Queen and Princess Margaret      The Jewels of Queen Elizabeth II Leslie Field,1992 Presents the English monarchy s family owned jewels and details the history of the collection      **The Queen** Catherine Ryan,2018-01-16 Her Royal Highness Queen Elizabeth II has reigned for 64 years longer than any British monarch in history During that time the Queen has endured the ups and downs that long life will bring She was a beacon of hope during and after the Second World War in difficult times when the world faced a precarious future and she has served as a role model for generations of men and women who continue to be in awe of her commitment to service sacrifice and the Commonwealth of nations over which she rules The abdication of her uncle Edward VIII in 1936 turned her family s world upside down When her father was crowned King George VI Elizabeth was thrust into the eye of the storm as a future queen A shy and reserved child she grew into a wise and insightful monarch who has dealt ably with nine British Prime Ministers during her long reign from Winston Churchill to Theresa May It was of course not always straightforward and the Queen has found herself in hot water several times most notably during the marriage of Prince Charles and Diana Princess of Wales When Diana was tragically killed in a car crash the standing of the Royal Family was probably at its lowest ebb It is unlikely that we will ever see a monarch reign so long or so effectively again holding together a disparate group of nations each with its own aspirations customs and traditions Catherine Ryan has written an intriguing biography of one of the most famous women of modern times who at 91 years old still seems fit and healthy and looks very unlikely to hand over the reins to her successors any time soon      **Koh-i-Noor** William Dalrymple,Anita Anand,2017-06-15 Riveting This highly readable and entertaining book finally sets the record straight on the history of the Koh i Noor Tarquin Hall Sunday Times Dynamic original and supremely readable Maya Jasanoff Guardian The first comprehensive and authoritative history of the Koh i Noor arguably the most celebrated and mythologised jewel in the world On 29 March 1849 the ten year old maharaja of the Punjab was ushered into the magnificent Mirrored Hall at the centre of the great fort in Lahore There in a public ceremony the frightened but dignified child handed over great swathes of the richest country in India in a formal Act of Submission to a private corporation the East India Company He was also compelled to hand over to the British monarch Queen Victoria perhaps the single most valuable object on the subcontinent the celebrated Koh i Noor diamond The Mountain of Light The history of the Koh i Noor may have been one woven together from gossip of Delhi bazaars but it was to become the accepted version Only now is it finally challenged freeing the diamond from the fog of mythology that has clung to it for so long The resulting history is one of greed murder torture colonialism and appropriation told through an impressive slice of south and central Asian history It ends with the jewel in its current controversial setting in the crown of Queen Elizabeth the Queen Mother which was deemed too contentious to be used by Camilla the Queen Consort in King Charles s coronation Masterly powerful and erudite this is history at its most compelling and invigorating      *The Queen's Fortune* Allison Pataki,2021-02-16 A sweeping novel about the extraordinary woman who captured Napoleon s heart created a dynasty and changed the course of history from the New

York Times bestselling author of *The Traitor's Wife* *The Accidental Empress* and *Sisi* I absolutely loved *The Queen's Fortune* the fascinating little known story of Desiree Clary the woman Napoleon left for Josephine who ultimately triumphed and became queen of Sweden Martha Hall Kelly New York Times bestselling author of *Lilac Girls* As the French revolution ravages the country Desiree Clary is faced with the life altering truth that the world she has known and loved is gone and it's fallen on her to save her family from the guillotine A chance encounter with Napoleon Bonaparte the ambitious and charismatic young military prodigy provides her answer When her beloved sister Julie marries his brother Joseph Desiree and Napoleon's futures become irrevocably linked Quickly entering into their own passionate dizzying courtship that leads to a secret engagement they vow to meet in the capital once his career has been secured But her newly laid plans with Napoleon turn to sudden heartbreak thanks to the rising star of Parisian society Josephine de Beauharnais Once again Desiree's life is turned on its head Swept to the glittering halls of the French capital Desiree is plunged into the inner circle of the new ruling class becoming further entangled with Napoleon his family and the new Empress But her fortunes shift once again when she meets Napoleon's confidant and star general the indomitable Jean Baptiste Bernadotte As the two men in Desiree's life become political rivals and military foes the question that arises is must she choose between the love of her new husband and the love of her nation and its Emperor From the lavish estates of the French Riviera to the raucous streets of Paris and Stockholm Desiree finds herself at the epicenter of the rise and fall of an empire navigating a constellation of political giants and dangerous shifting alliances Emerging from an impressionable girl into a fierce young woman she discovers that to survive in this world she must learn to rely upon her instincts and her heart Allison Pataki's meticulously researched and brilliantly imagined novel sweeps readers into the unbelievable life of a woman almost lost to history a woman who despite the swells of a stunning life and a tumultuous time not only adapts and survives but ultimately reigns at the helm of a dynasty that outlasts an empire
