The Friersons of Zion Church and Their Descendants (Classic Reprint) Theodore Frierson Stephenson, 2018-10-29
Excerpt from The Friersons of Zion Church and Their Descendants Judge Fleming in his Genealogy of the Frierson Family anticipates a query and makes an answer in these words It might be asked why I William Fleming take so much interest in preserving the genealogy of the Frierson family as to write it up at length I can simply answer that both my grandmothers were Friersons which really makes me about as much Frierson as those who bear the name I Theodore Frierson Stephenson can make like reply both my grandmothers were Friersons Paternal from two lines William 3 3 and maternal Robert 5 b And another personal statement I may be permitted to make I have been gratified and very pleased to find in compiling this genealogy so many bearing as a middle name my surname This I esteem an unsolicited compliment to the Stephenson name And too I may adopt the words of Hon William Stuart Fleming J r who added to the original genealogy the Sketch of Zion Church and published that first book on the subject I trust that present and future generations may not only be interested in but profited by learning who their ancestors were and how they loved and honored the living God and how He blessed and cared for them For this purpose this book is published We regret the omission of the name from this volume of any individual on this American continent in whose veins Frierson blood flows Should this book fall into the hands of such individuals sufficiently interested to send their records we will gladly arrange and preserve them for use in another edition of this genealogy More than a half century has passed since the former compilation was made Doubtless before so long a time has passed again some interested person will carry on For such a person we will prepare and bequeath such records as may come to hand About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve

Berkhofer Jr., 2014-07-15 The great pre Civil War attempt of Protestant missionaries to Christianize Native Americans is found

by Robert F Berkofer Jr to be a significant point of contact with enduring lessons for American thought The irony displayed by this relationship he says did not really lie in the disparity between Anglo Saxon ideals and the actual treatment of first peoples but in the failure of all including the missions to see that both sides had ultimately behaved according to their cultural values Using the records of missions to sixteen tribes in various regions of the United States Berkofer has carefully followed the hopeful efforts of sixty five years The ultimate outcome when the Civil War brought most of the missions to an end was only a nominal conversion of Native Americans despite the unflagging optimism of missionaries struggling against cultural barriers
