Perry, 2020-07-21 Katherine Gates has been in love with Cash Greer since the moment he saved her life from a runaway goat According to Cash she's the little sister he never had the greatest roommate in the world and his favorite coworker They're friends best friends In the dark days of her youth it was her friendships that kept her alive and made life in a junkyard worth living So she's learned to shove her feelings for Cash down deep even if that means ignoring eyes that shine brighter than the Montana summer sun and the smile that illuminates the snowiest winter day Except with every passing year the denial takes its toll on her wounded heart until one day Katherine decides to take an impulsive road trip to the Oregon coast Alone That is until Cash cons his way into the passenger seat The farther they travel the harder it is to pretend And when she confesses her feelings she learns that Cash has some secrets of his own Secrets that will either bond them together Or rip them apart **The Surveyor**, 1916 The Statutes of California and Amendments to the Codes California, 1906
