## **Quebec Ou Survit Lancienne France:**

Le province de Quebec André Beaulieu, W.F.E. Morley, Benôit Bernier, Agathe Garon, 1971-12-15 There is no doubt that local and regional history considered by many as a kind of minor historical study has a pressing need for a systematic inventory of its resources This collection shows the durability the vividness and the astonishing productivity of a sector of history which is the stronghold of the history lover rather than the professional historian The nature and content of each book determines its selection For each book included the compilers have weighed its contribution to local history and regional history rather than the style in which it is written narrative memoir descriptive study or novel It is this criterion of selection that has permitted the retention of several general histories of a varied nature Bouchette Charlevoix Nicholas Denys La Potherie Lescarbot Hanotaux Sulte etc where local and regional life takes on a major importance for reasons of order in history method or quite simply because local life is the principal object of the study itself The editors have also retained certain works those of George W Brown Arthur Buies George M Grant Blodwen Davies etc because they are primarily descriptive and contain numerous elements in which local history blends with the manners and customs of the inhabitants of certain regions This bibliography is designed primarily for historiographers who have until now paid little attention to local regional or parochial history It will also be invaluable for librarians who suffer from the numerous difficulties involved in the classification of such works Since 1950 all works published in Canada are by virtue of the book deposit law provided to the National Library of Canada and recorded in Canadiana

*Celebrating Canada* Peter E. Baker, 2017-06-03 A visual journey showcasing how history can make a house a home a reminder of the strength of character and ingenuity entrenched in Canada s history Inspired by the 150th anniversary of Canadian confederation the same year recognizing 375 years of settlement in Montreal Quebec antiques professional Peter E Baker brings life to Canadian history and demonstrates how antiques and folk art can successfully be incorporated into a contemporary lifestyle providing a home with a unique identity Drawing from a single collection the author selects and showcases objects spanning three centuries of Canadian history from the early days of French settlement to the creative boom of late 20th century folk artists Amply illustrated and written in a conversational easy to read style this is not a traditional technical study of antiques representing a specific type or region Celebrating Canada showcases the story and the artistic merits of each object

Georges Gauthier-Larouche,1974 **Iconographie d'une littérature L'** Stéphanie Danaux,2013-09-10T00:00:00-04:00 Cet ouvrage retrace les tapes de l'essor du livre au Québec de son apparition vers 1840 jusqu'à 1940. Quelles sont les conditions de convergence et de développement de ce fascinant corpus d'oeuvres? De quelle façon l'illustration constitue-t-elle un dispositif artistique voué à elle-même vers une première modernité associée au maintien des traditions iconographiques locales? Comment enfin par l'action commune d'illustrateurs, d'auteurs et de diffuseurs cet art s'oriente-t-il vers une production autonome et originale nourrie par un processus complexe d'appropriation des modèles étrangers, notamment français? L'intersection de l'histoire de l'art et de l'histoire du livre. L'iconographie d'une littérature met en lumière la tonnante singularité de cette production dans ses aspects iconographiques techniques et stylistiques. **The French Review** James Frederick Mason, Hélène Josephine Harvitt,1947 **Charlevoix, ou, La création d'une région folklorique** Serge Gauthier,2006 *Francophones et citoyens du monde* Annie Pilote,2014-03-17T00:00:00-04:00 L'éducation et l'identité prennent une importance dans la francophonie canadienne. En effet, la transmission de la langue et de la culture d'expression française est au cœur de la mission éducative des établissements scolaires francophones. Comment les individus se positionnent-ils face à cet enjeu linguistique et culturel? Dans quelle mesure leur engagement social traduit-il des préoccupations relatives à l'avenir du fait français en Amérique par rapport à d'autres causes? Grâce aux contributions rassemblées dans cet ouvrage, ce sont la fois des francophones et des citoyens du monde qui se retrouvent en nous invitant à observer de près la diversité des pratiques sociales et des expressions identitaires qui caractérisent la francophonie canadienne d'aujourd'hui et plus particulièrement sa jeunesse.
