provides a wealth of information and made our stay much more enjoyable than if we just went there not knowing anything. We brought it along and it was a very important reference for us as we toured the province. I highly recommend it. After reading several travel books, this was the best one and the only one we took on our trip. DM Dugan. This book is excellent. What I particularly liked was that it mentioned small walks that can be taken in the areas that we visited as well as archeological sites and wildlife viewing areas all in my areas of interest. Sheila Ferrari. We love eastern Canada and have traveled there many times. There are parts described in this book that we have not seen and would love to see. R Satelmajer.
