deployment Offers comprehensive research on a range of topics related to preventive medicine including a historic perspective on the principles of military preventive medicine national mobilization and training preparation for deployment and occupational and environmental issues during sustainment Creative Capital Spencer E. Ante,2008 Tells the story of Georges Doriot who created the venture capital industry This book traces the events in Doriot s life including his experience as a decorated brigadier general during World War II as a professor at Harvard Business School and as the architect and founder of the first venture capital firm American Research and Development **To the End of the Earth** John C. McManus,2023-05-02 Winner of the Army Historical Foundation Award for Excellence in U S Army Writing From the liberation of the Philippines to the Japanese surrender the final volume of John C McManus s trilogy on the US Army in the Pacific War Brilliant and riveting a truly great book Gen David Petraeus Triumphant and compelling Richard Frank McManus is one of the best if not the best World War II historians working today World War II magazine The dawn of 1945 finds a US Army at its peak in the Pacific Allied victory over Japan is all but assured The only question is how many more months or years of fight does the enemy have left John C McManus winner of the Gilder Lehrman Prize for Military History concludes his magisterial series described by the Wall Street Journal as being as vast and splendid as Rick Atkinson s Pulitzer Prize winning Liberation Trilogy with this brilliant final volume On the island of Luzon a months long stand off between US and Japanese troops finally breaks open as American soldiers push into Manila while paratroopers and amphibious invaders capture nearby Corregidor The Philippines are soon liberated and Allied strategists turn their eyes to China Iwo Jima Okinawa and the Japanese home islands themselves Readers will walk in the boots of American soldiers and officers braving intense heat rampant disease and a by now suicidal enemy determined to kill as many opponents as possible before defeat and they will encounter Japanese soldiers faced with the terrible choice between capitulation or doom At the same time this outstanding narrative lays bare the titanic ego and ambition of the Pacific War s most prominent general Douglas MacArthur and the complex challenges he faced in Japan s unconditional surrender and America s lengthy occupation **The Era of World War II** Louise A. Arnold-Friend,1979 Bullets, Bandages and Beans Alexander F. Barnes,Peter L. Belmonte,2023-07-25 By October 1918 the U S had more than a million men fighting in the Meuse Argonne campaign The American Expeditionary Forces logistics army the Services of Supply SOS provided critical support to the combat forces An enormous array of maintenance medical motor transport railroad quartermaster and engineer units served in this role as well as British women from Queen Mary s Army Auxiliary Corps African American labor and pioneer regiments a U S Marine brigade led by a legendary officer volunteers from the Salvation Army Chinese laborers and even German prisoners of war The SOS kept American soldiers at the front supplied with bullets bandages and beans while repairing weapons producing vast quantities of lumber buying horses from Spain operating a massive railroad network caring for the sick and wounded fighting fires on troopships driving trucks under enemy fire and administering a notorious prison This book gives a full

account of perhaps the most overlooked yet crucial military effort of World War I      **Historical Dictionary of the U.S. Army** Jerold E. Brown, 2000-12-30 Having evolved over the past two and a quarter centuries to become the premier military force in the world the U S Army has a heritage rich in history and tradition This historical dictionary provides short clear authoritative entries on a broad cross section of military terms concepts arms and equipment units and organizations campaigns and battles and people who have had a significant impact on Army It includes over 900 entries written by some 100 scholars providing a valuable resource for the interested reader student and researcher For those interested in pursuing specific subjects further the book provides sources at the end of each entry as well as a general bibliography Appendixes provide a useful list of abbreviations and acronyms and a listing of ranks and grades in the U S Army      **Implacable Foes** Waldo Heinrichs, Marc Gallicchio, 2017-05-01 On May 8 1945 Victory in Europe Day shortened to V E Day brought with it the demise of Nazi Germany But for the Allies the war was only half won Exhausted but exuberant American soldiers ready to return home were sent to join the fighting in the Pacific which by the spring and summer of 1945 had turned into a gruelling campaign of bloody attrition against an enemy determined to fight to the last man Germany had surrendered unconditionally The Japanese would clearly make the conditions of victory extraordinarily high In the United States Americans clamored for their troops to come home and for a return to a peacetime economy Politics intruded upon military policy while a new and untested president struggled to strategize among a military command that was often mired in rivalry The task of defeating the Japanese seemed nearly unsurmountable even while plans to invade the home islands were being drawn Army Chief of Staff General George C Marshall warned of the toll that the agony of enduring battle would likely take General Douglas MacArthur clashed with Marshall and Admiral Nimitz over the most effective way to defeat the increasingly resilient Japanese combatants In the midst of this division the Army began a program of partial demobilization of troops in Europe which depleted units at a time when they most needed experienced soldiers In this context of military emergency the fearsome projections of the human cost of invading the Japanese homeland and weakening social and political will victory was salvaged by means of a horrific new weapon As one Army staff officer admitted The capitulation of Hirohito saved our necks In Implacable Foes award winning historians Waldo Heinrichs a veteran of both theatres of war in World War II and Marc Gallicchio bring to life the final year of World War Two in the Pacific right up to the dropping of the atomic bombs over Hiroshima and Nagasaki evoking not only Japanese policies of desperate defense but the sometimes rancorous debates on the home front They deliver a gripping and provocative narrative that challenges the decision making of U S leaders and delineates the consequences of prioritizing the European front The result is a masterly work of military history that evaluates the nearly insurmountable trials associated with waging global war and the sacrifices necessary to succeed
