

# Queer Sixties

**Freya Jarman-Ivens**

## Queer Sixties:

*The Queer Sixties* Patricia Juliana Smith, 2013-12-16 The Queer Sixties assembles an impressive group of cultural critics to go against the grain of 1960s studies and proposes new and different ways of the last decade before the closet doors swung open Imbued with the zeitgeist of the 60s this playful and powerful collection rescues the persistence of the queer imaginary

**The Queer Sixties** Patricia Juliana Smith, 2013-12-16 The Queer Sixties assembles an impressive group of cultural critics to go against the grain of 1960s studies and proposes new and different ways of the last decade before the closet doors swung open Imbued with the zeitgeist of the 60s this playful and powerful collection rescues the persistence of the queer imaginary

**Letters to ONE** Craig M. Loftin, 2012-09-01 Collection of letters written to the first openly gay magazine in the United States

*Gender and Sexuality in 1968* L. Frazier, 2009-10-26 This unique volume brings together literary critics historians and anthropologists from around the world to offer new understandings of gender and sexuality as they were redefined during the upheaval of 1968

*The Gay Liberation Youth Movement in New York* Stephan Cohen, 2007-11-21 Between 1966 and 1975 North American youth activists established over 35 school and community based gay liberation youth groups whose members sought control over their own bodies education and sexual and social relations This book focuses on three groundbreaking New York City groups Gay Youth GY Street Transvestite Action Revolutionaries S T A R and the Gay International Youth Society of George Washington High School GWHS from the advent of gay liberation in NYC in 1969 to just after its dissolution and the rise of identity politics by 1975 Cohen examines how gay liberation with its rejection of stultifying sex roles attack on institutional oppression connection between personal and political liberation celebration of innate androgyny and resolute anti war and anti capitalist stance shaped understandings of sexual identity membership criteria organization decision making the roles of youth and adults and efforts to effect social change

Oh Boy! Freya Jarman-Ivens, 2013-09-27 From Muddy Waters to Mick Jagger Elvis to Freddie Mercury Jeff Buckley to Justin Timberlake masculinity in popular music has been an issue explored by performers critics and audiences From the dominance of the blues singer over his woman to the sensitive singer songwriter popular music artists have adopted various gendered personae in a search for new forms of expression Sometimes these roles shift as the singer ages attitudes change or new challenges on the pop scene arise other times the persona hardens into a shell like mask that the performer struggles to escape Oh Boy Masculinities and Popular Music is the first serious study of how forms of masculinity are negotiated constructed represented and addressed across a range of popular music texts and practices Written by a group of internationally recognized popular music scholars including Sheila Whiteley Richard Middleton and Judith Halberstam these essays study the concept of masculinity in performance and appearance and how both male and female artists have engaged with notions of masculinity in popular music

**The American Isherwood** James J. Berg, Chris Freeman, 2015-01-08 Novelist memoirist diarist and gay pioneer Christopher Isherwood left a wealth of writings Known for his crisp style and his

camera like precision with detail Isherwood gained fame for his Berlin Stories which served as source material for the hit stage musical and Academy Award winning film Cabaret More recently his experiences and career in the United States have received increased attention His novel A Single Man was adapted into an Oscar nominated film his long relationship with the artist Don Bachardy with whom he shared an openly gay lifestyle was the subject of an award winning documentary Chris and his memoir Christopher and His Kind was adapted for the BBC Isherwood s colorful journeys took him from post World War I England to Weimar Germany to European exile to Golden Age Hollywood to Los Angeles in the full flower of gay liberation After the publication of his diaries which run to more than one million words and span nearly a half century it is possible to fully assess his influence This collection of essays considers Isherwood s diaries his vast personal archive and his published works and offers a multifaceted appreciation of a writer who spent more than half of his life in southern California James J Berg and Chris Freeman have brought together the most informative scholarship of the twenty first century to illuminate the craft of one of the singular figures of the twentieth century Isherwood the American emerges from the shadow of his English reputation to stake his claim as a significant force in late twentieth century American culture whose legacy continues in the twenty first century Contributors Joshua Adair Murray State U Jamie Carr Niagara U Robert L Caserio Pennsylvania State U Niladri Chatterjee U of Kalyani India Lisa Colletta American U of Rome Lois Cucullu U of Minnesota Mario Faraone Peter Edgerly Firchow Rebecca Gordon Stewart William R Handley U of Southern California Jaime Harker U of Mississippi Sara S Hodson Huntington Library Carola M Kaplan California State U Pomona Benjamin Kohlmann U of Freiburg Germany Victor Marsh U of Queensland Tina Mascara Stephen McCauley Paul M McNeil Columbia U Guido Santi College of the Canyons California Kyle Stevens Brandeis U

