Queen Bess The Unauthorized Biography Of Bess Myerson:

Queen Bess Jennifer Preston,2016-03-29 This fascinating biography details the rise of the first Jewish Miss America TV star and political player and the scandal that toppled her career The New York Times When Bess Myerson the Bronx born daughter of Jewish immigrants was crowned Miss America in 1945 she was determined to break down gender barriers and be more than a beauty queen Amid rampant anti-Semitism she took advantage of her reign to call for an end to bigotry and hate Then after more than two decades as a glamorous television personality Myerson took on corporate America applying her celebrity as a consumer advocate to become an influential New York City political figure credited with helping elect Mayor Edward I Koch But behind the glittering public image Myerson struggled with unhappy marriages Then in her early sixties she found love with a much younger married man The romance put her at the center of a political corruption scandal that led to federal charges brought by US Attorney Rudolph W Giuliani ending the reign of Queen Bess New York's favorite daughter after more than forty years Award winning investigative journalist Jennifer Preston reveals Myerson's fascinating life story in this engaging biography Featuring interviews with Myerson herself and a new introduction from the author Queen Bess remains the most comprehensive account of this ambitious and talented woman who inspired entertained and shocked millions

Bessie Linda Kass,2023-09-12 Just days after the close of World War II Bess Myerson the daughter of poor Russian Jewish immigrants living in the Bronx is competing in the Miss America pageant At stake a 5 000 scholarship The tension and excitement in Atlantic City's Warner Theatre are palpable especially for traumatized Jews rooting for one of their own So begins Bessie Drawing on biographical and historical sources Bessie reimagines the early life of Bess Myerson who in 1945 at age twenty one remarkably rises to become one of the most famous women in America This intimate fictional portrait reveals the transformation of the nearly six foot tall self deprecating yet talented preteen into an exemplar of beauty a peripheral quality in her world where success is measured by intellectual attainment Yet it is the focus on her beauty and the secular world of pageantry that she must choose to escape her roots and fulfill her fierce desire to achieve and become someone for whom great things happen Bessie is a tender study of a bold young woman living at a precarious moment in our cultural history as she searches for love and acceptance eager to make her mark on the world Here She Is Hilary Levey

Friedman,2020-08-25 A fresh exploration of American feminist history told through the lens of the beauty pageant world Many predicted that pageants would disappear by the 21st century Yet they are thriving America's most enduring contest Miss America celebrates its 100th anniversary in 2020 Why do they persist In Here She Is Hilary Levey Friedman reveals the surprising ways pageants have been an empowering feminist tradition She traces the role of pageants in many of the feminist movement's signature achievements including bringing women into the public sphere helping them become leaders in business and politics providing increased educational opportunities and giving them a voice in the age of MeToo Using her unique perspective as a NOW state president daughter to Miss America 1970 sometimes pageant judge and scholar

Friedman explores how pageants became so deeply embedded in American life from their origins as a P T Barnum spectacle at the birth of the suffrage movement through Miss Universe's bathing beauties to the talent and achievement based competitions of today She looks at how pageantry has morphed into culture everywhere from The Bachelor and RuPaul's Drag Race to cheer and specialized contests like those for children Indigenous women and contestants with disabilities Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies including Miss America's ableist and racist history Trump's ownership of the Miss Universe Organization and the death of child pageant winner JonBenét Ramsey Presenting a more complex narrative than what's been previously portrayed Here She Is shows that as American women continue to evolve so too will beauty pageants **Fashioning**
