## **Queenies Major Problem:**

**Queenie's Major Problem** Garland Ladd, 2001-04-04 When severe guilt and depression afflicts a person life hardly seems worth living It overshadows everything else creating behavior and an attitude that conflicts with society at every turn Skills efficiency and personal relationships suffer and paranoia becomes a constant companion Major Ramsey the lead character in Queenie's Major Problem found himself in that dilemma at the age of thirty two just when his career had taken a meteoric rise His superior at a nationally known corporation empathized with Major recognized that there were valid reasons for his down state and gambled that Major might find himself given release from job pressures and demands of his community Thus the considerate superior offered Major an unpaid leave of absence from his position which became the vote of confidence that prevented Major from ending his misery with a bullet Although religious and moral Major didn't have Job's sound faith in God to sustain him during his period of mourning and self incrimination Self hate and desire for punishment completely dominated Major because everything pointed to him as being responsible for the deaths of his parents wife and two small children Their deaths happened in two separated incidents only six weeks apart removing the five people most important in his life He wanted to die and find relief from his pain but earnestly desired atonement for his sins and guilt before moving to the hereafter whatever that might be in his case So when the offer of a leave of absence arose Major decided to sell everything he owned and use the meager proceeds to finance a year long trek of the United States shanks mare walking without purpose or destination living at only subsistence levels and punishing his body as just rewards for his transgressions to his family and society His year of trekking would end in finding peace and atonement or else the inevitable bullet would find the proper place to end his misery At the outset Major imposed difficult commandments for the road for himself and had an inkling that the trek would be demanding precisely the punishment he thought he deserved However he had no way of knowing where his travels would lead nor how the varied experiences he would face could impact his mental well being and future It began rudely when an unfriendly hunting dog peed on Major's sleeping bag while he cringed inside hoping not to be attacked Assaults by ants leeches and hoodlums added to his desired misery Other encounters quickly showed that many people have severe problems and he helped many of them over major life hurdles Those occasions caused him to look outwardly instead of inwardly and his self esteem began to rise A chance encounter with an attractive young lady created a new dimension to his life but neither she nor anything else deterred him from finding the relief he sought At the end of the test year Major was greatly affected by the numerous events during his trek some delightful some dangerous and harrowing and some were inspiring and uplifting Major concluded that he could reasonably expect a normal life even one that included painful memories and shame for his past sins One of his self imposed rules for the year was to completely sever ties with his former life and was unaware of surprising developments that had a bearing on his misery Crusades end eventually some in dignity and accomplishments some causing misery and some with the crusader finding his or her elusive

Holy Grail Major's yearlong crusade ended with startling surprises with him finding a Holy *Queenie Jean Is in Trouble Again* Christine Read, 2024-05-15 The chaotic confusing funny and inspiring story of ten year old Queenie and her mission to fit in and make friends at her new school while figuring out how to manage her ADHD When ten year old Queenie and her family move from small town Ontario to a glitzy suburb of Vancouver she is desperate to fit in and make a best friend for the first time in her life With her creativity and bubbly personality Queenie arrives at Western Canada Preparatory School ready to win over her classmates and conquer the world But even before the first bell rings she finds herself in trouble From always being late to talking out of turn to never being able to focus Queenie stands out like a sore thumb especially among the cool girls she wants to impress Hardest of all she has a secret She's been diagnosed with ADHD and she hates how different it makes her feel After struggling to navigate her new world dreaming up ill advised schemes to make the other kids like her she must face her greatest fear of all making a speech in front of the whole school that will show everyone her true self

Ruff vs. Fluff (A Queenie and Arthur Novel) Spencer Quinn, 2019-03-26 New York Times bestseller Spencer Quinn returns with a laugh out loud series about the most epic rivalry of our time Arthur the dog vs Queenie the cat From the outside Queenie the cat and Arthur the dog appear to have a lot in common Both pets live in the charming Blackberry Hill inn They both love their humans twins Harmony and Bro They both have a fondness for sausage But that doesn't change the fact that they are mortal enemies Goofy big hearted Arthur loves everyone he's ever met except the snobby scheming cat who's devoted her life to ruining his Queenie is a bit choosier And who can blame her When you're brilliant AND exquisitely beautiful you can't be expected to rub tails with commoners Especially not slobbery dogs But when the twins beloved cousin is framed for murder Queenie and Arthur must work together to clear his name something Queenie finds even more distasteful than inexpensive caviar Can two enemies put aside their differences long enough to solve the mystery *Queenie* Jacqueline Wilson, 2013-09-26 It's 1953 the year Elizabeth is to be crowned Queen of England Elsie Kettle can't wait to go to London to see the celebrations on Coronation Day Elsie lives with her Nan her mum works as a showgirl so she's not around very often Spirited and imaginative but often lonely Elsie longs for a best friend Luckily she and Nan are very close Elsie just wishes she was allowed a cat to keep her company sometimes Then tragedy strikes Nan and Elsie both fall ill with tuberculosis and Elsie finds herself whisked away to the children's ward of the hospital Confined to bed for months on end Elsie finds it very hard to adapt to the hospital's strict regime But she invents astonishing ways of entertaining the other children on the ward and for the first time finds herself surrounded by true friends including Queenie the hospital's majestic white cat Finally Elsie is well enough to leave hospital But before she does she has one very special very unexpected visitor A master storyteller The Good Book Guide Gina, Queenie, and Brownie and the Men Who Loved Them F.B.