Rocking the Closet Vincent L Stephens, 2019-10-16 The all embracing whaddya got nature of rebellion in Fifties America included pop music s unlikely challenge to entrenched notions of masculinity Within that upheaval four prominent artists dared to behave in ways that let the public assume but not see their queerness That these artists cultivated ambiguous sexual personas often reflected an understandable fear but also a struggle to fulfill personal and professional expectations Vincent L Stephens confronts notions of the closet both coming out and staying in by analyzing the careers of Liberace Johnny Mathis Johnnie Ray and Little Richard Appealing to audiences hungry for novelty and exoticism the four pop icons used performance and queering techniques that ran the gamut Liberace s flamboyance shared a spectrum with Mathis s intimate sensitivity while Ray s overwrought displays as Mr Emotion seemed worlds apart from Little Richard s raise the roof joyousness As Stephens shows the quartet not only thrived in an era of gray flannel manhood they pioneered the ways generations of later musicians would consciously adopt sexual mystery as an appealing and proven route to success

*"She's So Fine: Reflections on Whiteness, Femininity, Adolescence and Class in 1960s Music "* Laurie Stras, 2017-07-05 She s So Fine explores the music reception and cultural significance of 1960s girl singers and girl groups in the US and the UK Using approaches from the fields of musicology women s studies film and media

studies and cultural studies this volume is the first interdisciplinary work to link close musical readings with rigorous cultural analysis in the treatment of artists such as Martha and the Vandellas The Crystals The Blossoms Brenda Lee Dusty Springfield Lulu Tina Turner and Marianne Faithfull Currently available studies of 1960s girl groups girl singers fall into one of three categories industry generated accounts of the music's production and sales sociological commentaries or omnibus chronologies discographies She's So Fine by contrast focuses on clearly defined themes via case studies of selected artists Within this analytical rather than historically comprehensive framework this book presents new research and original observations on the 60s girl group girl singer phenomenon Let's spend the night together Subcultures Network, 2023-11-07 Let's spend the night together explores how sex and sexuality provided essential elements of British youth culture in the 1950s through to the 1980s It shows how the underlying sexual charge of rock n roll and pop music more generally was integral to the broader challenge embodied in the youth cultures that developed after World War Two As teenage hormones rushed to move to the music and take advantage of the spaces opening up through consumption education and employment so the boundaries of British morality and cultural propriety were tested and often transgressed Be it the assertive masculinity of the teds or the lustful longings of the teeny bopper the gender bending of glam or the subterranean allure of an underground club disco the free love of the 1960s or the punk provocations in the 1970s sex was forever to the fore and more often than not underpinned the moral panics that fitfully followed any cultural shift in youthful style and behaviour Drawing from scholarship across a range of disciplines the Subcultures Network explore how sex and sexuality were experienced presented conferred responded to and understood within the context of youth culture popular music and social change in the period between World War Two and the advent of AIDS The essays locate sex music and youth culture in the context of post war Britain with a widening and ever more prevalent media amidst the loosening bonds of censorship in a society shaped by changing patterns of consumption and the emergence of the teenager existing as Jeff Nuttall famously argued under the shadow of the nuclear bomb *The Way Out* Sebastian Buckle, 2015-05-21 In 1957 there were over a thousand men in prison for homosexual offences A little over half a century later homosexuality is an active part of the mainstream Homosexuality has a public profile on TV in film and in literature and popular culture When did today's fairly open discourse on homosexuality begin Sebastian Buckle argues that homosexuality as a public identity began after the Second World War on the release of the Wolfenden Report which recommended gay sex be decriminalised and tells the story of homosexuality in the public eye Buckle takes us through early images of homosexuality in the 1950s the founding of the Gay Liberation Front Section 28 and community radicalism under Margaret Thatcher's government the AIDS crisis of the 1980s the expanding musical and cultural influence of gay subcultures and the resulting partial acceptance into the mainstream of queer identities The result is a complex and nuanced history of gay movements society and the media and a fresh look at how the struggle for acceptance and equality has been fought *The Un-Natural State* Brock

