these newly formed relationships deeper Follow through on the promises you made and keep in touch Woven together with helpful tips and useful advice on making the most out of every step this book draws on McPherson's own experience as a renowned serial connector as well as the real life success stories of friends and clients Filled with humor humility and wisdom The Lost Art of Connecting is the handbook we all need to foster personal and professional relationships that blur the lines between work and play and enrich our lives in every way *The Seafarer* Conor McPherson, 2008 THE STORY THE SEAFARER is a chilling new play about the sea Ireland and the power of myth It's Christmas Eve and Sharky has returned to Dublin to look after his irascible aging brother who's recently gone blind Old drinking buddies Ivan and **Hallowed Ground** James M. McPherson, 2015-05-06 In this fully illustrated edition of Hallowed Ground James M McPherson the Pulitzer Prize winning author of Battle Cry of Freedom and arguably the finest Civil War historian in the world walks readers through the Gettysburg battlefield the site of the most consequential battle of the Civil War **Aimee Semple McPherson and the Resurrection of Christian America** Matthew Avery Sutton, 2009-05-31 Matthew Sutton's definitive study of Aimee Semple McPherson reveals the woman most often remembered as the hypocritical vamp in Sinclair Lewis's Elmer Gantry as a trail blazing pioneer **For Cause and Comrades** James M. McPherson, 1997-04-03 General John A Wickham commander of the

famous 101st Airborne Division in the 1970s and subsequently Army Chief of Staff once visited Antietam battlefield Gazing at Bloody Lane where in 1862 several Union assaults were brutally repulsed before they finally broke through he marveled You couldn't get American soldiers today to make an attack like that Why did those men risk certain death over and over again through countless bloody battles and four long awful years Why did the conventional wisdom that soldiers become increasingly cynical and disillusioned as war progresses not hold true in the Civil War It is to this question why did they fight that James McPherson America's preeminent Civil War historian now turns his attention He shows that contrary to what many scholars believe the soldiers of the Civil War remained powerfully convinced of the ideals for which they fought throughout the conflict Motivated by duty and honor and often by religious faith these men wrote frequently of their firm belief in the cause for which they fought the principles of liberty freedom justice and patriotism Soldiers on both sides harkened back to the Founding Fathers and the ideals of the American Revolution They fought to defend their country either the Union the best Government ever made or the Confederate states where their very homes and families were under siege And they fought to defend their honor and manhood I should not like to go home with the name of a coward one Massachusetts private wrote and another private from Ohio said My wife would sooner hear of my death than my disgrace Even after three years of bloody battles more than half of the Union soldiers reenlisted voluntarily While duty calls me here and my country demands my services I should be willing to make the sacrifice one man wrote to his protesting parents And another soldier said simply I still love my country McPherson draws on more than 25 000 letters and nearly 250 private diaries from men on both sides Civil War soldiers were among the most literate soldiers in history and most of them wrote home frequently as it was the only way for them to keep in touch with homes that many of them had left for the first time in their lives Significantly their letters were also uncensored by military authorities and are uniquely frank in their criticism and detailed in their reports of marches and battles relations between officers and men political debates and morale For Cause and Comrades lets these soldiers tell their own stories in their own words to create an account that is both deeply moving and far truer than most books on war Battle Cry of Freedom McPherson's Pulitzer Prize winning account of the Civil War was a national bestseller that Hugh Brogan in The New York Times called history writing of the highest order For Cause and Comrades deserves similar accolades as McPherson's masterful prose and the soldiers own words combine to create both an important book on an often overlooked aspect of our bloody Civil War and a powerfully moving account of the men who fought it *The War That Forged a Nation* James M. McPherson, 2015-02-12 More than 140 years ago Mark Twain observed that the Civil War had uprooted institutions that were centuries old changed the politics of a people transformed the social life of half the country and wrought so profoundly upon the entire national character that the influence cannot be measured short of two or three generations In fact five generations have passed and Americans are still trying to measure the influence of the immense fratricidal conflict that nearly tore the nation apart In *The War that Forged a Nation* Pulitzer Prize winning

