Conor, Volume I Donald Harman Akenson, 1994-09-07 The career of Conor Cruise O'Brien reads like the work of several people not just one Having served as a diplomat under Sean MacBride he came to world prominence as special representative to Dag Hammarskjöld Secretary General of the United Nations in the then Congo Squeezed ruthlessly by big power politics he resigned and wrote *To Katanga and Back* 1962 a classic in modern African history and still the only book to get behind the polished marble facade to reveal how the United Nations works O'Brien then became Vice Chancellor of the University of Ghana and battled for academic freedom against one of the most amiable of tyrants Kwame Nkrumah He moved on to become the first incumbent of the Schweitzer Chair at New York University His relations with the New York intellectuals of the time were productive acrimonious sometimes comic and part of a central chapter in the intellectual history of America in the 1960s From 1969 to 1977 O'Brien was probably the most hated person in Ireland as well as one of the most heroic One of the first to see the fascistic nature of the Provisional IRA he began an unrelenting campaign against its terrorism In that campaign he called into question the basic myths upon which the Irish republic was constructed His *States of Ireland* 1972 is the most publicly influential piece of Irish historical writing since John Mitchel's *The Last Conquest of Ireland* 1860 and many students of Irish history believe that O'Brien's work in the 1970s was crucial to averting civil war in Ireland Whatever one thinks about this extraordinary man one cannot ignore him He may well be the most important Irish nonfiction writer of the twentieth century with writings as widely scattered as they have been influential Volume I Narrative is the biography of one of the most controversial engaging and courageous individuals of this century Volume II Anthology brings together his best short pieces many of which originally appeared in such periodicals as the *Spectator* the *New Republic* Harper's the *Atlantic* the *New Statesman* the *Observer* and the *New York Review of Books* and have never been reprinted A complete bibliography of O'Brien's work is also provided
