the first novel in a series set in the world of Buffy the Vampire Slayer that introduces a new Slayer as she grapples with the responsibility of managing her incredible powers that she's just beginning to understand. Into every generation a Slayer is born. Nina and her twin sister Artemis are far from normal. It's hard to be when you grow up at the Watcher's Academy, which is a bit different from your average boarding school. Here, teens are trained as guides for Slayers: girls gifted with supernatural strength to fight the forces of darkness. But while Nina's mother is a prominent member of the Watcher's Council, Nina has never embraced the violent Watcher lifestyle. Instead, she follows her instincts to heal, carving out a place for herself as the school medic. Until the day Nina's life changes forever. Thanks to Buffy, the famous and infamous Slayer that Nina's father died protecting, Nina is not only the newest Chosen One, she's the last Slayer ever. Period. As Nina hones her skills with her Watcher in training, Leo, there's plenty to keep her occupied: a monster fighting ring, a demon who eats happiness, a shadowy figure that keeps popping up in Nina's dreams. But it's not until bodies start turning up that Nina's new powers will truly be tested, because someone she loves might be next. One thing is clear: Being Chosen is easy. Making choices is hard.
