Beezley, Linda Ann Curcio, 2012 This unique reader offers an engaging collection of essays that highlight the diversity of Latin America's cultural expressions from independence to the present Exploring such themes and events as funerals dance and music letters and literature spectacles and monuments and world's fairs and food a group of leading historians examines the ways that a wide range of individuals with copious at times contradictory motives attempted to forge identity turn the world upside down mock their betters forget

their troubles through dance express love in letters and altogether enjoy life The authors analyze case studies from Argentina Brazil the Dominican Republic Ecuador Mexico Nicaragua Peru and Trinidad Tobago tracing as well how their examples resonate in the rest of the region They show how people could and did find opportunities to escape if only occasionally their daily drudgery making lives for themselves of greater variety than the constant quest for dominance drive for profits or knee jerk resistance to the social or economic order so often described in cultural studies Instead this rich text introduces the complexity of motives behind and the diversity of expressions of popular culture in Latin America **Perpetuas**

compositores intérpretes directores Algún lector pensar que faltan protagonistas y tendrían razón No tiene propósito exhaustivo y menos aún docente abarca más de 1 400 artistas que pertenecen a diversos tiempos y latitudes El criterio ha sido amplio y participan músicos del real popular entre los que se cuentan los que los que crearon o interpretaron obras de concierto También parece conveniente dar espacio a los empresarios y mecenas que brindaron su apoyo sin los cuales el panorama sería distinto Incluso los capaces de pronunciar con familiaridad nombres como Beethoven y Chopin tienen problemas cuando se habla de Berlioz y hay quienes no saben si Luigi Nono es un compositor o el nombre de un laboratorio químico Para todos ellos está dirigido este libro confiando en haber superado las preferencias del corazón y del oído

Artistas en la memoria Leonardo Depestre Catony, 2017-10-01 Artistas en la memoria recorre el período que se inicia con la llegada de la radio a Cuba en los años veinte y continúa con la irrupción del cine y la televisión en los años cincuenta del pasado siglo Sus páginas ofrecen al lector la posibilidad de dar vuelo a los recuerdos reviviendo las visitas de artistas foráneos de gran popularidad en nuestro país

Identity Mediations in Latin American Cinema and Beyond Cecilia Nuria Gil Mariño, Laura Miranda, 2019-09-12 The appearance of sound film boosted entertainment circuits around the world drawing cultural cartographies that forged images of spaces nations and regions By the late 1920s and early 30s film played a key role in the configuration of national and regional cultural identities in incipient mass markets Over the course of the twentieth and early twenty first centuries this transmedia logic not only went unthreatened but also intensified with the arrival of new media and the development of new technologies In this respect this book strikes a dialogue between analyses that reflect the flows and transits of music films and artists mainly in the Ibero American space although it also features essays on Soviet and Asian cinema with a view to exploring the processes of configuration of cultural identities As such this work views national borders as flexible spaces that permit an exploration of the appearance of transversal relations that are part of broader networks of circulation as well as economic social and political models beyond the domestic sphere