Thompson,2010-10-01 This is a study of gay and lesbian life in Arkansas in the twentieth century a deft weaving together of Arkansas history dozens of oral histories and Brock Thompson's own story      **Abstract Bodies** David J. Getsy,2015-11-03 Original and theoretically astute *Abstract Bodies* is the first book to apply the interdisciplinary field of transgender studies to the discipline of art history It recasts debates around abstraction and figuration in 1960s art through a discussion of gender's mutability and multiplicity In that decade sculpture purged representation and figuration but continued to explore the human as an implicit reference Even as the statue and the figure were left behind artists and critics asked how the human and particularly gender and sexuality related to abstract sculptural objects that refused the human form This book examines abstract sculpture in the 1960s that came to propose unconventional and open accounts of bodies persons and genders Drawing on transgender and queer theory David J Getsy offers innovative and archivally rich new interpretations of artworks by and critical writing about four major artists Dan Flavin 1933 1996 Nancy Grossman b 1940 John Chamberlain 1927 2011 and David Smith 1906 1965 *Abstract Bodies* makes a case for abstraction as a resource in reconsidering gender's multiple capacities and offers an ambitious contribution to this burgeoning interdisciplinary field      *The Oxford Handbook of Music and Queerness* Fred Everett Maus,Sheila Whiteley,Tavia Nyong'o,Tavia Amolo Ochieng' Nyongó,Zoe C. Sherinian,2022 Explores ways that music and queerness interact to create unique meanings Includes perspectives on music making from many times and places Innovative queer research and interpretation take exciting new directions Book jacket      *Rainbow Jews* Jonathan C. Friedman,2007-03-26 *Rainbow Jews* deals with the intersection of gay and Jewish identity in American and Israeli film and theater from the 1960s to the present Its main area of interest is the extent to which Jewish creative voices in the performing arts have constructed multidimensional images of and a welcoming public space for the gay lesbian and transgendered community as a whole Through a close reading of the texts of numerous American and Israeli plays and films some famous but mostly lesser known the author evaluates some of the key conventions and tropes that have been employed to construct critique and reflect the social reality of the connection between Jewishness and gay identity in the United States and Israel Secondly the author explores ways in which gay Jewish playwrights and filmmakers have assisted the re-evaluation of sexual norms within Judaism over the past three decades inspiring and reinforcing measures across the spectrum of belief geared towards integrating Jewish members of the GLBT community into the overall Jewish historical narrative      *The Columbia Guide to America in the 1960s* David R. Farber,Beth L. Bailey,2001 The 1960s continue to be the subject of passionate debate and political controversy a touchstone in struggles over the meaning of the American past and the direction of the American future Amid the polemics and the myths making sense of the Sixties and its legacies presents a challenge This book is for all those who want to take it on Because there are so many facets to this unique and transformative era this volume offers multiple approaches and perspectives The first section gives a lively narrative overview of the decade's major policies events and cultural changes The second presents ten original interpretative essays from prominent historians

about significant and controversial issues from the Vietnam War to the sexual revolution followed by a concise encyclopedia articles organized alphabetically This section could stand as a reference work in itself and serves to supplement the narrative Subsequent sections include short topical essays special subjects a brief chronology and finally an extensive annotated bibliography with ample information on books films and electronic resources for further exploration With interesting facts statistics and comparisons presented in almanac style as well as the expertise of prominent scholars The Columbia Guide to America in the 1960s is the most complete guide to an enduringly fascinating era

