**Queen City Refuge** Abraham J. Peck,Uri D. Herscher,1989 Describes the reception of Jewish refugees from Nazi Germany and Austria by members of Cincinnati s German Jewish community Includes interviews with refugees who arrived during the 1930s and after 1945 their children representatives of communal agencies and individuals who assisted them which were carried out in 1980 81 in a joint oral history project by the National Council of Jewish Women and the American Jewish Archives of Hebrew Union College They also relate their experiences in Nazi Germany and various other countries during the war Germany On Their Minds Anne C. Schenderlein,2019-10-03 Throughout the 1930s and early 1940s approximately ninety thousand German Jews fled their homeland and settled in the United States prior to that nation closing its borders to Jewish refugees And even though many of them wanted little to do with Germany the circumstances of the Second World War and the postwar era meant that engagement of some kind was unavoidable whether direct or indirect initiated within the community itself or by political actors and the broader German public This book carefully traces these entangled histories on both sides of the Atlantic demonstrating the remarkable extent to which German Jews and their former fellow citizens helped to shape developments from the Allied war effort to the course of West German democratization