historian James M McPherson considers why the Civil War remains so deeply embedded in our national psyche and identity. The drama and tragedy of the war from its scope and size, an estimated death toll of 750,000, far more than the rest of the country's wars combined, to the nearly mythical individuals involved, Abraham Lincoln, Robert E. Lee, Stonewall Jackson, help explain why the Civil War remains a topic of interest. But the legacy of the war extends far beyond historical interest or scholarly attention. Here McPherson draws upon his work over the past fifty years to illuminate the war's continuing resonance across many dimensions of American life. Touching upon themes that include the war's causes and consequences, the naval war, slavery and its abolition, and Lincoln as commander in chief, McPherson ultimately proves the impossibility of understanding the issues of our own time unless we first understand their roots in the era of the Civil War. From racial inequality and conflict between the North and South to questions of state sovereignty or the role of government in social change, these issues McPherson shows are as salient and controversial today as they were in the 1860s. Thoughtful, provocative, and authoritative, *The War that Forged a Nation* looks anew at the reasons America's civil war has remained a subject of intense interest for the past century and a half, and affirms the enduring relevance of the conflict for America today.

Crossing the Finish Line William G. Bowen, Matthew M. Chingos, Michael McPherson, 2009-09-08. Why so many of America's public university students are not graduating and what to do about it. The United States has long been a model for accessible, affordable education, as exemplified by the country's public universities. And yet less than 60 percent of the students entering American universities today are graduating. Why is this happening, and what can be done? *Crossing the Finish Line* provides the most detailed exploration ever of college completion at America's public universities. This groundbreaking book sheds light on such serious issues as dropout rates linked to race, gender, and socioeconomic status. Probing graduation rates at twenty-one flagship public universities and four statewide systems of public higher education, the authors focus on the progress of students in the entering class of 1999, from entry to graduation, transfer, or withdrawal. They examine the effects of parental education, family income, race, and gender, high school grades, test scores, financial aid, and characteristics of universities attended, especially their selectivity. The conclusions are compelling: minority students and students from poor families have markedly lower graduation rates and take longer to earn degrees, even when other variables are taken into account. Noting the strong performance of transfer students and the effects of financial constraints on student retention, the authors call for improved transfer and financial aid policies and suggest ways of improving the sorting processes that match students to institutions. An outstanding combination of evidence and analysis, *Crossing the Finish Line* should be read by everyone who cares about the nation's higher education system.

The Third Option Miles McPherson, 2020-02-25. Miles McPherson, founder of The Rock Church in San Diego, presents a discussion about race that we desperately need. A must-read. Bishop T. D. Jakes, Senior Pastor, The Potter's House, and argues that we must learn to see people not by the color of their skin but as God sees them: humans created in the image of God. Pastor Miles McPherson.

senior pastor of The Rock Church in San Diego addresses racial division a topic many have shied away from for fear of asking the wrong question or saying the wrong thing Some are oblivious to the impact racism has while others pretend it doesn't exist Even the church has been affected by racial division with Sunday now being the most segregated day of each week Christians who are called to love and honor their neighbors have fallen into culture's trap by siding with one group against another us vs them Cops vs protestors Blacks vs whites Racists vs the woke The lure of choosing one option over another threatens God's plan for unity among His people Instead of going along with the culture Pastor Miles directs us to choose the Third Option honoring the priceless value of God's image in every person we meet He exposes common misconceptions that keep people from engaging with those of different racial and ethnic backgrounds and identifies the privileges and pitfalls that we all face The Third Option challenges us to fully embrace God's creativity and beauty as expressed in the diversity of His people By following the steps and praying the prayers outlined in his book Pastor Miles teaches us how we can all become leaders in unifying our communities our churches and the nation

Modern Irish Drama Sanford Sternlicht, 2010-09-03
Modern Irish Drama W B Yeats to Marina Carr presents a thorough introduction to the recent history of one of the greatest dramatic and theatrical traditions in Western culture Originally published in 1988 this updated edition provides extensive new material charting the path of modern and contemporary Irish drama from its roots in the Celtic Revival to its flowering in world theater The lives and careers of more than fifty modern Irish playwrights are discussed along with summaries of their major plays and recommendations for further reading

