King Charles III Mike Bartlett, 2016-05-16 THE STORY The Queen is dead After a lifetime of waiting the prince ascends the throne A future of power But how to rule Mike Bartlett's controversial play explores the people beneath the crowns the unwritten rules of our democracy and the conscience of Britain's most famous family

The Rise of Female Kings in Europe, 1300-1800 William Monter, 2012-01-24 In this lively and pathbreaking book William Monter sketches Europe's increasing acceptance of autonomous female rulers between the late Middle Ages and the French Revolution Monter surveys the governmental records of Europe's thirty women monarchs the famous Mary Stuart Elizabeth I Catherine the Great as well as the obscure Charlotte of Cyprus Isabel Clara Eugenia of the Netherlands describing how each of them achieved sovereign authority wielded it and more often than men abandoned it Monter argues that Europe's female kings who ruled by divine right experienced no significant political opposition despite their gender

The King and Queen of Malibu: The True Story of the Battle for Paradise David K. Randall, 2016-03-02 A true story of the battle for paradise men and women fighting for a slice of earth like no other New York Times Book Review Frederick and May Rindge the unlikely couple whose love story propelled Malibu's transformation from an untamed ranch in the middle of nowhere to a paradise seeded with movie stars are at the heart of this story of American grit and determinism He was a Harvard trained confidant of presidents she was a poor Midwestern farmer's daughter raised to be suspicious of the seasons Yet the bond between them would shape history The newly married couple reached Los Angeles in 1887 when it was still a frontier and within a few years Frederick the only heir to an immense Boston fortune became one of the wealthiest men in the state After his sudden death in 1905 May spent the next thirty years fighting off some of the most powerful men in the country as well as fissures within her own family to preserve Malibu as her private kingdom Her struggle one of the longest over land in California history would culminate in a landmark Supreme Court decision and lead to the creation of the Pacific Coast Highway The King and Queen of Malibu traces the path of one family as the country around them swept off the last vestiges of the Civil War and moved into what we would recognize as the modern age The story of Malibu ranges from the halls of Harvard to the Old West in New Mexico to the beginnings of San Francisco's counter culture amid the Gilded Age

and culminates in the glamour of early Hollywood all during the brief sliver of history in which the advent of railroads and the automobile traversed a beckoning American frontier and anything seemed possible

Sacred Starts MD Sharr, 101-01-01 The idea behind this book came from watching countless parents struggle to find the right name something not too common yet not so unusual that it becomes unrelatable something meaningful but also easy to pronounce across cultures and languages something spiritual but also timeless and fitting for today's generation Choosing a name in the Hindu tradition is often influenced by astrology religion family expectations linguistic beauty and even numerology Yet despite so many considerations what every parent truly seeks is a name that feels just right a name that instantly speaks to the heart This book is created to support that journey of discovery We understand that choosing the right name can feel overwhelming at times but we want to assure you that you're not alone Sacred Starts is here to guide you with clarity warmth and careful research Every name in this book has been handpicked with thoughtfulness and wherever applicable we've included meanings origins and contextual references so you can understand the story each name carries These names are not just labels they are carriers of tradition emotion and identity We also believe that there's nothing wrong with wanting your child to have a name that stands out A name can be a quiet whisper of uniqueness a gentle mark of individuality in a crowd Originality in naming is not about being odd it's about being authentic And authenticity requires attention care and yes sometimes a little extra research That's why this book goes beyond the usual and brings you a carefully curated blend of both classic and contemporary Hindu baby names
