This collectible volume features illustrations and decorations throughout, illustrated endpapers, a stunning full color jacket with embossed foil and gold stamping, a cast list, maps, and an introduction by the author.

Queen of None Natania Barron, 2024-05-21. First in a sumptuous female-led Arthurian Fantasy Romance trilogy. When Anna Pendragon was born, Merlin prophesied: "Through all the ages and in the hearts of men, you will be forgotten." Married at twelve and a mother soon after, Anna, the famed King Arthur's sister, did not live a young life full of promise. Myth and legend bore three strong sons, and she delivered the kingdom of Orkney to her brother by way of her marriage. She did as she was asked, invisible and useful for her name, her status, her dowry, and her womb. Twenty years after she left her home, Anna returns to Caelon at Arthur's bidding, carrying the crown of her now dead husband, Lot of Orkney. Past her prime and confined to the castle itself, she finds herself yet again a pawn in greater machinations and seemingly helpless to do anything about it. Anna must once again face the demons of her childhood: her sister Morgene Elaine and Morgause, Merlin, and his scheming Avillion priests, and Bedevere, the man she once loved. To say nothing of new court visitors like Lancelot or the trouble concerning her own sons, Caelon, and all of Braetan is changing, though, and Anna must change along with it. New threats, inside and out, lurk in the shadows, and a strange power begins to awaken in her. As she learns to reconcile her dark gift and struggles to keep the power to herself, she must bargain her own strength and family against her ambition and thirst for revenge.

Two Rogues Make a Right Cat Sebastian, 2020-06-23. Will Sedgwick can't believe that after months of searching, his oldest friend Martin Easterbrook is found hiding in an attic like a gothic nightmare. Intent on nursing Martin back to health, Will kindly kidnaps him and takes him to the countryside to recover, well away from the world. Martin doesn't much care where he is or even how he got there. He's much more concerned that the man he's loved his entire life is currently waiting on him, hand and foot, feeding him soup and making him tea. Martin knows he's a lost cause; one he doesn't want Will to waste his life on. As a lifetime of love transforms into a tender passion, both men, always desired but neither expected, can they envision a life free from the restrictions of the past, a life with each other.

The Odds of You

and Me Cecilia Galante,2017-01-31 In the vein of Meg Donohue and Sarah Jio Cecilia Galante's second novel delivers the powerful story of one young woman who's faced with an impossible choice one that could have her making the biggest mistake of her life Thirteen days That's all Bernadette Bird Sincavage has left to go until she's done with her probation and can be free again Free from making payments to the supermarket she wrote bad checks to Free from living at home with her overzealous mother who's constantly nagging her about attending church again Free to give her four year old son Angus the normal life he deserves Her impending freedom and move to Moon Lake where she's plunked down a deposit on a brand new apartment is so close she can almost taste it What trouble could she possibly get into in just thirteen days But trouble does follow in the form of James Rittenhouse someone she worked with a few years ago At first Bird is stunned to see James make the evening news when he's arrested for assaulting someone in a local bar But that's nothing compared to the shock she gets when she discovers James hiding out in an abandoned church choir loft Somehow he escaped police custody broke his leg and got his hand on a gun which he's now pointing at her Although Bird doesn't tell anyone she saw James there's no way she's helping him She can't screw up her probation or her second chance for a new future And she has her son's welfare to think about Still If only she could stop thinking about the terrified look in James eyes and the fact that he's hurt If only she could forget that once long ago James helped her out and she owes him a debt like no other Will Bird jeopardize her future for someone who helped her out in the past A past that holds secrets she's not quite sure she's ready to face Or will she turn a blind eye and learn to live with the consequences