A Line of Blood Ben McPherson, 2015-09-29 In one of the most entertaining and twisty thrillers of the year a London family a mother father and young son must deal with the murder of their secretive next door neighbor and the intrusive police investigation that follows Readers will be faced with ever shifting and increasingly frightening suspicions that one or all of them had something to do with it Alex Mercer loves his family more than anything His wife Millicent and their precocious eleven year old son Max are everything to him his little tribe When he is with them all is right with the world But when he and Max find their next door neighbour dead in his bathtub their lives are suddenly and irrevocably changed Max is surprisingly fascinated by the dead body and Alex is understandably anxious about how Max will react later once he takes it all in And Alex is increasingly impatient for the police to conclude their investigation and call this the suicide that it so clearly was But as new information surfaces it becomes clear that there is more to this than anyone is saying Why was the neighbour charging his home improvements to the Mercers address How did Millicent's bracelet end up in his apartment And why in fact did Max lead his father into the house on the quiet summer night that they found the corpse As suspicion grows between the three the once close knit family starts to disintegrate Is Alex really the loving husband we believe him to be And where is Millicent really going when she disappears for hours walking the parks of London stewing over something that she can't forget Each of them is suffering Each has something to hide And as each questions how well they really know each other they must decide how far they'll go

to protect themselves and each other from investigators who are watching every move they make Just waiting for someone to make a mistake

Their Biography Kevin McPherson Eckhoff, 2015 Would it be possible to compose a book that appears to be about its author but is indirectly about something else like identity or relationships or language Maybe a book not written by a hero but by many This was the challenge taken up by Kevin McPherson Eckhoff in his fourth book *their biography* an organism of relationships This collaborative memoir collages together word portraits from friends family coworkers strangers robots and even adversaries in order to create a silhouette of not a single person but of the manacles that connect people to one another *their biography* is meant to make people think it s broad array of voices and poetic prosaic forms disturbs comfortable patterns of reading and its subject is as much about the contributors as the author Eclectic and desolate confessional and dubious this record of relationships defies authorship biography and individualism Fans of Gregory Betts s Facebook Poem Project or Rachel Zolf s Tolerance Project along with anyone compelled by contemporary poetry and conceptual art will connect with this pixelated investigation into identity and the true meaning of self as we and others define it

DPS: Catalogue of New Plays 2009-2010 , **Nick Hern Books** Nick Hern Books (London)., Nick Hern Books, Limited, 2006

Sister Aimee Daniel Mark Epstein, 2014-02-11 The true story of America s first superstar evangelist that fills a significant gap in the history of revivalism The New York Times Book Review Once she answered the divine calling Aimee Semple McPherson rose fast from unfulfilled housewife in Rhode Island to miracle woman the most enigmatic pioneering media savvy Christian evangelist in the country She preached up and down the United States traveling in a 1912 Packard with her mother and her children and without a man to fix flat tires Her ministry was rolled out in tents concert halls boxing rings and speakeasies She prayed for the healing of hundreds of thousands of people founded the Foursquare Church and built a Pentecostal temple in Los Angeles of Hollywood epic dimensions Charlie Chaplin advised her on sets But this is not just a story of McPherson s cult of fame It s also the story about its price exhaustion insomnia nervous breakdowns sexual scandals loneliness and the notorious public disgrace that nearly destroyed her A powerhouse biography of perhaps the most charismatic and controversial woman in modern religious history Sister Aimee is above all the life story of a unique woman of the power of passion that rejects compromise and a faith that would not be shaken Kirkus Reviews Told with insight empathy and lyrical power Daniel Mark Epstein sees the facts and feels the mystery and he has written a remarkable book Los Angeles Times