**Queering the Popular Pitch** Sheila Whiteley, Jennifer Rycenga, 2013-01-11 Queering the Popular Pitch is a new collection of 19 essays that situate queering within the discourse of sex and sexuality in relation to popular music This investigation addresses the changing debates within gay lesbian and queer discourse in relation to the dissemination of musical texts performance cultural production and sexual meaning situating music within the broader patterns of culture that it both mirrors and actively reproduces The collection is divided into four parts queering borders queer spaces hidden histories queer thoughts mixed media Queering the Popular Pitch will appeal to students of popular music Gay and Lesbian studies With case studies and essays by leading popular music scholars it provides insightful discourse in a growing field of musicological research

**Gay Men and the Left in Post-war Britain** Lucy Robinson, 2013-07-19 Available in paperback for the first time his book demonstrates how the personal became political in post war Britain and argues that attention to gay activism can help us to fundamentally rethink the nature of post war politics While the Left were fighting among themselves and the reformists were struggling with the limits of law reform gay men started organising for themselves first individually within existing organisations and later rejecting formal political structures altogether Culture performance and identity took over from economics and class struggle as gay men worked to change the world through the politics of sexuality Throughout the post war years the new cult of the teenager in the 1950s CND and the counter culture of the 1960s gay liberation feminism the Punk movement and the miners strike of 1984 all helped to build a politics of identity There is an assumption among many of today s politicians that young people are apathetic and disengaged This book argues that these politicians are looking in the wrong place People now feel that they can impact the world through the way in which they live shop have sex and organise their private lives Robinson shows that gay men and their politics have been central to this change in the post war world

Singleness in Britain, 1960-1990: Identity, Gender and Social Change Emily Priscott, 2020-07-07 This book contributes to an emerging field of research looking at the significance of marital status to debates about identity and gender It examines representations and experiences of single men and women between 1960 and 1990 using a wide variety of sources including digitized British newspapers social research films and lifestyle literature Whilst much existing work focuses on the early to mid 20th centuries such as Katherine Holden s ground breaking work The Shadow of Marriage Singleness in England 1914 1960 this book alternatively examines the impact of the 1960s and the aftermath of changing attitudes to singleness While Holden and

others such as Virginia Nicholson in *Singled Out* focus largely on social status and lived experience often through oral testimony the author is just as interested in finding new ways of looking at gender and sexuality This work starts from the premise that a distinct double standard existed in attitudes towards single men and women which continued even after the wave of legislation to improve women s status during the 1960s Examining these often vastly different expectations reveals a complex web of progress continuity and contradictions highlighting the uneven pace of social change and its frequent compromises and limitations Using theoretical approaches such as feminism and queer theory this work explores the impact of changing gender norms on issues including single fatherhood old maid stereotypes and experiences of homelessness It can be used as a study aid for 20th century British history and gender studies courses and might also interest both established academics and intellectually curious non academic readers The author has made efforts where possible to clearly explain her theoretical approaches and interventions for those who might be unfamiliar with them

Youth and Permissive Social Change in British Music Papers, 1967-1983 Patrick Glen, 2018-12-11 This book is a work of press history that considers how the music press represented permissive social change for their youthful readership Read by millions every week the music press provided young people across the country with a guide to the sounds personalities and controversies that shaped British popular music and more broadly British culture and society By analysing music papers and oral history interviews with journalists and editors Patrick Glen examines how papers represented a lucrative entertainment industry and mass press that had to negotiate tensions between alternative sentiments and commercial prerogatives This book demonstrates as a consequence how music papers constructed political positions public identities and social mores within the context of the market As a result descriptions and experiences of social change and youth were contingent on the understandings of class gender sexuality race and locality

## Queer Sixties Introduction

In today's digital age, the availability of Queer Sixties books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Queer Sixties books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Queer Sixties books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Queer Sixties versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Queer Sixties books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Queer Sixties books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Queer Sixties books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Queer Sixties books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge,

offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Queer Sixties books and manuals for download and embark on your journey of knowledge?

## **FAQs About Queer Sixties Books**

1. Where can I buy Queer Sixties books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Queer Sixties book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Queer Sixties books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Queer Sixties audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Queer Sixties books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
