*A Few Green Leaves* Barbara Pym, 2023-04-20 Barbara Pym is one of my most favourite novelists Few other writers have given me more laughter and more pleasure Jilly Cooper author of The Rutshire Chronicles series I'm a huge fan of Barbara Pym Richard Osman author of The Thursday Murder Club Barbara Pym was an incomparable chronicler of ordinary quiet lives With warmth humour precision and great vividness she gave her best characters an independent life we recognize as totally familiar In *A Few Green Leaves* her last novel her heroine is Emma Howick anthropologist Through her eyes Barbara Pym examines in her own ironic and individual style the quiet revolution in English village life combining the rural settings of her earliest novels with the themes and characters of her later works The result is a compelling portrait of a town that seems to be forgotten by time but which is unmistakably affected by it Romance shares the pages with death in this engaging novel that is the culmination of Barbara Pym's acclaimed writing career I'd sooner read a new Barbara Pym than a new Jane Austen Philip Larkin author of *A Girl in Winter* Barbara Pym is the rarest of treasures she reminds us of the heart breaking silliness of everyday life Anne Tyler author of *The Accidental Tourist* A modern Jane Austen Alexander McCall Smith author of The No 1 Ladies Detective Agency series

Jane and Prudence

Barbara Pym,2013-01-22 The author of *Excellent Women* explores female friendship and the quiet yearnings of British middle class life a literary delight for fans of Jane Austen Jane Cleveland and Prudence Bates were close friends at Oxford University but now live very different lives Forty one year old Jane lives in the country is married to a vicar has a daughter she adores and lives a very proper life in a very proper English parish Prudence a year shy of thirty lives in London has an office job and is self sufficient and fiercely independent until Jane decides her friend should be married Jane has the perfect husband in mind for her former pupil a widower named Fabian Driver But there are other women vying for Fabian s attention And Pru is nursing her own highly inappropriate desire for her older married and seemingly oblivious employer Dr Grampian What follows is a witty delightful trenchant story of manners morals family and female bonding that redefines the social novel for a new generation

**A Betrayal in Winter** Daniel Abraham,2007-08-21 Daniel Abraham delighted fantasy readers with his brilliant original and engaging first novel *A Shadow in Summer* Now he has produced an even more powerful sequel a tragedy as darkly personal and violent as Shakespeare s *Macbeth* As a boy Otah Machi was exiled from his family Machi s ruling house Decades later he has witnessed and been part of world changing events Yet he has never returned to Machi Now his father the Khai or ruler of Machi is dying and his eldest brother Biitrah has been assassinated Otah realizes that he must return to Machi for reasons not even he understands Tradition dictates that the sons of a dying Khai fall upon each other until only one remains to succeed his father But something even worse is occurring in Machi The Galts an expansive empire has allied with someone in Machi to bring down the ruling house Otah is accused the long missing brother with an all too obvious motive for murder With the subtlety and wonderful storytelling skill of his first novel Abraham has created a masterful drama filled with a unique magic a suspenseful thriller of sexual betrayal and Machiavellian politics At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied [Some Tame Gazelle](#)

**The Accidental** Ali Smith,2007-04-10 Filled with the bestselling award winning author s trademark wordplay and inventive storytelling here is the dizzyingly entertaining wickedly humorous story of a mysterious stranger whose sudden appearance during a family s summer holiday transforms four variously unhappy people Each of the Smarts parents Eve and Michael son Magnus and the youngest daughter Astrid encounter Amber in his or her own solipsistic way but somehow her presence allows them to see their lives and their life together in a new light Smith s narrative freedom and exhilarating facility with language propel the novel to its startling wonderfully enigmatic conclusion