Living with Fire Sara E. Jensen, Guy R. McPherson, 2008-08-04 Fire both inevitable and ubiquitous plays a crucial role in North American ecosystems But as necessary as fire is to maintaining healthy ecosystems it threatens human lives and livelihoods in unacceptable ways This volume explores the rich yet largely uncharted terrain at the intersection of fire policy fire science and fire management in order to find better ways of addressing this pressing dilemma Written in clear language it will help scientists policy makers and the general public especially residents of fire prone areas better understand where we are today in regard to coping with wildfires how we got here and where we need to go Drawing on

abundant historical and analytic information to shed new light on current controversies Living with Fire offers a dynamic new paradigm for coping with fire that recognizes its critical environmental role The book also tells how we can rebuild the important ecological and political processes that are necessary for finding better ways to cope with fire and with other complex policy dilemmas **Dps** , The Wiley Blackwell Companion to Contemporary British and Irish Literature Richard Bradford,Madelena Gonzalez,Stephen Butler,James Ward,Kevin De Ornellas,2020-09-03 THE WILEY BLACKWELL COMPANION TO CONTEMPORARY BRITISH AND IRISH LITERATURE An insightful guide to the exploration of modern British and Irish literature The Wiley Blackwell Companion to Contemporary British and Irish Literature is a must have guide for anyone hoping to navigate the world of new British and Irish writing Including modern authors and poets from the 1960s through to the 21st century the Companion provides a thorough overview of contemporary poetry fiction and drama by some of the most prominent and noteworthy writers Seventy three comprehensive chapters focus on individual authors as well as such topics as Englishness and identity contemporary Science Fiction Black writing in Britain crime fiction and the influence of globalization on British and Irish Literature Written in four parts The Wiley Blackwell Companion to Contemporary British and Irish Literature includes comprehensive examinations of individual authors as well as a variety of themes that have come to define the contemporary period ethnicity gender nationality and more A thorough guide to the main figures and concepts in contemporary literature from Britain and Ireland this two volume set Includes studies of notable figures such as Seamus Heaney and Angela Carter as well as more recently influential writers such as Zadie Smith and Sarah Waters Covers topics such as LGBT fiction androgyny in contemporary British Literature and post Troubles Northern Irish Fiction Features a broad range of writers and topics covered by distinguished academics Includes an analysis of the interplay between individual authors and the major themes of the day and whether an examination of the latter enables us to appreciate the former The Wiley Blackwell Companion to Contemporary British and Irish Literature provides essential reading for students as well as academics seeking to learn more about the history and future direction of contemporary British and Irish Literature **The Night Alive** Conor McPherson,2015-05-15 Tommy s not a bad man he s getting by Renting a run down room in his Uncle Maurice s house just about keeping his ex wife and kids at arm s length and rolling from one get rich quick scheme to the other with his pal Doc Then one day he comes to the aid of Aimee who s not had it easy herself struggling through life the only way she knows how Their past won t let go easily but together there s a glimmer of hope that they could make something more of their lives Something extraordinary Perhaps With inimitable warmth style and craft Conor McPherson s THE NIGHT ALIVE deftly mines the humanity to be found in the most unlikely of situations **Go to My Grave** Catriona McPherson,2018-10-23 From Catriona McPherson the Agatha Award winning author of Quiet Neighbors comes a clever spine tingling standalone Gothic thriller Go to My Grave is both a classic country house mystery and a thriller Atmospheric with mind bending twists a narrator who may or may not be reliable and an ending that will take your breath away and leave you

astonished Louise Penny Donna Weaver has put everything she has into restoring The Breakers an old bed and breakfast on a remote stretch of beach in Galloway Now it sits waiting freshly painted richly furnished filled with flowers for the first guests to arrive But Donna s guests a contentious group of estranged cousins soon realize that they ve been here before years ago Decades have passed but that night still haunts them a sixteenth birthday party that started with peach schnapps and ended with a girl walking into the sea Each of them had made a vow of silence lock it in a box stitch my lips and go to my grave But now someone has broken the pact Amid the home baked scones and lavish rooms someone is playing games locking boxes stitching lips And before the weekend is over at least one of them will go to their grave
