Queens Bush Settlement Black Pioneers 1839-1865:

The Queen's Bush Settlement Linda Brown-Kubisch, 2004-02-20 The Black pioneers 1839-1865 who cleared the land and established the Queen's Bush settlement in that section of unsurveyed land where present day Waterloo and Wellington counties meet near Hawkesville are the focus of this extensively researched book. Linda Brown-Kubisch's attention to detail and commitment to these long neglected settlers re-establishes their place in Ontario history. Set in the context of the early migration of Blacks into Upper Canada, this work is a must for historians and for genealogists involved in tracing family connections with these pioneer inhabitants of the Queen's Bush. In the 19th century, one of the most important areas of settlement for fugitive American slaves was the Queen's Bush, then an isolated region in the backwoods of Ontario. Despite much recent attention to African Canadian history, the Queen's Bush remains a remote territory for historical scholarship. Linda Brown-Kubisch offers a pioneering entry into that gap. With a jeweller's eye for the biological subject, Brown-Kubisch introduces the courageous Black adventurers and the hardships they faced in Canada. James Walker, Professor of History, University of Waterloo and author of *The Black Loyalists* (1976, 1992) and *Race Rights and the Law* (1997) *The Queen's Bush Settlement* Linda Brown-Kubisch, 2004-02-20 The Black pioneers who established the Queen's Bush settlement where present day Waterloo and Wellington counties meet are the focus of this extensively researched book. [The Black Baptist Experience in Canada](#) Gordon L. Heath, Dudley A. Brown, 2025-04-08 This groundbreaking book is a history of the Black Baptist experience in Canada. It includes diverse and informative chapters on events, themes, and organizations such as the underground railway, gender, architecture, literature, civil rights, empire, and associations. It also focuses on several key early churches from the West Coast to the East Coast along with important personages such as Washington Christian, Jennie Johnson, David George, William White, William Troy, and William M. Mitchell. *The Journey from Tollgate to Parkway* Adrienne Shadd, 2010-12-14 When the Lincoln Alexander Parkway was named, it was a triumph not only for this distinguished Canadian but for all African Canadians. *The Journey from Tollgate to Parkway* looks at the history of Blacks in the Ancaster-Burlington-Hamilton area, their long struggle for justice and equality in education and opportunity, and their achievements presented in a fascinating and meticulously researched historical narrative. Although popular wisdom suggests that Blacks first came via the Underground Railroad, the possibility that slaves owned by early settlers were part of the initial community, then known as the Head of the Lake, is explored. Adrienne Shadd's original research offers new insights into urban Black history, filling in gaps on the background of families and individuals who are very much part of the history of this region while also exploding stereotypes such as that of the uneducated, low-income early Black Hamiltonian. **William Wye Smith** Scott A. McLean, Michael E. Vance, 2008-11-10 Many writers of the late nineteenth and early twentieth centuries emphasized the virtues of early rural pioneers and life on the land as a general criticism of what they perceived to be the negative, alienating influence of Ontario's rapid urban and industrial expansion. Such work often highlighted the difficulties the recent emigrant

faced the clearing of forest and the breaking of new ground the isolation and long Canadian winters however they in turn celebrated the progress demonstrated in the pioneer s domination over nature the establishment of thriving communities and the extension of transportation networks William Wye Smith a popular nineteenth century Upper Canadian poet was no exception Smith prepared his *Canadian Reminiscences* a hand written compilation of anecdotes collected during his lifetime that relate to his experience as journalist clergyman and son of Scottish settlers to provide his own unique perspective of pioneer life This fully annotated version of Smith s unpublished manuscript highlights Smith s unwitting testimony to the social life of the province his relationship to the construction and maintenance of Scottish and Canadian identity as well as his position in literary history

The Promised Land Boulou Ebanda de B[é]ri,Nina Reid-Maroney,Handel Kashope Wright,2014-01-01 Eschewing the often romanticized Underground Railroad narrative that portrays southern Ontario as the welcoming destination of Blacks fleeing from slavery *The Promised Land* reveals the Chatham Kent area as a crucial settlement site for an early Black presence in Canada The contributors present the everyday lives and professional activities of individuals and families in these communities and highlight early cross border activism to end slavery in the United States and to promote civil rights in the United States and Canada Essays also reflect on the frequent intermingling of local Black White and First Nations people Using a cultural studies framework for their collective investigations the authors trace physical and intellectual trajectories of Blackness that have radiated from southern Ontario to other parts of Canada the United States the Caribbean and Africa The result is a collection that represents the presence and diffusion of Blackness and inventively challenges the grand narrative of history
